The deceased was a carriage builder and general mechanic and spent most of his life in Pownal Village. For about seven years he was bedfast owing to an illness largely of a nervous nature. Through all these years he was tenderly nursed by his daughter-in-law, Mrs. Austin Jardine. His widow, two brothers, Wm., at Crown Point, and Samuel, at Orwell, and one sister, Mrs. Wm. Wood, of Alexandria, survive him. There are also four sons—two in the West, Gilmore at Lake Verde, and Austin at home, and one daughter, Mrs. John Jenkins, Mount Albion. Gordon, of Moore & McLeod, city, is now with the artillery of the second contingent in England. In a letter from Shorncliffe he refers to Mr. Hammond Johnson, son of Dr. Johnson, city, joining the division and says: "He was at McGill and was a fine youngster. He got his first stripe last week."

WEDDING BELLS—The following is from the Kingston Sask. Representative. On Tuesday, the 30th of March, in the Methodist church was solemnized the marriage of Miss Bertha M. Hodgson, daughter of the late Jabez Hodgson of Hope River, P. E. I., to Hedley Wallace McKay, of Danald, Alta. formerly of Park Corner, P. E. I. The bride arrayed in white sateen draped with lace, and bridal veil entered the church on the arm of her brother Mr. John F. Hodgson, and was attended by her little niece, Catherine Arthur, as bridesmaid, and by Bessie Featherstone and Myrtle Purdy bearing baskets of flowers.

The bridegroom was supported by Mr. Ernest R. Bellingham, student in charge. Mr. Wellword presided at the organ, and during the signing of the register Miss Daisy Newman sang a solo, "The Voice That Breathed O'er Eden." The ceremony was performed by the Rev. T. F. Marshall, pastor of the Anglican church. In honor of the bride, who has been an energetic worker in the Ladies' Aid and Sunday School, the church was prettily decorated with flowers, and was thronged to the door by the crowd of friends and well wishers. As an appreciation of her good work, and as an assurance of good wishes on the Friday previous a number of friends had presented her with a gift of money and an address of congratulation. After the wedding breakfast, the happy couple departed by the morning train for their new home at Danald, whither good wishes of a host of Kinistino friends accompany them.

BANISH BILE!

A bilious condition of the system is the result of inaction of the liver, often causing severe headache through the eyes and temples, culminating sometimes in nausea and vomiting, which is frequently followed by a bilious diarrhoea.

Abbey's Effervescent Salt, when taken as directed, stimulates the peptic glands of the stomach and increases the contraction of its muscles from above downward. This action is communicated to the intestines and increases the flow of the intestinal juice, thus stimulating the ducts of the liver to pour out the bile, when it can be carried downward by the laxative action of the salt, instead of remaining to clog up the liver and flow back into the stomach.

Thus, if a person who is subject to Biliousness and Bilious Headache will use Abbey's Effervescent Salt, the natural action of the Stomach, liver and intestine will be kept up and bile can accumulate in the system.

Davison, St. Peter's, on Thursday evening, April 15th, after an illness of several years, through which his grandmother tenderly cared for him. Although born in Boston, Mass., the deceased had spent the greater part of his life at St. Peter's, where he was loved and respected by all. He leaves to mourn a sorrowing father, R. Bruce Davison, in Boston, and grandmother and relatives at home. His mother predeceased him about 12 years ago.

MT. STEWART—Messrs. George Jay, Fanning Brook and E. Coffin, Cherry Hill, have recently been engaged to work in R. Clark's store, the former as salesman and the latter as bookkeeper. The large crew of fishermen and factorymen of Mt. Stewart are busily engaged getting their supplies and fishing gear on the ground and in shape for the Spring's lobster season which begins on Monday next, April 25th. Mr. Mont McKay has purchased the fine residence and lot owned by Mr. James Partridge, Mt. Stewart. This is a very valuable home and his friends congratulate Mr. McKay on securing it. The total abstinence campaign is the topic of conversation everywhere, and all are confident that when the pledge is presented to the good people of Mt. Stewart and vicinity, they will give a good account of themselves, as they have done heretofore in other patriotic movements. The Methodist people here are in a measure identified with the work as a former pastor, Rev. J. L. Dawson, was one of the originators. His numerous friends are glad to see their old friend, Mr. John Heron able to resume his daily work, after an enforced rest of three months on account of a broken wrist. Several parishioners of the Presbyterian Church, Mt. Stewart, have received a copy of the "Annual Report of the Scottish Church" in St. Vincent, from Rev. Dr. McPhail, a former pastor. The report is exhaustive and clearly shows that a great amount of work is being done in that church. Mr. George Clark, formerly of Stanhope who is now running the saw mill for Clark Bros., Mt. Stewart, has purchased a house and lot from Mrs. K. Coffin. Mr. Clark and family will move in shortly. Mr. John Garnham, Mt. Stewart, has lately been putting new sills under his dwelling house which he purchased last winter. He too will soon be taking up his abode on the South side of the Bridge. Mr. Robert Jay, Mt. Stewart, is building a large hen house, preparatory to his going into the poultry business. Mr. D. McAssey is doing the carpenter work.—L.

He is survived by two brothers, Herbert at Marconia towers, Glace Bay, and Hubert of Charlottetown, P. E. I., and one sister, Mrs. Insley, of Toronto, to mourn their loss.

ENJOYABLE FUNCTION—The annual social and dance of the Caledonian Club was held last night and proved to be one of the most enjoyable yet held. The President, Mr. James McIsaac, first gave a splendid address after which the following program was carried out:—Solo, G. Elmer Ritchie; lancers, waltz, two-step, solo, Miss L. Blanchard; waltz, gavotte, song, A. B. Cosh; duet, Ritchie and Robins; Paul Jones, song, Frank McDonald; waltz, two-step, reading, D. Edgar Shaw; lancers, two-step, waltz. Many friends thought the city will be sorry to learn of the death of Miss Minnie J. Brown, which occurred suddenly on Sunday the 15th inst., at the home of her brother, Dr. W. H. D. Brown, Chicago, Illinois. The deceased was a daughter of the late Mr and Mrs William Brown of this city and had resided in Chicago for several years. A little over a year ago she came to Charlottetown to reside with her mother to whom she was devotedly attached. Her mother died last December and the grief stricken daughter removed to Toronto, where she lived with her sister, Mrs. A. E. Mellish, until a few days ago when she went to visit her brothers in Chicago. She had been in delicate health since her mother's death and shortly after her arrival in Chicago she became seriously ill and passed away, heart failure being assigned as the cause of her death. There are left to mourn four brothers, Mr. A. B. Brown, of this city, Dr. W. H. D. Brown and Frederick Brown of Chicago, Charles, in Tasmania, also one sister, Mrs. A. E. Mellish, of Toronto. To the bereaved relatives the Guardian extends deepest sympathy.

This well known man, after several weeks' illness departed this life on the evening of the 10th. He, although 71 years old and somewhat crippled for quite a while, was active till, partially paralyzed on March 16th, Mr. Currie taught school many years, but abandoned this sphere in which he proved proficient for farming and filling public offices of a local kind. He was clerk of the County Court during the last year of his life and proved "The year of his life and proved "The right man in the right place." His commodious house and barns in good shape together with surrounding well tilled fields speak of success also in agriculture of the soil. He revelled in reading, making poetry and writing for various papers. Many who have never seen him have read productions of his fertile brain and facile pen. He was a gifted, well informed man, a splendid neighbor and referred to by those best acquainted with him as an honest, unassuming citizen, possessing rare talent and kindness of heart. Although the roads were very bad on the twelfth, a large company assembled at Mr. Currie's late residence, where the funeral service was conducted by Rev. Wm. McLeod, in Dundas Presbyterian cemetery, beside the remains of his three daughters, deceased quite young, and that of his wife, his clay tabernacle was committed to its last resting place. The following children survive him: John, Robert, Mrs. McDonald and Mrs. McLeintock in Boston; Wm. Kenneth in Vancouver, B. C.; Gordon in Medicine Hat; George Byron in Alberta; Daniel A. in Dawson City and Lincoln at home. To them all is extended sympathy in their loss of a kind father. May the Redeemer (whom he said to his pastor was all his hope) be their comforter, saving and translating them all to the "Home on High."

Nature's laxative is cellulose—the woody fibre that is found in many vegetables and in the bran coat of the whole wheat grain. It serves the useful function of promoting "bowel exercise." You find it in

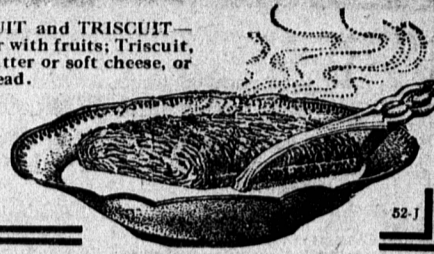

SHREDDED WHEAT

in a form that does not irritate the intestines. It is combined with carbohydrates and mineral salts that build the perfect human body—all prepared in a digestible form—more nourishing than meat and costs much less.

Shredded Wheat is made in two forms, BISCUIT and TRISCUIT—the Biscuit for breakfast with milk or cream, or with fruits; Triscuit, the wafer-toast, delicious for luncheon with butter or soft cheese, or for any meal as a substitute for white flour bread.
