C122

Model C122—New-design miniature tubes for longer faithful service. 5 tube set. Dynapower speaker. Beam-a-Scope antenna built in. Smart functional cabinet design. \$28.95 (walnut) \$30.95 (ivory).

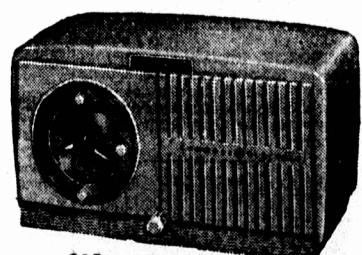

C400

Model C400—The new low-priced space-saver available in six gay colours: blue, red, green, salmon, ivory, walnut. Good clear reception. An ideal second set. \$19.95.

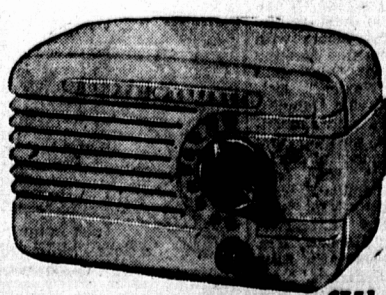

C600

Model C600—Big set quality at this low price! A table model that has the three-gang condenser and the bass boost circuit for brilliant, beautiful tone. Built-in Beam-a-Scope antenna. 6 tubes. Big Dynapower speaker. \$39.95 (walnut) \$42.50 (ivory).

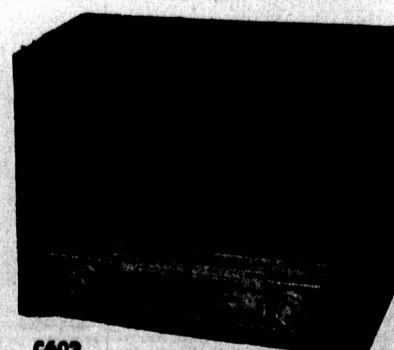

C65

Model C65—The new G-E "Wake-up-to-music" Clock Radio with the automatic Slumber Switch. The new Slumber Switch turns the radio off, up to one hour after you set it at night. Next morning, it wakes you, automatically, with music! Price \$49.95 in rose-wood; \$52.50 in ivory.

C751

Model C751—Gracefully modern cabinet in rich walnut, ivory, rose or orchid plastic. Easy-to-read dial. 5 tubes. Dynapower speaker. Price \$26.50 (walnut); \$28.95 (ivory, rose or grey).

C602

Model C602—A walnut veneered table model designed to stay up-to-date looking. Features the important new electronic advance for improved quality: the three-gang condenser. 6 tubes. 8" Dynapower speaker. Built-in antenna. Phono-jack for attaching record player. \$69.
