## WEAK, FAINT FEELINGS.

### Serious Conditions that Milburn's Heart and Nerve Pills can Readily Cure.

One of the indications of serious heart trouble is the sensation of weakness or faintness that comes on at times.

Sometimes it is simply a dizzy feeling that passes off, or it may be a state of unconsciousness with hands and feet cold and countenance ghastly pale.

These symptoms indicate a weakened heart. They are unmistakable evidences of the engine of life breaking down.

Now there's only one reliable remedy for restoring strength and vitality to weakened hearts and relieving all the distressing symptoms. It is Milburn's Heart and Nerve Pills.

The case of Mrs. A. Stratton, Fredericton, N.B., amply proves this. Here is her statement:

"I suffered very much from an impoverished condition of the blood, coupled with extreme nervousness. A dizzy sensation on arising quickly or coming down stairs, often troubled me, and my breath was so short that I could not walk up stairs. The least exertion caused my heart to flutter and palpitate violently, and I sometimes felt a smothering sensation on going to sleep.

I doctored back and forth for my weakness, but I got no relief from any medicine until I tried Milburn's Heart and Nerve Pills, and I can say that they helped me wonderfully. Sometimes my face and arms would swell and puff, but all these troubles speedily yielded to the restoring influences of Milburn's Heart and Nerve Pills, and I am now strong and well. I did not use them long until I regained the blessing of healthful, refreshing sleep and it will always be a pleasure to me to recommend them to others."

Uric Breault, of Sweetsburg, Que., says:—"Since childhood I have afflicted with Catarrh of the throat and nose and never knew what relief meant until I tried Catarrhozone. Two bottles completely cured me, and I have not one single symptom of Catarrh now. I can heartly recommend Catarrhozone for Catarrh, and would advice all sufferers to get an outfit at once and be cured as I was." Catarrh-o-zone is sold by all druggists. Trial outfit sent for 10c. in stamps by N. C. POLSON & CO., Kingston, Ont. Proprietors.

THE twentieth century thanksgiving fund was initiated in Centenary Church Sunday. Rev. John Read referred to the great centennial movement in 1839, when a few scattered Methodists in the three provinces gave $11,000 to the scheme started in England. The movement, which was at first to raise $400,000, was so successful that $1,700,000 was laid on the altar. The offering amazed the world. Weak Methodism had made the largest offering that Protestantism had ever done. Never had there been such a year. Tidings of salvation and progress came from everywhere. Old Centenary was born as a result of the movement, and it was a centre of power and holy influence. There also came in 1839 a great uplift to the cause. The church took rank and gathered influence. Now as we approach the end of the century a similar scheme has been originated, and in it Canada has followed the mother land. All over the Methodist world the movement has been taken up. South Africa, with its 200,000, Methodists, is raising $250,000. In connection with the work done on that continent, Mr. Read referred to the advance of the British troops and the hopes of the speedy relief of Ladysmith. "Truly," said he, "'Our God is marching on.'" Names from all over the world are being added to the great roll of honor. Some may object to the seeming parade but is not the Bible, from Genesis to Revelation, filled with such parades? In 1839 just such a roll was made, the numbering of our Israel for the encouragement of the people. There is still a year to do the work, but the amounts had better be sent in at one. Sackville needs help. In the schools at that place we have the best arranged institutions in Canada. The schools need help and need it immediately. Then there are the other objects: missions, the supernumerary fund, and the payment of local debts. To each or to all contributions may be made, and there is no doubt that the movement will be a great success.—St. John Sun.

YOU DON'T **Catch Cold** You develop it.

In each person's system are myriads of germs which under favorable circumstances develop into a *cold*. The coughing, sore throat and discharge from the head and lungs are not the cold but simply the results of the efforts of nature to dispel the poison.

Each attack leaves the system weaker to repel subsequent ones with the result that one becomes "subject to colds." Then come weak lungs and next Consumption.

**Shiloh's Consumption Cure** is a specific for *building up* the system and supplying the blood with the power to destroy disease germs. "Shiloh's" is thorough and scientific. It cures—not in spots—but through and through.

Get a bottle of Shiloh's Consumption Cure at your druggist's—use two thirds of it and if you are not satisfied with the results take it back and the whole of the purchase money will be refunded without question.
