A PLAN

(By Eliza Strang Baird)

Show me the plan, great Builder of my life!
Nay, anxious soul,
Thou art not strong nor wise enough as yet
To see the whole.

How can I find and follow without sight?
I trace each day
The portion thou must copy, and reveal
My perfect way.

So shalt thou raise for me a temple fair
Where I may live,
But not till all its shining stones are set
The plan I give.

Then, when in cloudless light it stands unveiled,
To thee I can
Make plain how thou hast truly built the whole
By my own plan!

HOME RULE

(Canadian Press.)

WATERFORD, Ireland, Jan. 26. — Every sane man knows that, Bar Accidents Home Rule Bill be the Law of the Land this year," said John E. Redmond, leader of the Irish Nationalists, speaking here this afternoon. "If any change is made in the Home Rule Bill," he said, "it will only be by the good will of the opponents but I say frankly that I see no prospects of their good will being purchased. That good will is worth purchasing at a big price but any change in the Bill should be consistent with the unity of Ireland. There are no lengths short of abandonment of the principles you and I hold to which I would not go to win the confidence of the men of Ulster."

Referring to Wm. O'Brien's resignation from his seat in Cork he asked his supporters to refrain from contesting the seat declaring that the fight between the two Prefessing Nationalists at the present moment would be a scandal and an injury to the cause. O'Brien resigned his seat in Parliament a week ago in answer to a challenge issued by Augustine Rooke M.P. for North Louth to test the strength of his following. He declared his readiness to meet any member of the Irish Party from John Redmond down as opposing Candidate to decide whether Home Rule as it now stands is acceptable.

WOMAN'S MOST SUCCESSFUL MEDICINE

Known All Over The World —Known Only For The Good It Has Done.

We know of no other medicine which has been so successful in relieving the suffering of women, or received so many genuine testimonials, as has Lydia E. Pinkham's Vegetable Compound.

In nearly every community you will find women who have been restored to health by this famous medicine. Almost every woman you meet knows of the great good it has been doing among suffering women for the past 30 years.

Fox Creek, N. B.—"I have always had pains in the abdomen and a weakness there and often after meals a soreness in my stomach. Lydia E. Pinkham's VegetableCompound has done me much good. I am stronger, digestion is better and I can work with ambition. I have encouraged many mothers of families to take it as it is the best remedy in the world. You can publish this in the papers."—Mrs. WILLIAM S. BOURQUE, Fox Creek, N. B.

In the Pinkham Laboratory at Lynn, Mass., are files containing hundreds of thousands of letters from women seeking health, in which many openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound, many of whom state that it has saved them from surgical operations.

The dates of this Institute will be in August and it is expected that teachers from all parts of this province as well as of Nova Scotia and New Brunswick will be present, making it the most notable gathering of educationalists ever held in the Maritime Provinces.

RICE POINT.—Rice Point has been without mail for several days, on account of the severe stormy weather. Mrs. G. C. Lowther has returned home after her long visit in Alberton. Mr. Neil McEachern spent Sunday in New Dominion the guest of Mr. John Campbell. Miss Florrie I. McDonald of Rice Point has returned home, after spending a few weeks in Rocky Point, the guest of her sister Mrs. S. T. Currie. Mr. A. M. Campbell who is fulfilling the duties of teacher in Rice Point for the present term, is noted for his efficiency and is deservedly popular with all.

PROHIBITION.— Friday morning Inspector Lawson, accompanied by Rev. R. H. Stavert, field secretary of the Temperance Alliance and formerly of P. E. Island, and Constable D. G. Stewart, seized two large barrels of gin in the Dalhousie, N. B., station. About noon these three men called upon E. R. Gaudet, Queen Hotel, and seized a quantity of gin, port wine, Labatt's ale and malt Bavarian beer. Out of the five applications for liquor licenses here, only three were granted. A delegation of temperance people, headed by Rev. R. H. Stavert waited upon the commissioners and objected to the granting of several of the licenses.

A BIG CHARGE.—According to Saturday's issue of the Canadian Courier, Mr. Franklin K. Lane, the P. E. Islander in the Wilson Cabinet, is an important man in the department. The Courier reproduces a photograph of Mr. Lane and his five appointees in the Reclamation Service, over which they use the caption "One Canadian's Big Job." Under the photograph appears the following paragraph: "U. S. Secretary of the Interior, Mr. Franklin K. Lane, was borne in Prince Edward Island. Part of the duties in the Wilson Cabinet now are to look after these five appointees of his who, as member of the U. S. Reclamation Service, spend $12,000,000 a year in improving waste lands and settling communities upon them."

FIRE DAMAGE.— An estimate of the damage by the fire of Sunday morning to the building adjoining Wellners Jewelery Store has not yet been arrived at. However a new wall on the west side and new ceiling will have to be put in and other reportation made. There was no insurance on the building. The stock of W. W. Wellner's Jewelery Store was not damaged. The Guardian was informed by the proprietor of Wellners Jewelery Store that even if the whole building had been burned the stock would not be in the least damaged, as it was all locked up in safes each might in which fire could not penetrate. Special care is taken of watches in for repair, they also being locked in fire proof safes. The fire had its origin on the first floor and the supposition is that someone threw a cigar or cigarette butt on the floor near the coal box. It is thought the fire had been burning since Saturday night.

AN ISLANDER THERE.—In the various reports that have appeared in Old Country papers of the results of the hockey games between European teams and the All-Canadian Oxford team, that is playing en tour, the Canadians have been very successful, the scoring being greatly in their favor. Mr. Hugh Warbutton, Rhodes Scholar from McGill, at Oxford, is one of the big men of the team.

MR. WEBBER.— Mr. H. Price Webber, the popular actor-manager is in St. John for a few days on some private business. Mr. Webber who has a wide circle of friends in Charlottetown, has just closed a forty-one weeks' season, and reports it as the best he has had for the past twenty-five years, and also tells that his next season will open on Easter Monday.

AGAIN.—The New Glasgow news in its hockey notes in a recent issue informs the public and hockey fans to watch Jimmy Williams for he is shaping up just as he did in the old days; and adds that he can handle the stick some. Of Chester Gregory it says; "you can't beat the veteran. He doesn't know when he is beaten. He never will be beaten this season.". This, from a sporting paper such as the New Glasgow News, is indeed a tribute to the worth of the two Charlottetown boys mentioned as hockey players.

HEAVY PORK.—Mr. Allan Robertson, Mt. Hope, brought to this city yesterday six carcasses of pork the total weight of which was 1,154 lbs. for which he received $132.71. Following are the live-weights at three months old: 135 lbs.; at four months, 195 lbs.; at five months, 253 lbs, and dressed for market, 203 lbs.

MR. J. D. TAYLOR'S CARD.— Attention is directed to the card, in this issue, of Councillor J. D. Taylor, who at the solicitation of many of his constituents, seeks re-election to the City Council. Mr. Taylor has served four years at the Board and has a clean record both as a Councillor and as a citizen. His connection with the business life of the city qualifies him to speak with authority on the needs of the city, while his record both in business and civic matters entitles him to general support.

TEARS UP BIBLE

(Canadian Press)

GRAND RAPIDS, Jan. 26—Rev. Wm. Nelson startled the congregation of the Church of Christ yesterday by tearing his Bible into bits in the pulpits and scattering the fragments on the heads of the parishoners. He then volunteered the explanation that he would preach on tearing the Bible to pieces.

Got Rid of Bronchitis

The worst feature of bronchitis is the tendency to return year after year until the system is worn out and gives way to consumption, or other ravaging disease.

Dr. Chase's Syrup of Linseed and Turpentine owes much of its great popularity to the fact that it positively cures bronchitis, and this is about as severe a test as can be made of a medicine of this kind.

Mr. W. H. Walker, Calmar, Alta., writes: "I am pleased to say that Dr. Chase's Syrup of Linseed and Turpentine has done much good to myself, wife and children. My eldest girl seven years, had bronchitis, and the doctor who attended her did not seem to do much good. We got Dr. Chase's Syrup of Linseed and Turpentine for her, and she soon got well. We always keep this medicine in the house now ready for uee, and find that it soon cures coughs and colds."

In fighting diseases of the throat and lungs half the battle is in having Dr. Chase's Syrup of Linseed and Turpentine at hand to be used promptly. This is why many people prefer to buy the large family size bottle.
