—A very pretty double-wedding ceremony took place at the home of J. and Mrs. Leard, 509 Ave. J. South Saskatoon, on Wednesday, Aug. 23rd, when two of their sons were married. Miss Evelyn Lynis of Gideon, Sask., very becomingly dressed in cream silk became the bride of Harris R. Leard. They were attended by Elven H. Leard and Miss Sadie A. Lynis, who was dressed in pure white. Miss Hannah G. Travers, recently of Alberton P. E. I., was the bride of Lewin T. Leard she was prettily dressed in dark blue silk and was ably supported by W. B. Leard and Miss Lillie I. Leard, who was dressed in sky blue. The ceremony was performed by Rev. Willis B. Leard of Innisfree, Alta. After the ceremony a dainty wedding dinner was served, at which some twenty-five guests were present, and in the evening both happy couples took the West bound train on their honeymoon trip.

—The New Brunswick and Prince Edward Island convention of the Women's Christian Temperance Union closed Thursday evening at Fredericton. At Thursday afternoon's session the question of the location of the convention in 1912 was taken up, and Mrs. Baker held out the hope that Prince Edward Island would extend an invitation and that the convention would be held on the Island. A memorial service was conducted by Mrs. Sprague, the president-elect, of Sackville, who made a brief but feeling address. The names of the members who passed away during the year were Miss Annie Johnson and Mrs. Harrison, Charlottetown; Mrs. Bailey, Mrs. Mesereau, Miss Pidgeon and Mrs. Laundry, St. John, and Miss Gladys Gregory, Fredericton. Mrs. Stephenson read her poem on the dedication of Francis Willard's statue in the hall of fame at Washington. Mrs. Stephenson handled the question box, reading and answering the questions in an able manner. The most interesting of the questions were regarding the white slave traffic and the moving picture shows. After the adjournment of the afternoon session, the delegates enjoyed a drive about the city. A pleasing feature of the evening session was the presentation of a set of five books and a beautiful bouquet of flowers to Mrs. Gray, the retiring president. The presentation was made in connection with the closing exercises of the convention, and Mrs. R. L. Stephenson was similarly remembered, and also little Miss Andrienne Perry, who received a momento from the convention in honor of being the youngest white ribbon present. The Fredericton union secured the banner for securing the largest increase in members during the year, and the Fredericton Y's had the same honor bestowed upon them.

**Why It Pays to buy Inverness Coal**

Inverness Screened Coal is the most economical because of the entire absence of cinders, slate and foreign substances that weigh heavier than coal and destroy the heat-producing qualities.

INVERNESS is scientifically screened coal every particle that does not contain the highest standard heat-producing element is entirely eliminated.

It pays to buy INVERNESS because its ALL COAL. Ask your dealer for INVERNESS and save dollars.

**Reciprocity Between Individuals Is a Natural Instinct**

Reciprocity between the Home Merchant and the Consumer must be to the advantage of the country at large, because it keeps our money in circulation where it rightfully belongs.

**Some firms** are spending enormous sums of money printing and distributing catalogues containing highly coloured cuts meant to catch the eye of the prospective customer.

**They Know** that they cannot give you as good value as you can get from your Home merchant who does business on a strictly cash basis because the cost of their advertising alone would be a good profit for us.

**You Know** that we have been doing business in Ch'town for over thirty years, and today we are the only firm on P. E. Island doing a "One Price to Everybody and Strictly Cash" business, and we are in a position to offer you better values than any other firm in the Dominion of Canada.

**We Know** that we have searched the best markets of the world for all that is newest and best in **Furs, Clothing, Hats, Carpets, Dry Goods, Ladies' Ready-to-wear and Gents' Furnishings**, and start the fall trade with the largest stock in these lines, ever shown under one roof on P. E. Island.
