The Current of Public Confidence Sets Strongly Towards This Store

AGAIN AND AGAIN we have been told that this is the busiest store—and often that it is the BEST STORE. It's busy—ness is obvious to those who come here and look about. And busy—ness in these days of sensible discrimination means a sure measure of excellence. It is fairly safe to follow the crowds.

Those who come here this month will not fail to find summer stocks larger and finer than were ever before shown in this vicinity.

A vast array of merchandise that cannot be duplicated outside of this store at any price. A full money's worth all over the store—and always a better money's worth than can generally be found.
