Quality

Although we are undoubtedly the largest ICE CREAM dealers in the Province we have but one brand which is perhaps the reason of our rapidly increasing business. The largest or smallest order we receive is filled with the same pure whole some and most delectable "ICE CREAM" that we serve in our store on Sunnyside. We have custom-ers in practically every town or village on the Island, and are getting new ones all the time. No quantity is too large or too small for us to handle.

AT CAPE TRAVERSE.—Tuesday, Wednesday and Thursday were busy days at Cape Traverse, autos, auto and autos kept pouring into Cape Traverse all day. Mr. Roy Hailian, B. Side has sold probably ten cars there and surrounding district. Among the prominent buyers are Dr. Daughe Messrs Ed. McWilliams, Warren Lord, of Lord's Co., and many others. Twenty-four auto sports from Summerside and Charlottetown sat down to supper at Mr. Ed. Crosby's, Wednesday night last, and Thursday night very distinguished visitors ate broiled lobsters at the Crosby Hotel, viz: Judge Haszard and Premier J. A. Matheson, W. A. O. Morson and Sheriff Wright. After supper those gentlemen proceeded to Port Borden, where they inspected the grounds and were highly pleased with their outing in Sheriff Wright's new Overland car. The people of Cape Traverse gave a hearty welcome to the auto owners who in turn were taken for drives, which was highly appreciated. Farmers took great trouble to have their horses come in contact with the autos, and the result was that few, if any, horses paid any attention. In one instance the writer saw Mr. Holman's car on one of the wide public roads of Cape Traverse and enjoying the joy ride immensely. Mr. Roy Dan, Mr. Angus, Mr. E. R. Blow and many others were in Cape Traverse this week.

Lowering The High Cost of Living

The women do most of the buying for the home; so we address this ad. to them.

The housewife can perform her "bit" in lowering the high cost of living by buying wisely. When it comes to drugs you must understand that quality is the true test of cheapness. Cheap drugs are worse than worthless, they are often harmful.

Of course it costs us something extra to buy the highest grade drugs, but the increased business which comes to us because of our reputation for makes it possible for us to give you extra quality, and extra service without charging you any more than you would often be required to pay for inferior goods elsewhere.
