# DOCTOR CURED OF ECZEMA

**Maryland Physician Cures Himself of Eczema with Cuticura Remedies. Prescribes Them and Has Cured Many Cases Where Other Formulas Have Failed—Dr. Fisher Says:**

## CUTICURA REMEDIES POSSESS TRUE MERIT

My face was afflicted with eczema in the year 1897. I used the Cuticura Remedies, and was entirely cured. I am a practising physician and very often prescribe Cuticura Resolvent and Cuticura Soap in cases of eczema, and they have cured where other formulas have failed. I am not in the habit of endorsing patent medicines, but when I find remedies possessing true merit, such as the Cuticura Remedies do, I am broad-minded enough to proclaim their virtues to the world. I have been practising medicine for sixteen years, and must say I find your Remedies A No. 1. You are at liberty to publish this letter, or any part of it. I remain, very truly yours, G. M. Fisher, M. D., Big Pool, Md., May 24, 1905."

## A SET OFTEN CURES

**Complete Treatment for Every Humour from Pimples to Scrofula.**

Bathe the affected parts with hot water and Cuticura Soap, to cleanse the surface of crusts and scales and soften the thickened cuticle, dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation, and inflammation, and soothe and heal, and lastly, take Cuticura Resolvent Pills to cool and cleanse the blood. A single set is often sufficient to cure the most torturing, disfiguring, itching, burning, and scaly skin, scalp and blood humours, with loss of hair, from infancy to age, when all else fails.

Cuticura Soap, Ointment and Resolvent, (also in form of Chocolate Coated Pills, 25c. per vial of 60) are sold throughout the world. Potter Drug & Chem. Corp., Sole Props., Boston, Mass. [illegible]

# MAMMOTH REMAINS IN WEST ONTARIO

TORONTO, May 23.—The department of Education has been supplied with detailed information with regard to the finding of mammoth remains on the farm in the western part of the province. Officials of the department will shortly leave for the scene with a view to securing the remains for the provincial museum, where the only specimens of such remains consist of a few teeth and odd bones. It is not quite clear to what species the remains in question belong, but there are said to be sufficient to enable experts to reach a definite conclusion on that point, and to permit of their being shown in such a way as to give visitors to the museum an idea of the kind of animal life that once existed in this country.

# ST HELENA HAS NO GARRISON

LONDON, May 23—St. Helena is threatened with ruin—in the view of the inhabitants, according to a letter from a correspondent by the withdrawal of the garrison, which Mr. Haldane states in parliamentary papers, will take place in the autumn.

The colony is one of our oldest, and is, of course, important as a cable station, while its value would be enormously increased in the case of war and the closing of the Suez canal. Germany, according to the islanders, would like to possess it, and one of her ships was surveying there in March.

Our correspondent declares that the expected retrenchment of $50,000 to $60,000 a year by withdrawing the troops is illusive. On the other hand, merchants and farmers in the island exist for the troops, and will in a few months become bankrupt; they will have no one to sell to. Roads and telephones are kept up by the military: there is no local industry.

The colored people will starve, adds the correspondent, and the poor Africans (some of whom were born in slavery, and all of them the decendents of slaves released by the benevolence of England) will have cause to regret she ever took them under her protection.

# AMERICAN CONSUL WAS ASSASINATED

BATOUM, May 23.—Wm. H. Stuart, the American Consul, was shot and killed at his country place last night. The assassins escaped. Mr. Stewart was a British subject and one of the largest ship brokers and exporters of Batoum. During the revolutionary troubles of last fall, his life was many times threatened by longshoremen and at Christmas a deputation visited his office and practically compelled him to give them $1,500 under the guise of a holiday gratuity for dock laborers.

# PILES

**Anyone Can Easily Test It and Prove it, for a Free Sample is Sent by Mail to all.**

Seven out of ten readers of this paper are tortured with piles or some form of rectal disease. You are or you would not be reading this article. Thirty years ago doctors carried a lancet in their vest pocket and bled people for all sorts of diseases and bled them hard,—sometimes a quart at a time. It was the fashion then. All that is changed nowadays and a doctor with a lancet would be considered a curiosity.

Five years ago doctors "cut out" Piles wherever they got the chance. All that has been changed since the marvellous soothing, healing and curative properties of Pyramid Pile Cure have become known.

By every mail we get letters like this:

"I want to tell you that it was the first thing that eased the terrible pain and itching and allowed me to have a night's rest for 7 long weeks. My husband immediately went to our druggist Mr. Heinbach, and procured a 50 cent box. I am now cured and will always recommend you highly to every one. You actually saved my life. My mind, too, was almost gone from the pain. Yours gratefully, Mrs Rose H. Stouffer, 1603 16th St. Moline, Ill."

If you want positive proof of this send to the Pyramid Drug Company 6019 Pyramid Building, Marshall, Mich. You will receive a free trial package by return mail. Try it, then go straight to your druggist, get a 50 ct. box and get well.

# SHERRING MET AT MONTREAL

MONTREAL, May 23.—William J. Sherring, the Canadian boy who won the famous Marathon race at Athens, arrived in Canada this morning and was given an enthusiastic reception by the city of Montreal and representatives of all the leading city athletic associations. Although Sherring's train pulled into Bonaventure station a few minutes after seven, Mayor Ekers and fully two hundred of the athletic fraternity were on hand, and a strenuous cheer greeted the runner as he reached the platform. As the train pulled in, Mayor Ekers, Victor Buchanan president of the M. A. A. A. and Ald. Thos. O'Connell, president of the Shamrock Amateur Athletic Association boarded the car and formally welcomed Mr. Sherring back to his own country, Mayor Ekers extending the freedom of the city to the Marathon winner.

Immediately on alighting, Sherring was caught by a lusty half dozen athletes and unceremoniously "bounced," after which he was carried in triumph through the station on the shoulders of the same sextette and out to a carriage, in which he was driven to the Windsor, where he will spend the day as the guest of the M. A. A. A. and Shamrock A. A. A.

**Sciatica Cured After Twenty Years of Torture.**

For more than twenty years Mr. J. B. Massey, of 3322 Clinton St., Minneapolis, Minn., was tortured by sciatica. The pain and suffering which he endured during this time is beyond comprehension. One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle has effected a permanent cure. Mr. Massey relates his experience for the benefit of others who may be similiarly afflicted. If troubled with sciatica or rheumatism why not try a 25 cent bottle of Pain Balm and see for yourself how quickly it relieves the pain. For sale by all druggists.

# CHURCH BENEFITS BY THIS WILL

OROMOCTO, N. B. May 23.—The will of the late George T. Taylor, of Sheffield, was admitted to probate by Judge Gilmor last week.

By the provisions of his will he has endeavored to perpetuate that memory. He leaves no children and his only surviving near relatives are a sister and brother who lived with him, and neice in the United States.

The executors of the will are Isaac W. Stephenson, of Upper Sheffield, and Jas. W. McCready, barrister, of Fredericton to whom all the property is given in trust to pay the income to his sister while she lives and then to his brother and neice during their lives.

After this the whole of the real estate goes to the Centenary Methodist church to be held by them in perpetuity and the income applied to the uses and purposes of the church. The property consists of 500 acres of intervale and upland at Upper Sheffield, about sixteen miles from Fredericton and has a value of probably $7,000
