

SAFETY AFTER SHAVING

Every shaver should be supplied with a good antiseptic preparation to use after shaving. When you give yourself a little nick it is wise to apply something of this sort.

Not only for safety's sake but for comfort we recommend Jamieson's Bay Rum Cream or Nylals After Shave. They feel good and do good.

HARRY LAUDER TO BE GIVEN A KNIGHTHOOD.

NEW YORK, Dec. 3—News was brought here from Scotland by the Anchor liner Muscania that Harry Lauder, the Scotch comedian, is on the King's list of New Year's honors for a knighthood in recognition of his services in obtaining recruits for the army since the war began. The comedian has spent \$100,000 in paying for a band of pipers to travel all over Scotland aiding recruiting and in sums given for war relief. In addition, it was said, Lauder had given his services freely at concerts, which have realized thousands of dollars for the funds. His son has fought through the war in the Argyll and Sutherland Highlanders, has been twice wounded, and is now a major in the regiment. He recently received the Military Cross for valor. Harry Lauder has bought an estate of 22,000 acres in Scotland with a baronial hall and, according to his friends, he will retire from the stage after receiving the knighthood, and become a country squire of the manor. It is said that Frank Allen, general manager of the Moss and Stoll vaudeville circuit in Great Britain, is also to have a knighthood from the King for his efforts on behalf of the war relief which has resulted in \$500,000 being collected at the various music halls he controls.

ST. ANDREW'S CELEBRATION IN YE OLDEN TIME IN CHARLOTTETOWN

In view of the recent celebration of St. Andrew's Day in this city the following report, taken from "The Charlottetown Register" of December 4th, 1924, describing how the Feast of St. Andrew was observed in the old days in Charlottetown will prove interesting:—
On Tuesday the 30th, ult., being St. Andrew's Day a laeve was held at His Excellency, the Lieut.-Governor's quarters, which was numerous attended.
In the afternoon thirty-four gentlemen dined together at Mrs. Bagnall's to celebrate the day; William Johnston, Esq., in the chair, who was ably supported by Mr. Cameron as crupper. His Excellency, the Lieut. Governor and His Honor the Chief Justice honored the company with their presence. The dinner was excellent, nor was the "great chieftan of the pudding race," Scotch haggis forgotten.
After "the King," "the memory of the pious St. Andrew," "The Army and Navy," "The Governor and the Land we Live In," was drunk with enthusiasm and delight; as soon as the applause which followed this toast had subsided, His Excellency shortly returned thanks, concluding by expressing a hope to meet the same company there that day twelve months. On the health of the Chief Justice being drunk he addressed the meeting in a neat speech, in which he said she felt highly honored in being appointed Chief Justice and that no efforts on his part should be wanting to promote the peace and harmony, and consequently the prosperity of this valuable island. In the course of the evening the President, Vice-President, John Stewart, Esq., the Rev. Mr. Fitzgerald, and the High Sheriff, severally addressed the company on their health being drunk. Mr. Hodgson in a neat speech returned thanks on the health of the newly elected members for Charlottetown.

WHERE IS THE MOTHER with a child who is run down, has pale cheeks or thin blood, who will hesitate to give that child the very thing it needs to start it growing and keep it going? For over forty years the concentrated liquid-food in Scott's Emulsion has been changing thinness to plumpness—changing poor blood to rich blood. There is nothing better for growing children—whether they are weak or well—than Scott's Emulsion, but see that you get the genuine Scott's. Scott & Bowne, Toronto, Ont.

That dull aching, that nausea and distaste for food with which so many begin the day, soon goes when you take Dr. Cassell's Instant Relief. The root of the trouble is a disordered liver, perhaps constipation, and Dr. Cassell's Instant Relief so surely restores both liver and bowels that these complaints become impossible.
"Science Gleanings," April 11, 1916, says:—"Providence has given us the means to compensate Nature for our ill-treatment of her. . . . This means at hand come from natural sources, and we have them embodied in such splendid combinations as Dr. Cassell's Instant Relief. We take this preparation as an example because it is so well balanced in the matter of components and so effective in every direction."
