

### Nervous Women

Their Sufferings Are Usually Due to Uterine Disorders Perhaps Unsuspected

#### A MEDICINE THAT CURES

Can we dispute the well-known fact that Canadian women are nervous?

How often do we hear the expression, "I am so nervous, it seems as if I should fly;" or, "Don't speak to me." Little things annoy you and make you irritable; you can't sleep, you are unable to quietly and calmly perform your daily tasks or care for your children.

The relation of the nerves and generative organs in women is so close that nine-tenths of the nervous prostration, nervous debility, the blues, sleeplessness and nervous irritability arise from some derangement of the organism which makes her a woman. Fits of depression or restlessness and irritability. Spirits easily affected, so that one minute she laughs, the next minute weeps. Pain in the ovaries and between the shoulders. Loss of voice; nervous dyspepsia. A tendency to cry at the least provocation. All this points to nervous prostration.

Nothing will relieve this distressing condition and prevent months of prostration and suffering so surely as Lydia E. Pinkham's Vegetable Compound.

Miss Leah Stowell, of 177 Wellington St., Kingston, Ont., writes:

Dear Mrs. Pinkham:—Your medicine is indeed a Godsend to suffering women, and I only wish that they all knew what it can do for them and there would be no need of their dragging out miserable lives in agony. I suffered for years with bearing-down pains, extreme nervousness and excruciating headaches, but a few bottles of your Vegetable Compound made life look new and promising to me. I am light and happy and I do not know what sickness is, and I have enjoyed the best of health now for over four years. Lydia E. Pinkham's Vegetable Compound has sent sunshine into thousands of homes and hearts.

Will not the volumes of letters from women made strong by Lydia E. Pinkham's Vegetable Compound convince all women of its virtues? Surely you cannot wish to remain sick and weak and discouraged, exhausted each day, when you can be as easily cured as other women.

A FRENCH BLOUSE FROCK.

These long-waisted French frocks are seen at their most becoming best when the upper or body part follows blouse lines. Such is the mode followed in this dainty little frock of pale blue mohair, upon which a deep shade of sapphire blue velvet ribbon makes for the sole trimming design. There is a yoke across the shoulders back and front, this defined with rows of the ribbon, and to which the blouse portion is shirred, this falling a trifle over the skirt top. The skirt itself is likewise shirred to give somewhat fitted lining of the body part, and the entire frock fastens in the back. The sleeve is long, to suit the coming cold weather, a loose bishop puff with a little plain band cuff, velvet ribbon trimmed, at the wrist.

### CHRISTMAS CARDS FOR ROYALTY

LONDON, Oct. 31.—Royalty sets the fashion of Christmas cards this season. An art pendant is this year's absolute novelty and both the Queen and the Princess of Wales have chosen this design for their cards. Each card is practically a picture panel, but with this ingenious addition that when lifted it exhibits a leaflet greeting and a verse of a regular Christmas card attached by a silk ribbon which acts as a hanger for the picture panel.

Queen Alexandra's card is remarkable for its choice of coloring. "Peace on Earth, Good Will Towards Men," appears in silver letters on the panel. Inside the greeting is "With all good wishes for a peaceful and happy Christmas." The mount is gray and the panel is tied with pretty blue ribbon.

The flight into Egypt has been chosen for the Princess' card and again the coloring is very rich. "Glory to God in the Highest" is inscribed over the picture, and inside "To wish you a peaceful and happy Christmas." On the second leaf is the first verse of "Hark, the Herald Angels Sing!" the Princess retaining the popular version of the famous Christmas hymn.

#### HOW CONSUMPTION STARTS

Tired When You Wake—Languid all Day, Nerves Worn Out—Snap All Gone.

Your limbs feel "draggy" and excessively weak. A night's sleep seldom brings satisfying rest. Continuous headaches, exhaustion and nervous sensations destroy your health. Soon every spark of vitality is used up. Then you catch tuberculosis.

Start to-day. Build up, get new nerve force, and overcome this process of decay. Use Ferrozone, which physicians consider the most vitalizing, uplifting tonic ever made.

Ferozzone cures because it can furnish the body with sufficient nutrient and building material.

Think of the instant effect—at once the appetite increases, delightful color in the cheeks proves that rich, red blood is being circulated. Tired muscles are invigorated, flesh and weight are added. Nerve force develops, and bounding, joyous health is firmly established.

This is certain—Ferozzone restores falling strength from any cause. The experience of Mrs. Thomas Dowd, of Schreiber, Ont., proves this:

"Household worries and cares had about exhausted my strength, I was weak and miserable. My cheeks lacked the color of health, and occasionally I had spells of rheumatism. Then my appetite fell off and nothing could tempt me to eat. Worn-out feelings, chills and despondency filled my very being. I became anemic and dwindled down to a shadow. Consumption was very near. Ferozzone put strength in my body with a rush. It built me up strong, viable and happy, and I have been well ever since."

Ferozzone cures sickness by curing the real cause—lack of blood and nerve tone. It keeps people in their best-fit, ready and anxious for work. In 50c. boxes only, six for \$2.50 at all dealers, or N. C. Polson & Co., Hartford, Conn., U. S. A., and Kingston Ont.

TORONTO, Oct. 31.—The Toronto General Hospital Board desire to hand over their trust to the Government. #### No Poison In Chamberlain's Cough Remedy

From Napier New Zealand, Herald Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. When taken in time it prevents pneumonia. This remedy is for sale by all druggists.

Mrs. Farlinger representing the "Pure Gold Manufacturing Co." of Toronto will be at Beer & Goff's store on Friday and Saturday of this week where she will be pleased to meet the ladies of Charlottetown and show them the superior quality of the jelly powders, salad dressings, essences, etc., manufactured by her firm. 24 21.
