GOOD SPORT—W. A. Morrell, Amherst auditor who recently returned from Charlottetown, Prince Edward Island stated the sportsmen there were getting a great kick out of the open season for Hungarian partridge. There were limit bags made the first two days that the season opened but that the birds which had been previously almost domesticated realized that mankind no longer had friendly intentions. Gunners found the Hungarians full of all sorts of tricks, and the bags decreased very rapidly. The "Huns" proved that they were well able to look after themselves.—Amherst News.

APPLES—APPLES

PARCELS FOR SOLDIERS OVERSEAS — Information has been received at the Charlotteown Post Office through the Canadian Postal Corps overseas, regarding the receipt of parcels containing fruit and vegetables in a badly decayed condition. Fruit and vegetables cannot properly be transported by Parcel Post to members of the C.A.S.F. overseas, for when it becomes decayed it may damage other parcels in the same bag, to say nothing of what may have been included in the original parcel. The mailing public is, therefore, advised that such articles should not be included in parcels to soldiers, sailors or airmen with the C.A.S.F. overseas.

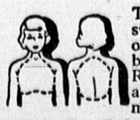
MORELL WAR SAVING STAMPS CLUB — A War Savings Stamp Club was formed by the teacher and pupils of Morell School, for the purpose of selling war savings stamps to aid in winning this war. Our first meeting was held October first to organize and elect officers. The officers elected were: Honorary President, Mr. A. A. Gilmore, President, Michael Dale, Vice-President, Evelyn Geldert, Secretary, Joseph McInnis, Treasurer, Bernadine Kelly. A committee was appointed to choose a name for the club and "Help Smash Hitler" was chosen. Three groups were then appointed for selling stamps, with four persons in each group. At each meeting, the captains of the selling teams give their reports of the number of stamps sold each week. Up to the present time thirty-nine stamps have been sold. A meeting is held each week, in order to have the reports of the activities of the different groups during the week. After each meeting a committee presents a program for the amusement of the members. It is hoped other schools throughout the province will follow this clubs example and help all they can to aid in this great crisis. The meetings close by singing our National Anhtem.

Here's How to Relieve MISERY of COLDS *Without Dosing*



There's nothing to swallow. Massaged on throat, chest and back, Vicks VapoRub acts two ways at once to relieve misery of colds.

FIRST: VapoRub acts on the skin, stimulates like a warming poultice.

SECOND: At the same time, VapoRub gives off soothing medicated vapours that are breathed direct into irritated air passages.

THIS DIRECT, 2-WAY ACTION loosens phlegm, clears air passages, checks tendency to cough—also relieves muscular tightness and soreness.

Because it's external, and safe, VapoRub can be used freely and as often as needed, for children and grown-ups. No wonder it's used in 1 out of 3 Canadian homes.

WEDDED AT MARSHFIELD — A pretty wedding took place at the home of Mr. and Mrs. J. R. Munn, Mrashfield, on Tuesday, October 29th., at 4 o'clock in the afternoon when their daughter Margaret Frances was united in marriage to Mr. George MacLeod, Graham's Road, in the presence of the near relatives of the contracting parties. The ceremony was performed by Rev. J. C. MacNeill, Marshfield, the wedding march being played by Mrs. W. R. Godfrey. The bride was becomingly attired in a street-length dress in two shades of blue with a corsage bouquet of talisman roses. Both bride and groom were unattended, the witnesses being her twin sister, Jean, and Mrs. Fred B. Small, Charlottetown. After receiving the best wishes of the guests supper was served. They then drove to their home at Grahams Road where a reception was held. Among the telegrams, cheques and presents received by the bride was a beautiful end table from the Marshfield Women's Institute of which she was a very popular member. Prior to her marriage the Y.P.S. of the church and a few close friends entertained her at the home of her brother, John, and Mrs. Munn where they presented her with many useful and valuable gifts and with their best wishes for a happy married life.

WEDDING BELLS. — A very pretty wedding was solemnized at the home of Mr. and Mrs. J. F. Easton, Hampshire, on Wednesday, October 23, when their only daughter, Phyllis Irene, was united in marriage to John Stanley Newman, son of Mr. and Mrs. Pope Newman of New Haven. The wedding took place in the living room which was prettily decorated in pink and white. The Reverend Lewis M. Murray, of Hunter River, performed the ceremony in the presence of members of the immediate families and close friends. The bride who was given away by her father, wore a dress of white silk cut velvet and the veil and orange blossoms worn by her mother. She carried a bouquet of white baby chrysanthemums and pink snap-dragon. Her pearls were a valuable string worn by her mother. Miss Frances Clow was bridesmaid and wore a floor length dress of mauve silk crepe. She carried a bouquet of yellow asters and white baby chrysanthemums. Mr. Donald MacLean, Tyne Valley, cousin of the groom, was best man. Mr. Arthur Vessey of York played the wedding marches and rendered music. After the ceremony, the couple and guests retired to the dining room where a delicious supper was served. Those assisting in serving were: Mrs. Lloyd Mackinnon, Mrs. Edward McPhail, Mrs. Hamm, Mrs. Cannell and Misses Helen Younker, Lois McLeod, Verna Kitson, and Mildred Tremere. The two wedding cakes were made by a close friend of the family. When supper had been served Rev. Lewis Murray sang several appropriate solos and later all the guests entered into an enjoyable sing song. This fine young couple will live at New Haven, where the groom is a farmer. The best wishes of all their friends go with them.
