H. J. KENNEDY, President.

We are pleased to announce that our Old Home Week racing program has brought us a total of over 250 entries with upwards of 145 separate horses in the 14 events. Never, we believe, has any Canadian race track received such a gratifying response. From all over the Maritime the best trotters and pacers are coming here. The over \$10,000 in purses, prizes, premiums and awards together with the friendly welcome, the generous applause and all the things that make Old Home Week a happy event for visiting horsemen are combined to bring this about.

From the time the starter's gong sounds on Tuesday afternoon, August 10th, at two o'clock until Friday night, August 13th, it will be a constant parade of speed. The slickest and fastest trotters and pacers, the greatest drivers, all turned out in their brilliant uniforms and with their sulkeys and harness gleaming, will present a picture that can only be seen at Old Home Week, Charlottetown.

Interspersed between the harness racing events will be a splendid vaudeville program featuring the finest acts from such leading agencies as George A. Hamid of New York and Al Martin of Boston. There will be a darling high act, The Dancing Devinos, one of the best of its kind in the world, and numerous stage acts fitted in between the heats.

The \$4,000 starting gate which made such a hit at Moncton, will be in operation. In addition to the afternoon programs there will be night racing over the brilliantly illuminated track. Every effort will be made to have the races concluded each afternoon at five o'clock or shortly after so as to give our patrons an opportunity to be present at the evening shows. John Fisher, the noted radio commentator, a guest at the evening races last season, was enthused and gave the event nation-wide publicity as one of the most thrilling he had witnessed.

Make up your mind to take in every afternoon and evening of Old Home Week. You have worked hard during the year, now is the time to take a holiday, and nowhere, as John Fisher said, can you have such real fun as at Charlottetown's Old Home Week.
