

LOCAL BRIEFS

THE Missionary concert held at Lower Montague last night was of special interest and the attendance was large.

BE sure and come to the Y. P. S. C. E. concert in Zion Church lecture room, on March 6th and hear some patriotic songs.

THE Telegraph Company here has been notified that telegrams can be accepted for Kimberley, South Africa, at senders' risk.

MR. J. B. STEWART visited the schools of Montague a few days ago and entertained the scholars with one of his pleasing concerts.

S. O. E. White Rose meeting of Lodge Prince Edward will be held at 8 o'clock tonight. Every member is urgently requested to attend.

At the Police Court yesterday morning, Edward Murphy and Wm. Weatherbie for assaulting Pierce Costello were each fined 10 dollars or 60 days.

OWING to the unfavorable state of the roads the members of Court Mt. Stephen, I. O. F., have decided to postpone the proposed visit until Wednesday evening, March 7th.

ON Thursday next the building on the corner of Great George and Water Streets, which has been used for some years past as an annex to the Davies Hotel, will be sold by public auction.

THE GUARDIAN is desired to acknowledge the receipt of six dollars and thirty cents from Rev. J. M. Withycombe Summerside, for the Patriotic Fund, being the proceeds of a collection taken in St. Mary's Church for that object.

ON Monday, Mr. Hedley Bryenton, taxidermist, succeeded in shooting a Jack Snipe at the creek on his farm on the Brackley Point Road. The appearance of the bird at this season of the year is another instance of the unusual mildness of the winter.

ADMIRALTY COURT.—The case of Angus Brian of Victoria, vs the owners of the steamship Tiber, was postponed yesterday until the 22nd inst, in order to allow the defendants time to produce additional evidence. The defence is to bear the cost of postponement.

A Grand Concert and Basket social will be held in Clyde River Hall, on Wednesday evening, March 7th. Clyde River has long been famous for its entertainments. The committee will spare neither time nor talent to bring this one up to the standard. Admission 10c. Ladies with baskets free. Proceeds of concert in aid of hall funds.

JUDGE McDONALD owing to other duties is unable to give the lecture assigned to him in the program of the St. James church Y. M. L. A. on Tuesday evening March 6th. The committee, however, has been fortunate in securing the Rev. A. W. McDonald of Tignish, to fill the vacancy. His subject is the work and writings of Mathew Arnold, a subject which is sure to appeal to those of literary tastes. Mr. McDonald, many friends in the city will look forward with great pleasure to hearing him.

AND Pay! Pay! Pay. Such was the sentiment of the meeting held in Mr. Mooe's Hall, Eldon, Feb. 16th in the interests of the Canadian Patriotic Fund. The meeting in which the citizens of Eldon were well represented was addressed by J. Cedric Ballem, chairman; Hon. Jas. Nicholson and others. The people of Eldon, always at the front in works of benevolence and philanthropy, displayed their patriotism in a very tangible form and after the district had been canvassed by collectors appointed for the purpose the neat sum of \$30 was realized. Other districts cordially invited to go and do likewise.—CCM.

A FLAG WANTED AT P. W. C. Why is it that the P. W. College has no flag to float during any celebration?

Student P. W. C.

A number of prominent citizens have already become interested and have waited upon Professor Robertson to get some ideas as to the way the training schools are conducted.—St. John Telegraph.

SALVATION ARMY.—On Thursday evening the Juniors of the Salvation Army will give one of their popular entertainments which have always been so highly appreciated by the people of Charlottetown. Admission is only 5 cents which will give everybody an opportunity of being present.

THE Supreme Court met at Georgetown yesterday morning, Judge Fitzgerald presiding. The following gentlemen compose the Grand Jury: Capt. Malcolm McDonald, Georgetown; Charles H. Van derstine, Midgell; Anthony McLaughlin, Peakes; James A. Moore, Baldwin; Archibald Currie, Souris; Alfred Gordon, Rosemeath; John Collings, Sturgeon; J. F. Norton, Cardigan; P. Welsh, Summersville; R. K. Jenkins, Georgetown; James Nicolle, White Sands; Alex. Hamilton, New Perth; George B. McEachern, Souris; Capt. Joseph McDonald, Cardigan; Michael Hession, Georgetown; John G. Graham, Murray Harbor North; W. A. Johnstone, Montague Bridge; Michael D. McDonald, Montague; Benj. Clow, Murray Harbor North; Elisha McVane, Bothwell; Thos. Kickham, Souris.

THE tension that has made the week memorable in the history of the Empire, was lifted yesterday by the news of the unconditional surrender of Cronje. As soon as the despatches were bulletined, flags were run up to the mast heads and the citizens vied with each other in celebrating the event. At fifteen minutes after eleven o'clock the fire bell in the tower of the City Hall rang out in jubilation of the hour. Almost as soon as the first peal of the bell was heard the whistles of the different factories throughout the city joined in the chorus. Those who passed the railway works could not help being impressed with the shrieking of the numerous locomotive whistles and the ringing of the many bells. The children of West Kent school were dismissed and were marched to the City Hall and there cheered for the Empire and sang God save the Queen. A few minutes later the boys of Queen Square with flags flying and drums beating formed up in front of the Provincial Building and joined in the National Anthem. In Prince of Wales College the patriotism of the students could not be restrained. When the news was received they cast aside their work and joined in round after round of applause, which almost shook the walls of the staunch new College. All the students repaired to the Assembly Hall and with Miss Pridham presiding at the piano they joined in singing patriotic songs. At the conclusion three cheers were given for the Queen; three for Lord Roberts; three for General Buller and three for the Sons of Canada who to-day are battling for the nation's honor. The students of St. Dunstan's celebrated the victory by a general exemplification of patriotism, the College authorities declaring the day a holiday.

THERE IS ONLY ONE Permanent Cure for Catarrh. That is What a Well-known Toronto Gentleman says about Japanese Catarrh Cure.

Mr. John Sloan, 78 McGill St., Toronto, writes: "I have had catarrh in the most disagreeable form for years; hate at times got remedies which would relieve me, but nothing to cure me completely, until I tried Japanese Catarrh Cure. From the very first it gave me much relief, and every day's use showed a marked improvement. I used in all six boxes, and it has completely cured me. It certainly does all claimed for it, which I cannot say of scores of other remedies tried, and I feel it my duty to attest my appreciation of anything so worthy." All druggists, price 50 cents, or mailed by the Griffiths and Macpherson Co., Limited, 121 Church street, Toronto.

A TEMPERANCE meeting was held at Witshire last night at which Rev. G. P. Raymond, delivered an address.

THE friends of Mr. Hughes, janitor of Queens Square school, will regret to learn that while he was returning home Monday evening he was taken ill on the street and it was found necessary to take him into the Apothecaries Hall where a restorative was given. He was afterwards driven to his home.

CONCERT AT NORTH RIVER.—There will be a concert in the Baptist Church at North River on Thursday evening March 1st. A good program has been prepared which will be supplemented by Miller Brothers mammoth graphophone Grand. This instrument has lately been thoroughly overhauled and several new and choice selections added to its repertoire. An enjoyable evening is promised all who attend. Admission 15 cts. Children 10 cts. Proceeds in aid of organ fund.

A CURIOUS coincidence happened yesterday morning. Almost immediately after the telegram from the War Office announcing the surrender of Cronje had been bulletined, the ever alert small boy was on hand and announced that Cronje's supply train was coming up Grafton street. All eyes were turned on the procession; but as it drew near it was found that it consisted of some 36 teams conveying the Canadian and American goods selected by the firm of Prowse Bros. for their customers. In the procession were also the firm's supply of Christy's celebrated hats. Mr. Sabine was in command of the supply train and vigorously proclaimed its approach by the frequent tooting of a horn. Many thousands of dollars were contained in the procession and when the huge boxes and bales are opened many bright and beautiful selections will be revealed to the purchasing public. The English goods will arrive in a few days.

For some days past the residences of a number of citizens have been visited and rubber mats have been stolen from the halls. A few days ago the police took the matter in hand and on Saturday Sergt. Bradley, found the remnants of two at a junk shop on Pownall street. Further investigation at another junk shop revealed the fact that five mats in a mutilated condition had been sold there and that one mat was sold in whole condition. Another mat, almost new, was thrown into Capt. Langill's yard. Seven of the mats are cut up in small pieces. A day or two ago a gentleman missed his rubbers and calling into a junk shop found that they had been sold there. Several of the mats have not been claimed. The residences of Messrs. F. Hertz, J. D. Mason, Dr. Blanchard, D. McNeill, Pope Fletcher, Dr. Bagnall, A. Farquharson, have been visited. Three boys have been arrested viz: Joseph McAleer, aged 12; Thos. Ronaghan, aged 10; Carrol aged 8. The boys were yesterday remanded until Thursday next.

OBITUARY.—It is with the deepest feelings of regret that we chronicle the death of Mr. Thomas Stigsword, one of the oldest and most respected members of our community, which occurred at his home, Corra Ville, Wednesday, the 21st February at the advanced age of eighty years. Deceased was in his usual good health, until a short time previous to his death, when he was attacked with a severe cold, which gradually grew worse and despite all that skilled medical aid and loving friends could do, he passed peacefully away on the above mentioned date. Deceased came to this community when but a comparatively young man, and by his industry and perseverance felled the forest kings, cultivated the land, and worked out for himself and family, (who for the most part have settled around him) comfortable and well provided homes. By his ever-obliging and genial disposition, he made for himself many friends, and no enemies, and his death will be sincerely mourned by all who had the pleasure of his acquaintance. During his illness he was fortified with the last rites of the Catholic Church by his kind pastor, Rev. J. C. McMillan. A proof of the high esteem in which he was held, was manifested by the large concourse of sleighs, which, notwithstanding the disagreeable state of the weather, followed his remains to All Saints' Church, Cardigan, where the last solemn rites of the Church were performed by the Rev. pastor. To the bereaved family and other relatives, we extend our sincere sympathy. May his soul rest in peace.—Com.
