SERVE SUBSTANTIAL DESSERTS
WHEN NIPPY DAYS PEP UP
APPETITES

(By Katharine Baker)

"A fellow's feeling at his best," when the first is on the pumpkin, says an American poet. These invigorating autumn days do put plenty of pep and punch into people and send them home simply starving for dinner. Summer desserts are light and cool but as colder weather comes, the sweet course should have more "body," or as the men say "something to bite into."

Coconut custard pie and its dusky cousin, pumpkin, are two of the world's most popular desserts. Cafeterias have reported that men order more coconut pie than they do of any other variety.

COCONUT CUSTARD PIE

3 eggs, slightly beaten
3 cups milk, scalded
1-2 cup sugar
1-8 teaspoon salt
1 cup coconut, premium shred

Line a 9-inch pie plate with pastry, rolled to 1-8-inch thickness. Combine eggs, salt, and sugar; add milk gradually, then add coconut, and mix thoroughly. Pour into pie shell. Bake in hot oven (400 degrees F.) 15 minutes; then decrease heat to moderate (350 degrees F.) and bake 30 minutes longer.

Currencies

(Canadian Press)

MONTREAL, Oct. 18—Currencies were again irregular on Montreal foreign exchange today. The pound sterling lost 15-16 of a cent at \$4.98 5-16 and the United States dollar gained 3-32 of one per cent at 1 9-16 per cent premium. The French franc held at 6.99 cents.

NEW YORK, Oct. 18—The pound sterling weakened in the foreign exchange markets today and lost its gains of the past two days. The final rate for the pound was \$4.98 3-4, 1-4 cents below yesterday's closing figure.

The Canadian dollar extended its discount from 1-7-16 to 1-9-16 per cent. The French franc held unchanged at 6.99 1-4 cents.

MINING

(Canadian Press)

TORONTO, Oct. 18—The reaction from the post-election advance was carried further today on the Toronto mining market in the golds and base metals while the silvers remained unchanged in the average. Losses in both the gold and the miscellaneous mines indices were of minor importance however but there were some rather stiff individual losses. Volunte was on the small side.

Noranda and Hudson Bay moved back, ignoring the advance of metal in the London market. Noranda dropped 7-8 and Hudson Bay 3-8 while in the cheaper base metal group, Mining Corporation was off 7 cents, Pind Oreille 4, Base Metals Corporation 1 3-4 and Falconbridge 1.

Wright Hobbies came out quite freely at a loss of 5 cents and Hollinger was offered down 25 cents to 13.50. Other changes in the senior gold group were minor gains for Bralorne, McIntyre, Teck Hughes and Pioneer.

PRODUCE

(Canadian Press)

MONTREAL, Oct. 18—Butter and cheese prices tended slightly easier on Montreal dairy and produce market today and other lines held unchanged. No 1 grade butter brought 24 1-2 to 24 3-4 cents a pound for cartons or less with small lots to retailers at 28 for solids and 27 for prints.

No 1 Ontario cheese was quoted at 12 1-2 to 12 3-4 cents a pound and no 1 Quebec at 12 to 12 1-4.

Graded egg shipments in cartons or less were 37 cents a dozen for A-large, 35 for A-medium, 29 for A-pullets, 25 to 25 1-2 for B and 21 1-2 to 22 1-2 for C.

Potatoes in 80-pound bags continued at 85 to 90 for Prince Edward Island mountains, 80 to 85 for New Brunswick mountains, 75 to 80 for Quebec mountains and 55 to 65 for Quebec cobbles.

GRAIN

(Canadian Press)

WINNIPEG, Oct. 18—The "Little fellow" had an innings on the Winnipeg Grain Exchange today when the big operators left the market largely to its own devices. Wheat prices closed 1-4-3-8 cent higher after a dull session during which commission-house buying, chiefly purchases by small speculators, provided most of the market's support.

The October future closed at 90 7-8 after recovering earlier fractional recessions. November was at 91 1-4, December 91 1-8 and May 96 cents. Price changes were narrow throughout.

Foreign importers displayed little interest in Canadian wheat. Milling demand for low-grade wheats gave spreads a fractional hoist in a quiet cash-grains market. Coarse grain-cashers scored small gains.

Trainer—Murphy Nuptials

A marriage of unusual interest was solemnized on Sept. 25, 1935, in St. James Church, Summerside, by Rev. Francis McDonald, P.P., assisted by Rev. Father Peters, Kelly's Cross, and Rev. Father Sinnott, Rollo Bay, when Mr. J. Leslie Trainer, Maplewood, P. E. I., son of Mr. and Mrs. James J. Trainer, left to the altar, Mary Gaudine, daughter of Mr. and Mrs. J. Austin Murphy, Emerald, P. E. Island. The church was tastefully decorated with autumn flowers by the friends of the bride.

SLIMMING CRITICIZED

Professor D. F. Fraser-Harris, lecturing at the New Health Summer School at Margate on Thursday, criticized the slimming habit among women.

If the human nervous system was to be nourished, he said, it must have food containing nitrogen and phosphorus. Those substances were found in so-called fat-making foods like milk and butter, and all the fashion plates which had been published since the time of the Garden of Eden were of not the slightest use in breaking down that law. If girls were going to be sufficiently insane to starve themselves, then they were simply breaking the biological law exactly as a criminal broke the criminal law. The criminal might go to the gallows, and the absurd girl might, in some cases, die.

HAND-KNITTED SWEATERS

When home-knit sweaters are washed the shoulders invariably become baggy and rather shapeless. The only way to ensure the shape being retained is to tack a fairly wide piece of ribbon or tape along the shoulder seam before washing, which can be removed when dry. Stuff the sleeves with tissue paper while wet and they will dry a good shape. To prevent the buttons on woolen cardigans from pulling back them with linen buttons on the other side of the garment, sewing both buttons together.

"VINEGAR" BIBLE RESTORED TO CHURCH

A rare edition of the Bible, printed in 1717 and known as the "Vinegar" Bible, because of a compositor's error in putting "vinegar" instead of "vineyard" in the Parable of the Vineyard, has been restored to Easty Church, near Dover, where it belonged in 1822, for 30s. This was the sum paid by a clergyman collector, living near Bishop's Stortford, who recently found the Bible in a second-hand shop. The Bible bears the inscription: "St. Mary, Easty, Kent; Rev. George Randolph, vicar; Thomas Moulden, Thomas Castle, churchwardens; 1822."

Ability To See Comfortably

The object of a modern eye service is to enable patients to see comfortably. That means seeing without strain on the eyes. And also the avoidance of many bodily results of eye strain. That thought deserves the consideration of all who are not certain of the condition of their eyes.

G. F. Hutcheson
