THE death occurred on Aug. 13th, of Helen Wakefield, beloved daughter of Thomas and Nettie Hockien of Grove St. Worcester, Mass. The remains were brought over to the Island and on Sunday 17th were interred in the cemetery at Montrose. The funeral service held at the home of John Barbony, Alma, was conducted by the Rev. H. G. Craik, in the absence of the pastor, Rev. A. D. McDonald. Helen was a remarkably bright, beautiful child, the fragrance of her sweet young life filling the home with joy suddenly she was called away and the hearts of the parents are filled with sorrow. Yet they know that their darling is safe—"Safe in the arms of Jesus" where no storm or chill of earth can come.

THE general merchandizing business at Bradshaw carried on by Mr. Cyrus Morris under the efficient management of Mr. Fred Morris is one of the best in any country section of this Province. Everything that the farmer requires is kept in stock and in addition Mr. Morris takes in payment for his well selected stock everything grown on the farm. The goods in this well stocked store are bought at right prices and with an eye to the requirements of the trade. Taking everything into consideration it is not strange that the firm is so popular and does such a large and increasing business. This year they will take special pains to more than ever serve the public as only experienced business men can.

The Detroit Journal in referring to MacLachlan's appearance in Detroit last winter says:—The enthusiastic Coots of St. Andrew's Society, gave Jessie MacLachlan an ovation last night, probably never surpassed anywhere. From her first appearance in dramatic song, to the last notes of "Auld Lang Syne" she kept the audience out of their seats with enthusiasm. Every seat in the vast Armory was taken, and hundreds stood. Few singers in the world could draw such a tremendous audience. The great Scottish nightingale will be heard on the evening of October 2nd and it is fully expected that the biggest audience our hall ever contained will greet her. Great interest is also felt in the appearance in the same concert of one of America's finest tenors, Mr. Harry McClaskey. It will be a great night for our music lovers.

CARD OF THANKS.—On behalf of the Union Sports Committee I beg to tender my sincere thanks to all who contributed to make our first Labor Day Celebration such a grand success. To the Abegweit-Crestant Club for remaining at home and taking part in our sports, thereby forfeiting their proud title of Maritime Province champions; to the officers of same Club and the other gentlemen who so kindly acted as officials; to the merchants and others who so generously contributed to our prize list; to the press for their valuable assistance in advertising; to Supt. Sharp of the P. E. I. Railway for train arrangements; to the public for their generous patronage; to the Union men of Charlottetown for their grand turnout on parade and excellent conduct during the day—to all who contributed to make our sports the best ever held in this province. On behalf of committee.—J. CLINTON, Secretary-Treasurer.

ALCOHOL AND DRUG USERS.

Victims of the above habits will be interested in the discovery of a harmless antidote which quickly and permanently removes all desire for liquor and drugs. This medicine has been publicly endorsed before Congress of Bishops and at Father Matthew's Anniversaries, also by Clergymen from their pulpits and by temperance societies of all denominations. Interested persons can obtain full particulars from Mr. Dixon, 81 Wilcox St., Toronto, Canada.

THE Moncton Times says regarding the M. P. A. A. sports—only about 400 were in attendance.—The sports were lacking in the snap and go that characterized this meet in former years. The competition in the most of the events were very poor, while in other events only two or three of the competitors put in an appearance. Even the blight which had fallen upon the M. P. A. A. extended as far as the officials of the association. Only two or three officials appointed by the executive outside of the Moncton Association, attended the meet and they did not seem in a hurry to get here. After yesterday's exhibition the M. P. A. A. should either be reconstructed and a new set of officers put at the head of it or the Association should disorganize. Amateur sports will not survive long in this section under the existing state of affairs.

BENJ. LYON Smith of Cincinnati, Ohio, secretary of the American Christian Missionary Society, who is making a tour of the churches assisted by that society, and other churches in the Maritime Provinces has spent a few days on P. E. Island. He arrived in Summerside on Wednesday 27th and lectured there. On Friday, he lectured in New Glasgow and on Sunday last he preached for the Central Christian church of this city, morning and evening. The reverend gentleman said it was about twenty-six years since he had been on P. E. Island and he was pleased to renew some acquaintances of his former visit. The address of the morning was one of exceptional interest to the student of the conditions of the religious world, and was full of facts, statistics and figures regarding the rise and progress of the movement with which he stands identified and to which he has devoted and consecrated his life, viz, the restoration of apostolic christianity and the union of all christians upon the Bible as the only rule of faith and practice.
