A WOLFVILLE N. S. despatch of the 22nd says:—In response to a summons from John Rockefeller, Dr. Trotter leaves on Thursday for New York, and the opinion is freely expressed that a personal interview with either the Baptist multi-millionaire or his son will be granted him on his arrival. As a result of his trip undertaken at Rockefeller's expense, it is probable that a much larger grant than \$15,000 previously given by the Standard Oil Magazine to Acadia will be obtained, as any personal approach to Rockefeller has before this time been utterly impossible.

TROUBLES OF AN EX-REBEV.

Were Easily Disposed of by Dodd's Kidney Pills. W. G. Cragg, of Dresden, had Inflammatory Rheumatism, and was Cured Slick and Clean.

DRESDEN, ONT.—Jan 16.—(Special).—"Dodd's Kidney Pills cured me slick and clean of the Rheumatism," says W. G. Cragg, ex-rebeve of this town. "It was the Inflammatory Rheumatism I had, and I think Dodd's Kidney Pills are as fine a remedy for that as I want. I am as sound as a bell now as far as Rheumatism is concerned."

This is Mr. Cragg's experience, and it is the same as many others. People generally here are learning that Rheumatism is simply a result of Kidney Disease—that if the kidneys do not do their duty and take the uric acid from the blood, it crystallizes at the muscles and joints and causes those tortures too many people know too well.

"I had been troubled with Inflammatory Rheumatism for eight years," continues the ex-rebeve. "I could scarcely get around to do my duties in my store. I tried doctors and medicines without getting any benefit, till I heard of Dodd's Kidney Pills. Six boxes cured me completely. Cure the kidneys with Dodd's Kidney Pills and your Rheumatism will cure itself."
