Need of Accommodation Yet another remark and I have finished. With the advent of our new Car Ferry and of our Canadian National Hotel, and with the greater effort we are going to give to our publicity work, the tourist traffic is bound to double within a short period. What is going to be done to accom- modate these visitors? Experience shows that the bulk of these visitors stay in the towns for a day or two, then they want to go to the sea shore. Our beach hotels are now over taxed for the most part, and what are we go- ing to do about it? We need more sea side hotels and we stand in great need of additional cottages. A great opportunity here lies open to our people and a profitable investment is here and something must be done and done at once. Our work is to bring people here, to receive them, to inform them, but we are not in the hotel business, this is the part our citizens must attend to.

In closing let me extend my thanks to the Executive who devote so un- selfishly of their time and money to the work, to the citizens who so lib- erally subscribe to our funds, to the City Council and to the Provincial Government for their respective grants, and to our Secretary for her whole hearted devotion to her work.

In our thanks we also wish to in- clude Sir Henry Thornton for the in- terest he is taking in our work, as well as the heads of the different Depart- ments as a substitute and a surprising

entirely satisfactory finish has been provided by Trisiram Tupper and John Stone, the authors, while the dialog, written by James Kevin McGuinness, is most commendable.

O'Brien proves himself perfectly at home in the talking screen me- dium, while Miss Chandler, in her first leading film role, registers as a distinctly new and pleasing person- ility. Excellent performances are given also by Janney, Stepin Fetchit, Frank Albertson, Joyce Compton and David Butler, the noted director, who appears as the Navy coach.

The colorful and realistic Anna- polis and West Point background prove the wisdom of the two months' location trip of Director John Ford and his entire company. And the football game, the first to be filmed in sound, is a knockout.

Additional features are: First Seven Years All Talkie "Our Gang" comedy and "A Day of a man of Affairs" novelty vaudeville film.

The opening meeting in connection with the Week of Prayer services was held in the Central Christian Church last evening, there being a good attendance. An inspirational address was given by Adjutant A. W. Martin, of the Salvation Army, on Thanksgiving and Confession. Other clergymen taking part in the ser- vices were Rev. H. D. Raymond, M. A., Rev. E. H. Ramsay, D. D., Rev. J. D. McLeod, Rev. W. L. Outhouse, E. A. A. presided.

Emphasizing the importance of Thanksgiving in his address, Adjutant Martin, citing Phil. 4, 11: "I have learned in whatsoever state I am therewith to be content," said that a superficial view of the out- ward world creates a superficial view of the inward world of man. At no time did there seem a greater danger than at the present in this regard. The world is greed-mad. Amusement and pleasure loving tread the very walk of God's House.

To secure the average reasons among the people for thanksgiving a test was atone time made for a single congregation, and in the result ob- tained it was found that the largest number recognized the divine hand in human affairs. Material things cause the world's greatest discontent- ment, and never was a thankless person found among the real work- ers for God. The besuties of real life are those things that minister to the deep needs of the soul. The beauty of happiness can never be known to the grossly rich. Happiness denied, is the penalty for over-acquisition. Some day the world will learn the eternal lesson, which the master taught, that "A man's life consist- eth not in the abundance of things he possesseth."

Confession. "If we confess our sins," John 1:9. A light view of sin, is an outstand- ing accusation against the present age, Professor Drummond once said, "He saw little conviction of sin among the people as compared with old time revivals," and also asked if God was modifying his plan of sal- vation. Such utterances are heard to- day. Sin has become a light-hearted word, and almost abolished, and we have drouded the ugly thing up in fine sounding phrases.

A light view of confession has con- sequently followed the drift in regard to sin. Confession is a divine source of intercourse with God. The speaker concluded with some interesting examples of Bible con- fession and of the soul saving zeal of the Wesleyes, Whitfield and other latter-day messengers of the Word. Must we not confess, he said, that we do not see this kind of thing to- day? Where are the present-day Wesleyes, Whitfields, Spurgeons, Moodyes, Knowses? Must we not confess that we have few, if any left? Prayer alone brings the Holy Spirit npon men today, just as it did before Pentecost. The wonders of prayer have not ceased.

This evening's service will be held in the Salvation Army Citadel. The speaker will be Rev. Mr. Outhouse, who will take for his topic, "The Church, Universal."

Salute Has Every- thing Is Verdict Of Patrons

Youth, romance, drama, thrills. Those four words describe "Sal- ute," the West Point-Annapolis all talking Fox Movietone picture which made its debut yesterday at the Prince Edward Theatre.

"Salute" is unusually fine screen entertainment. The story is different compact, graphically unfolded, with many a laugh to relieve tense mo- ments, and has a smashing finish.

The tale concerns two brothers—George O'Brien, an athletic hero at West Point, and William Janney, a midshipman at Annapolis who tries hard but unsuccessfully to duplicate his famous brother's athletic tri- umphs. O'Brien's dominant person- ality sweeps all before him, but when the handsome athlete seems about to take the heart and hand of Helen Chandler, Janney realizes for the first time that he, too, loves her.

The brothers meet in the annual Army-Navy football clash at the Polo Grounds, New York, O'Brien as an All-American halfback and Jan- ny as a substitute end. A surprising
