Hearty Christmas
GREETINGS

At this season of the year we wish to extend Hearty Christmas Greetings to our ever-increasing circle of loyal customers and friends, and make it a holiday in which to remember all our new friends; those which the war has brought close to us, those in the services of our country, and a special thought for mothers, wives and sweethearts who must carry on the holiday without loved ones.

It is our fervent hope that this cruel and devastating war will soon be over bringing complete victory to our gallant allies, with a just and lasting peace for all.
