A FINE APPEARANCE.—The British Soldier was shown on the track Thursday afternoon when starter Power announced that he was the greatest trotter that ever started in the Province and had trotted the two fastest successive heats ever paced to the credit of any trotter in Lower Canada. Owing to his not being fully recovered from the accident at Montague race when the rein broke and he sustained a bad sprain of his fetlock he was not driven as speed out came down the stretch as smooth as an auto. His trotting action is perfect.

Justin Brown of Broadway, Vermont, son of Mr. and Mrs. James E. Brown, of Bayside, Prince Edward Island, Canada. At supper following the game, the 20 guests were seated at two large tables in the dining room, where the decorations were in blue and yellow flowers, arranged in cut glass vases. The wedding will likely be an October event."

ENGINEER AT PUMPING STATION.—During the past few days several rumors have been current regarding the appointment of an engineer at the main pumping station, in place of the late John McDonald. A general oversight of the work both at the main and the supplementary pumping stations will be kept by Mr. A. W. E. Douse, engineer of the central station at the Government Pond.

RETURNED HERO.—Among the passengers leaving on the Aranmore yesterday, was Lieutenant Tom Martin on return to Halifax. Lieut. In the demise of Mrs. Simon Martin, O'Leary loses a fine citizen. The late Mrs. Martin had been in failing health for some time, she being an invalid for the past seven years with rheumatism. It was not however until about a month ago that her condition became serious and on Sept. 25th she departed from this world. After having received the last rites of the Catholic Church, Mrs. Martin was in every way an exemplary Christian. She was fervent in the practise of her religion, kind and generous towards the poor. Those who survive her loss are her sorrowing husband, five daughters and three sons. Mrs. Joseph R. Gallant of O'Leary; Mrs. Frank Arsenault, Woodstock; Mrs. Hubert Arsenault, Egmont Bay; Mrs. Angus Arsenault, Howlan; Mrs. Joseph Peters, Bloomfield; Philip at Duvert Colence at Rocky Mountain, Winnipeg, and Hector at the old homestead. The funeral was largely attended at St. Anthony's Church, while the services at the church and grave were conducted by Rev. F. A. Gallant. Her death will be sincerely mourned by all who knew her.

WINNIPEG TORONTO, ONT. MONTREAL

(From St. John's Nfld. Exe.)
In the death of the late Mr. Fred Smallwood which occurred on Sept. 20th the city loses one of its best known and respected citizens. As a manufacturer he was the proprietor of the Smallwood Boot and Shoe factory on Duckwork Street and the wholesale and retail stores on Water Street. By his fine business ability and thorough practical knowledge, he had built up a successful business concern, giving employment to many hands.

In the midst of a busy and strenuous life he has suddenly ceased to work and live. His health had not been good for some months past, and seeking to improve it he spent a part of last winter and spring in the Southern States. He came back in the early summer quite recuperated. He

attended regularly to business feeling with him in the business, and Fred, in fairly good health. On Saturday morning last he spoke to his wife of a severe pain in the region of his heart and whilst speaking he suddenly fainted, and was unconscious for several minutes. He rallied from this and seemed to be all right again. The doctor who visited him enjoined complete rest and quiet for the day. On Saturday night he was taken suddenly ill again, and about two o'clock on Sunday morning he breathed his last.

The news of his death came as a great shock to many, recalling to their minds the oft-repeated words at the graveside, "In the midst of life we are in death."
To his wife, who was formerly Miss Roberta Hyde, of Charlottetown, P. E. I. to his two sons, Walter, associated

with the Army on the Western battle front, and to his aged father and other relatives, the heartfelt sympathy of the whole community goes out in some minutes. He will be greatly missed and long remembered for the estimable qualities that endeared him to those who were in his house and to the many who knew him in his social and business life. He was a man of few words, and of a retiring disposition, but of warm generous sympathies, and was a true friend. He was a member of the Masonic fraternity and other social ties. He was a member of the Gower Street Methodist congregation, and a ready helper in its many charitable and philanthropic ministries of service.
