SUNDAY SCHOOL LESSON

LESSON VI. FEBRUARY 5.

ELIJAH THE PROPHET APPEARS IN ISRAEL.

1 Kings 17: 1-16. GOLDEN TEXT.

"They that seek the Lord shall not want any good thing."—Ps. 34: 10.

POINTED SUGGESTIONS.

By Rev. D. W. Snider. The lesson for today draws one to its study by the sudden and dramatic way in which it introduces a striking personality. Such an one is more likely to be found among the prophets than among kings.

Elijah appears at a time of national darkness and disgrace, when the multitudes have forgotten God in their abominable idolatries or think of Him as one either distant or dead, and conveys the conviction of his soul in the living God by every line of his rugged features and every word of his truth telling tongue and every output of his royal heart.

It does not matter much where the messenger is from or what may be his pedigree if his message is straight. After all what is said is of more importance than who it is who says it.

But Elijah does not fail to make it known why he should be heard. Listen: "As the Lord God of Israel liveth, before whom I stand," He asserts his personal relation to God and speaks with authority. The politician who has "had his ear to the ground" will sometimes claim to know what the will of the people is, but Elijah, by reason of his personal contact with God, is surer of his message.

The servants of God have sources for the supply of their wants that are unusual—outside of the reign of the world's understanding—but they are effective. This lesson is full of the teaching of the personal touch of Providence.

Simplicity of diet is an important factor in the building of greatness and worth of character.

The approach of the prophet to the widow and the request he made at her hands have every appearance of being inconsiderate to the point of a cruelty which is brutal. The ways of God are often, apparently, inexplicably harsh. But His purpose never is. While the arrest of faith may be commanding (as it too often must be), so far do the children of God wander upon the marshes of unbelief or into the slough of despair! the service of faith is always abundantly rewarded.

It is to be recalled that the widow gave but one meal to Elijah, but the prophet became her means of support for two years. The fruits of obedience to God will figure out in like proportions, however tested.

When the Lord God is added to the inventory of one's stock or capital his resources are found to be increasing. Unfortunately if the self-made man, for his resources are sure, like fake mines, to play out.

Let those who entertain pessimistic fear for the times and can foresee no remedy, drink encouragement from the life and times of the prophet Elijah, which establish the fact that God is always equal to the crisis. The word of the Lord liveth and abideth forever.

BIGOTRY.

Morbid loyalty to a cause or creed; religion with an axe in its hand; supreme concern in matters of belief; impudent ignorance, assuming infallibility; swearing by one's own faith and at the faith of others; claiming a private wire to omniscience, running small trains of thought on a narrow gauge railroad; losing the spirit of religion in worshipping its form; assuming a monopoly in right thinking.

CANADIAN RAILROAD STATISTICS.

Only 7 per cent. of Canadian railroads are owned by the Government. Canada's railroads are the lowest capitalized in the world, \$55,638 per mile.

Canada has the largest railway mileage in the world in proportion to its population.

Canada's railroad mileage has increased in forty years from 2,524 to 24,104 miles, or 854 per cent.

Compared with European countries, Canada is third in the list, in the matter of railroad mileage increase during the past 50 years, with a percentage of 1,132.

HOW TO GET FREE

A 50c. BOTTLE OF PSYCHINE

(PRONOUNCED SI-KEEN)

The white corpuscles of the blood—the Leucocytes, as they are known scientifically—are the policemen or scavengers of the body. Not a germ of disease can invade the body anywhere but these white corpuscles get after it. And, if they are strong enough or in sufficient numbers, they devour it. If they're not strong enough or in sufficient numbers, then the invading army of disease germs triumphs and disease holds the body.

Any preparation that strengthens these white corpuscles or that increases their number, will not only preserve health, but will build up its defenses so strongly that contagion or infection are impossible.

Herbs have always been great curative agents from time immemorial. They have been styled nature's own remedies.

Certain herbs more than others are noted for their curative powers.

And it has been found that those herbs that are most effective in maintaining or restoring health, do so by building up the white corpuscles or Phagocytes.

These herbs are incorporated in Psychine.

And it is the tremendous curative power of these herbs that is responsible for the unequalled record of this splendid preparation.

Think of it. In Psychine we have a preparation that has been in use a third of a century. That has cured hundreds of thousands of many kinds of diseases.

For which we have received hundreds of thousands of unsolicited testimonials.

- Night Sweats
- Obstinate Coughs
- Laryngitis and Dyspepsia

Now we don't ask you to take our word for the tremendously beneficial effect of Psychine. Fill out the coupon below, mail it to us and we'll give you our druggist an order (for which we may him the regular retail price) for a 50-cent bottle of Psychine to be given you free of cost.
