Montreal Royals Defeat Rochester Red Wings 8-3

By The Canadian Press

Montreal Royals took the second straight game of the three-game International League series from the Rochester Red Wings here last night, 8-3, before a crowd estimated at 6,000, which braved cold weather to watch the first night game of the season.

Jean Pierre Roy went the distance for the Royals and marked up his sixth victory of the year. He was in command all the way except in the eighth inning, when he appeared to tire and the Red Wings reached him for four of their nine hits and all three of their runs.

Conklyn Meriwether started for the Red Wings but was taken out of the box with one man out in the second inning with three runs in and the bases jammed. He was succeeded by George Koby, who remained until the sixth, when John Pakron relieved him.

At Jersey City, Karl Drews racked up his fourth International League victory, his third shutout and stretched his string of scoreless innings to 23 in a row when he handed Jersey City's Little Giants their first whitewashing of the season to give the Newark Bears an 8-0 victory and a 2-1 edge for the three-game series.

Drews, who fanned eight and walked but three was reached for seven hits by the Little Giants, who moved but two runners as far as third base but who were helpless before the big Bruin right-hander in the pinches.

One-Armed Outfielder Is Big Drawing Card

ST. LOUIS, May 22 — (AP) — Pete Gray, one-armed outfielder and leadoff man for St. Louis Browns, may not stick in the Major Leagues, but one thing is certain; he has won a secure place in the hearts of St. Louis baseball fans and is the best drawing card a local team has had since the days of George Sisler or Rogers Hornsby.

The tall, fleet-footed Pennsylvanian, who lost his right arm in a traffic accident when he was six years old, always gets a cheer when he steps to the plate or makes a catch in the outfield.

Pete, playing his first season with the Browns after two years with Memphis, returned to the lineup 10 days ago after a brief lay-off, and his sparkling play was no small factor in the Browns' successful home stand which saw them win eight of nine decisions from eastern clubs. His all-round play in the four games which the Browns took from New York Yankees was outstanding. He batted .333 in that series.

Gray's season average is .225. All his hits have been singles, but his speed afoot enables him to beat out bunts and infield taps which would be easy outs for slower runners. Opposing infielders haven't learned yet how to play him. He hits to right or left field. And there is power in that one-arm swing. During the Yankee series he hit such a long fly to centre that Johnny Lindell made no effort to throw out Frank Mancuso who scored from third. Pete has a keen batting eye, rarely goes after a bad pitch and seldom swings and misses. He usually gets a "piece" of the ball, high, low or outside—they are all the same to Pete.

REMEMBER WHEN

Harry Giddings' big gingerbread colt, Ten To Ace, shot through a sea of mud at Woodbine Race Track in Toronto three years ago today to become the 83rd winner of the King's Plate. Ten To Ace was all by himself within 25 strides from the start and finished 10 lengths in front of the field.

Propose Reopening Presbyterian College

MONTREAL, May 22 — (CP) — Reopening of the Montreal Presbyterian Theological College next fall with an entirely new teaching staff was proposed today in a report submitted by a special committee appointed by the Montreal and Ottawa Presbyterian Synod.

The College there was ordered closed by the 1943 Presbyterian General Assembly, and has since been operating conjointly with Knox College in Toronto. The proposed new teaching staff would involve retirement or resignations of Rev. Dr. F. Scott MacKenzie, principal, and Rev. Frank Beare, registrar.

FINGER BOWLS NECESSARY

K. Of C. Recreation Centre Is Opened

Last evening upwards of 100 young people attended a Knights of Columbus recreation centre opening and if the attendance and enthusiasm shown is any indication of what is to follow, this year will be a decided success.

The young people were addressed by the Rev. J. W. McCardle, the K. of C. lecturer Robert E. Bradley and the Grand Knight, R. A. MacDonald.

A musical program followed, after which ice cream and cake was served and thoroughly enjoyed.

The program opened with the singing of O Canada. Numbers included tap dances by Miss Teresa Costello and Miss Lorraine Weatherbie, vocal solos by Miss Bernice Murray, Miss Louisa Rossiter, Miss Maureen Brown and Mr. Connie LeClair, piano solos by Miss Bethany MacDonald, Miss Joyce Cantwell and Miss Eleanor Gillis and a piano duet by Miss Mary Gillis and Miss Leah MacDonald.

All the numbers were encored.

RECEIVES SAD NEWS — Mrs. Herbert H. Thorne of Charlottetown has received the sad news of the death of her father, Mr. Thomas Haley in Bonavista, Nfld.

FUNERAL YESTERDAY — The funeral of the late William H. McLeod was held yesterday afternoon from his residence, 325 Euston Street. The services at home and grave were conducted by Mr. Donald Nicholson, student minister, assisted by the Rev. D. J. Morrison. Pallbearers were Samuel Hood, John Howatt, Donald Matheson, Louis McPherson, F. F. Sidsworth, and E. W. McKinnon. Interment was in People's Cemetery.

ENTERTAINED AT TEA — The Charlottetown Detachment of the Canadian Red Cross Corps entertained at tea for the British war brides now resident in Charlottetown and vicinity at the Blood Donor Clinic on Saturday afternoon. This was a most enjoyable gathering which gave these new Charlottetonians an opportunity of meeting members of Charlottetown's very active Red Cross Corps, and of becoming acquainted with each other, as well as the incentive to form a club of their own. It is hoped that this club will soon get underway, and that any recently arrived war brides will feel welcome to join this group.

Miss Teresa MacIsaac of the Bank of Nova Scotia, Antigonish and her sister Regina spent a pleasant week on P.E.I., the guests of Mr. and Mrs. Wendelin Morrissey and family, Charlottetown Royalty.

TWO NEW ARMY—

(Continued from Page 1)

sniper's bullet Feb. 26 at the village of Mooshof in Holland during the fighting in which he won his V.C.

Maj. Tilston, who had survived the removal of a rifle bullet from his heart at an English training ground in 1942 and a wound when his jeep struck a mine near Falaise, France, last October, won the empire's highest award for continuing to lead his company through devastating fire after being thrice wounded.

His direction of his company, which eventually was reduced to 26 men or a quarter of its original strength, made possible the early breaching of the Hochwald Forest defence line, last German bastion west of the Rhine.

Disregarding his severe wounds, Maj. Tilston led the fighting personally and refused to be evacuated until his objective had been taken and consolidated. Part of his citation reads:—

". . . On his last trip (to bring up supplies) he was wounded for a third time, this time in the leg. He was found in a shell crater beside the road. Although very seriously wounded and barely conscious, he would not submit to medical attention until he had given complete instructions as to the defence plan, had emphasized the absolute necessity of holding the position and had ordered his one remaining officer to take over . . ."

Sgt. Cosens, second Canadian below commissioned rank to win the V.C. In this war, singlehandedly he killed 20 Germans and rounded 20 prisoners before the sniper shot him through the head.

Sgt. Cosens had taken over the platoon when his officer was killed, and with four remaining men overcame fanatical resistance of an enemy strong-point, making possible the early capture by his regiment of the village of Mooshof. Success of the action was vital to the future operations of the brigade. He had taken over enemy strong-points by cool dashes and shooting from the hip.

Previous Canadian V.C. winners of this war:

Maj. David Vivian Currie of Moose Jaw, Sask., and Owen Sound, Ont.

Pte. Ernest Alvin (Smokey) Smith of New Westminster, B.C.

Flt. Lt. David E. (Bud) Hornell, former Mimico, Ont., school teacher (posthumous).

Maj. John (Jack) Keefer, Mahony, New Westminster.

Lt.-Col. C. C. I. Merritt, Vancouver, recently freed from a German prison camp.

Maj. Paul Triquet, Cabano, Que.

Maj. Charles Ferguson Hoey, Duncan, B.C.

Capt. F. T. Peters, native of Prince Edward Island whose mother lives at Nelson, B.C. (Capt. Peters died subsequently).

15 U-Boats Brought In By 5 Frigates

LOCH ERIBOLL, Scotland, May 22 — (CP Cable) — Fifteen German submarines escorted by the five Canadian frigates which "captured" them off the coast of Norway shortly after Germany surrendered May 7 have arrived at this picturesque port on the North Coast of Scotland after a 500-mile journey, it was disclosed today.

Also taken into custody was the commander of the U-boat flotilla, a Capt. Suhren, who wore the Iron Cross with oak leaves and said he was senior submarine officer on the Arctic Ocean and Barents Sea.

The U-boats were intercepted in the company of a German submarine depot ship and four merchant vessels. The enemy surface craft were ordered to steam for a Norwegian port while the Canadian ships—Matane, Loch Alvin, Monnow, Nine and St. Pierre—took up escort positions around the U-boats.

The frigates, operating with a unit of the home fleet, were escorting a convoy to Murmansk when ordered to intercept a group of U-boats reported travelling south along the Norwegian coast.

Large R.C.A.F. Group Home

NEW YORK, May 22 — (CP) — The largest draft of repatriated R.C.A.F. personnel — 1,546 officers and men — has arrived from the United Kingdom and will leave shortly for Lachine, Que., and then their homes.

The draft includes 136 former prisoners of war and 26 members of the Women's Division. Practically every air force trade was represented in the party although more than half were aircrew.

Almost 80 wore decorations.

Bracken Discusses Security Measures

NEEPAWA, May 22—(CP)—The Progressive Conservative party believes that old age pensions should be increased to at least $30 a month and that a contributory old age pension plan should be inaugurated to assure all Canadians of security in their old age, John Bracken, national leader said here last night.

Old age pensions now are paid to persons 70 years and over whose income was less than $365 a year. A Progressive Conservative party favored making the pensions payable at 65 and of increasing the present average pension of $20 a month by at least $10. This would be done while arrangements were being made to inaugurate a contributory old age pensions scheme in which everyone would contribute something to guarantee themselves an income in later years.

Family allowances also were a part of his social security plans.

SHOES PROMISED

LONDON — (CP) — Good-quality women's shoes soon will be available in greater numbers. Additional leather has just been released to overcome a shoe shortage particularly evident in London.

Announcement

Having been appointed representative and salesman for the Gilson Manufacturing Co. Ltd., on the Island I am now in a position to receive orders for Electric Refrigerators, Electric Washers and Engine drive Washers and the famous Gilson Warm Air Furnaces. WILLARD B. FERGUSON, Winsloe.

Revision Ordered Of Freight Rates In U. S.

(By The Associated Press)

WASHINGTON, May 20 — The Interstate Commerce Commission, winding up an investigation which it launched in July, 1939, Saturday ordered a complete overhauling of the present jig-saw "class" rate freight structure in the United States and pending this:

1. A 10 p.c. rate reduction in all parts of the country except in the east and the far west, effective Aug. 30.
2. A 10 per cent rate increase in the east, effective at the same time.

Rates will remain unchanged west of the Rocky Mountains, where no petition for revision was filed.

However, the Commission also ordered nation-wide application, covering the far west too, of a uniform classification system, so that an article will fall in the same rate category no matter where it is shipped. Under the present set-up, for instance, a typewriter might fall in a high-rate class in one part of the country, a lower and less costly rate in another section, and still a third rate if it moved from one territory to the other.

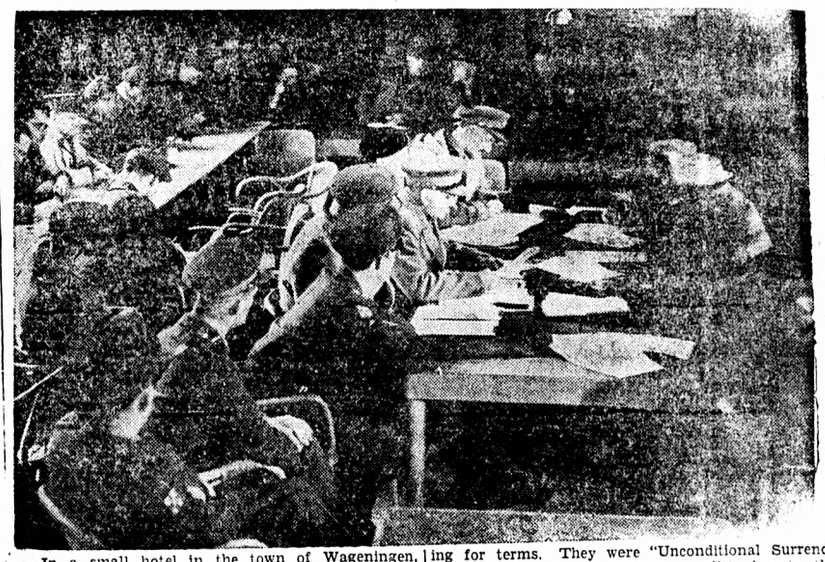
The Commission conceded this change will be a long and tedious task, possibly taking years.

In general the move is toward eventual uniform freight rates based on mileage.

Only class rates, which from the standpoint of traffic tonnage are the least important of the different kinds of rates, were involved in the proceeding.

The great preponderance of all freight moves on commodity rates, grain and coal are examples. These are specially established charges for particular materials or articles, or related groups for a specified haul.

The German Surrender to General Foulkes



In a small hotel in the town of Wageningen, Holland, Lieut.-Gen. Charles Foulkes, General Officer Commanding the First Canadian Corps, dictated the terms of surrender to the German General Johannes Blaskowitz. Earlier the German General had sent a subordinate in the person of General Reichelt to the Canadian Commander asking for terms. They were "Unconditional Surrender." Picture shows the Germans listening to the terms. With General Foulkes reading document are Prince Bernhard of the Netherlands and his staff; Brigadiers W. P. Gilbride and G. Kitching and official interpreters. — (Canadian Army Overseas Photo).

SURRENDER INTERLUDE

Before the surrender of the Germans to the First Canadian Corps, arrangements were made between the opposing forces to string telephone communications between the German and Canadian Field Headquarters to facilitate the delivery of food by the Canucks to starving Dutch civilians trapped within the German lines. This picture shows two Germans laying cable past one of the road blocks in "No Man's Land." A few days later the entire German force in Holland surrendered to the Canadians. — (Canadian Army Overseas Photo).
