A MAP OF CHARLOTTETOWN. Thirty years since a map of Charlottetown has been made. Everybody needs one.

The Morning Guardian will be mailed to any address in Canada, United States, or the British Isles from now until Dec. 31st, 1908 for only 25 cents.

This offer entitles the sender to a map of Charlottetown and a map will also be mailed to the new subscriber. The new subscriber will be written the name of the sender unless otherwise advised.

This is a splendid opportunity to have a daily paper mailed to a friend abroad. They would appreciate it like a letter from home and would be greatly pleased to receive the new map of Charlottetown.

Subscribers to the Guardian who have more than one friend abroad to whom they wish to mail The Guardian are allowed to buy as many of this special offer as they desire.

DESCRIPTION OF MAP. It has been thirty years since a Map of Charlottetown has been made. Most of the old ones have been long since worn out or lost. A few framed copies remain, but these are sadly behind the times and do not show the extensive improvements made since they were first issued. A new Map of the city has become a public need.

To meet this The Guardian has secured a Map and Plan prepared by J. P. Nicholson, Esq., City Surveyor, accurate and up-to-date. This has been carefully engraved. It clearly indicates all the Streets, Wharves, Railway Tracks, Parks and Squares and the location of the Colleges, Churches, Public Buildings and Offices, leading Hotels, places of Amusement and Cemeteries, etc.

This valuable Map has been prepared in various forms. It can be had on cardboard 13 x 20 inches, or in the form of a neat folder.

The Guardian yesterday had a short talk with Frank Beales of this City, who has just returned from the Horse Show in New York. Mr. Beales says that owing to the financial stringency and large automobile business in the United States the light harness horse is down to a very low price. Mr. Beales saw a beautiful chestnut horse Dare Devil, sold for \$150 and a mare in foal to one of the best race horses in America sold for \$130. Mr. Beales bought two good mares while there. For one Princess Chimes in foal to Toddington he paid \$150 and for the other one Miss McGregor in foal to Birgen \$575.

PROGRAM FOR TONIGHT AND THURSDAY AT THE UNIQUE PICTURE PALACE

The 3 Men Minstrel Show which has been such a howling success will be seen for the last time.

The pictures for tonight include one of the funniest comedies you ever looked at Two Great Griets is in itself a laugh. Jones goes to the cemetery to decorate his wife's grave. Mrs. Brown goes also to the same cemetery to place flowers on the late Mr. Brown's grave. Mutual grief stories are exchanged. Brown's Virtues and the greatness of the late Mrs. Jones are told about in sympathetic tones, but don't fail to see the finish.

Doll Making is a descriptive picture interesting and instructive. The Village Gossips is another amusing comedy picture. Beautiful illustrated songs just you and I by Mr. Dodge. And the last night of the Minstrel's announcement of the sketch for the balance of the week will be given in this evening's paper. Admission 5 cents.
