Dyeing-Day

is no longer an affliction to the hands. Nor a weariness to the cleaner of the kettles.

For there's a stainlessness obtainable in the new home-dye, D Y-O-L-A.

Of its sixteen colours, fourteen leave no stain on the hand or boiler. Green and purple are the only ones that do.

Mrs. D. R. Chisholm, St. Andrews, N. S., writes: "D y-o-l-a is brighter and cleaner than other dyes and so little work." Mrs. G. A. Larouche, Ingonville, Ont., says: "D y-o-l-a is easier to use, and does not soil the hands."

Ask your druggist for a package. As Miss G. Doran, Nall Pond, P. E. I., says in a recent letter: "D y-o-l-a is the best dye on the market." She adds, "I have dyed mixed goods with entire satisfaction. Not a spot or streak in goods when dyed." ONE PACKAGE—to dye silk, wool, anything—costs 10c.

SENTENCED TO DEATH.

MINAS, March 3.—Anna Isamlovitch and Ivan Mulloff, principals in the plot to assassinate the Governor, Prefect and other high officials during a funeral at the Cathedral, were condemned by a military court to be hanged, though their attempt had miscarried. A bomb was thrown and four shots were fired, without result. Anna Isamlovitch is the daughter of a prominent general.

CROUP IS DEADLY!

It must be stopped quickly. Nothing so sure as Nerville. Give it internally, and rub it on the chest and throat—croup soon vanishes. No doctor can write a more efficient prescription than Nerville's Nerville, which reaches the trouble and cures quickly. The marvelous power of Nerville will surprise you; it's the best household remedy for coughs, colds, sore throat, croup, and internal pain of every kind. LARGES BOTTLES have been sold by all dealers for nearly fifty years at 50c.

About 300 cars of unseal mud valued at \$1500 have been shipped from here up to the present.

On Monday evening Feb. 20 the home of Archibald and Mrs. McDonald, Glasgow was the scene of one of the most enjoyable events in a social way, when the members of the Lot 7 whist club along with about 100 invited guests held their last meeting for the winter. The spacious rooms of the host and hostess were ablaze with light. And to the sweet strains of the violin in the hands of that prince of the bow, P. A. Cain of Howland, the people assembled both young and old to enjoy themselves in the good old fashioned style.

About 12 o'clock supper was served in Mrs. McDonald's best style after which a few short hours' dance and games were indulged in, when the company broke up assisted. They had spent a very enjoyable time and had brought a successful round of amusements through all the meetings of the club to a very successful climax. And for the kindness and hospitality shown by all the people at whose residences the club held their meetings during the winter. They express their heartfelt thanks, and last but not least to Mr. and Mrs. McDonald for the fitting finale to the winter's entertainment.

FORTY MILES OF SOLID SIDEWALK

Tonoro, Mar. 3.—"We will lay forty miles of concrete sidewalks this year," said the City Engineer yesterday. "We laid thirty-five miles last year and would have put down more but we could not get the contractors to do the work, and we may experience a similar difficulty this year. There will be more sidewalks out of repair this spring than for several years."

MORE DEADLY THAN FAMINE.

Neglected catarrh sooner or later causes consumption which destroys more human beings than famine and war combined. The way "Catarhose" cures catarrh is very simple; it first kills the germs that cause the irritation; then by soothing away the congestion and inflammation it cures the discharge, hacking and drooping in the throat. "I suffered so continually from nasal catarrh," writes Ernest R. Dakin of Rosemont, "that I scarcely knew what it was to be free from headache and pain over the eyes. Catarhose relieved me at once and made a thorough cure." No other remedy cures like "Catarhose"—try it for your next cold.

ASSOCIATION FOOTBALL WILL BOOM HERE

Association football is going to boom in Montreal this season. There is a movement on foot among some well-known Montreal sportsmen to form a Dominion League which should afford the lovers of this sport an opportunity of seeing some of the finest games ever played in this city.

The Pilgrims are expected over here again this year, and it is up to Montrealers to show that they can take the field against one of England's finest teams without suffering defeat. Every player should, therefore, see to it that he is a member of some local club in order that he may have an opportunity of upholding Montreal's honor against visiting teams.

The Y. M. C. A. Club will heartily welcome everybody interested in the game at its annual meeting in the association building on Monday, March 5, at 8 o'clock.
