**HIS LIFE WAS SAVED**

After Thirty Years of Pain and Intense Suffering.

Kidney Disease and Palpitation of the Heart had Stricken Mr. James Fraser of Picton—Dodd's Kidney Pills Saved Him.

Picton N. S. April 21.—A hale, hearty, genial, and deservedly popular old gentleman is Mr. James Fraser of this town. No one would believe from his appearance that he is sixty-six years old, yet such is his age.

And some little time ago, Mr. Fraser was a very sick man—so very sick, indeed, that his friends all believed he must die. And such also, was his own opinion.

But, thanks to Dodd's Kidney Pills he was brought back from the Valley of the Shadow of Death, to life and health and strength.

Here is the story of his case, as Mr. Fraser himself tells it:

"For thirty years of my life I suffered unutterable torture from Kidney Disease and palpitation of the Heart. At times I would be so weak and ill, that I could not stand. Finally in the summer of 1897 I got so ill that I was obliged to give up my work. For four long months I lay in the utmost torture, unable to help myself even.

"One day a friend came to see me. He was amazed at my condition.

"Have you tried Dodd's Kidney Pills?" he asked.

"I said I had not. 'They will set you on your feet again, if such a thing can be done,' he said.

"Well! I got a box and began to take them. And then I began to get better. Now I am strong and well. I am better, stronger, healthier than I have been for the past 20 years. That is what Dodd's Kidney Pills did for me, and what they will do for any sufferer similar case."

The Queen has decided to celebrate her 80th birthday at Windsor Castle on the 24th of May next. A large number of guests will be invited, and the Waterloo Chamber is being prepared under the supervision of Mr Leonard Collmann, inspector of the Queen's place, for a performance of a portion of "Lohengrin" by the Covent Garden Royal Opera company.

Cured of Female Weakness by Dodd's Kidney Pills.

Montreal, April 17.—The ladies of this city are rapidly coming to realize the value of Dodd's Kidney Pills, as a specific for all Female Troubles.

Mdme. Sarah Wallace, modiste, 338 Papineau ave., has had an experience that goes to show that no other medicine can equal Dodd's Kidney Pills for Female Troubles.

Mdme. Wallace writes:—"I suffered for three years with Female Weakness, and none of our physicians could relieve me. I was advised to try Dodd's Kidney Pills, and I had only used one box when I felt better. Now I am cured, and have taken only two boxes." Dodd's Kidney Pills always cure Female Troubles.

"My dear," said Mrs. Henpeck, "I'm positive that our George is thinking seriously of matrimony." "Well, I only hope so," returned Henpeck with unusual spirit. "I wouldn't want any boy of mine to be so unfortunate as to regard it as a joke."

DEAR SRS.—For some years I have had only partial use of my arm, caused by a sudden strain. I have used every remedy without effect, until I got a sample bottle of MINARD'S LINIMENT. The benefit I received from it caused me to continue its use, and now I am happy to say my arm is completely restored.
