

A Grand Result in Nova Scotia.

On February 15th, 1899, the late Thomas S. Whitman, Esq., of Annapolis, Nova Scotia, at age 30, insured his life in THE MUTUAL LIFE INSURANCE CO. of New York, for \$5,000, under policy No. 21,569.

Face of Policy..... \$5,000
Additions to Policy..... 5,525

Value as a Death Claim..... \$10,525 00
45 Premiums paid less Cash drawn..... 5,115 40

This man by investing the comparatively small sum of \$10,525 to every 12 months for 45 years has not only had his life insured for that time, but has created an estate worth \$10,525.00. Many men struggle for a life time, and waste yearly far more than the amount of this Premium and die not worth a dollar.

MORAL—Insure your life and have patience and perseverance to continue the policy.

This trouble used to come back from time
to time, but the cure is now permanent.
