

THE GREAT WHITE SLAVE TRAFFIC

The People's Theatre puts on for tomorrow and tonight an exposition of this nefarious evil—illustrated with over thirty views—showing the way young girls are entrapped by these friends in human form—the places of temptation from which they are taken away to lives of shame—the clearing houses from which this trade is conducted—also the Gilded Palaces of Sin and the story of one of these poor unfortunate girls who died a victim of one year of this life. It is also an appeal to every right thinking man and woman to help stamp out this terrible traffic, to rouse them to the realization which surrounds all daughters—and to a work which is even now becoming world wide in its spread for good—the closing up of these dens of infamy and the redemption of the inmates.

This is one of the most complete expositions extant full of interest and instruction—as well as one of the topics of the day which will hold everyone enthralled with interest.

Only for tonight and tomorrow—so get your seats early as big houses are expected.

CAUSE FOR ALARM

Loss of Appetite or Distress After Eating a Symptom That Should Not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, heaviest, and healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all in Charlottetown who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall's Dyspepsia Tablets, with their distinct understanding that we will refund their money without question or formalities, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be without equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and eradicate all unhealthy symptoms.

We urge you to try a 25c. box of Rexall's Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases, we have two larger sizes, which will cost 50c. and \$1.00. Remember, you can obtain Rexall's Remedies in this community only at our store—The Rexall Store, The McKinnon Drug Co.

Washes Away Pimples YES—OVER NIGHT!

No remedy that we ever sold for Eczema, Psoriasis and all other diseases of the skin has given more thorough satisfaction than the D.D.D. Prescription for Eczema.

But our patrons find that D.D.D. not only gives instant relief to the itching, burning skin, quickly driving out all the disease germs, but it is also the most delightful wash for the complexion they ever used. Absolutely harmless and pleasant to use. D. D. D. cleanses the skin of all minor impurities such as rashes and pimples, over night, and used with the wonderful D.D.D. Soap, it leaves the skin as clear and smooth as that of a child.

It is now generally known that there is nothing that can equal D.D.D. as a household remedy for all skin troubles, no matter what they are.

We ourselves are fully convinced of the merits of this wonderful remedy. If you have a minor skin trouble don't let it develop into a chronic skin disease.

Better drop in and talk it over with us, or write at once to the D. D. D. Laboratories, Dept. C. G., 49 Colborne St., Toronto, for a free trial bottle. We know D. D. D. will bring relief.
