You'll never forget...

that happy, yet heart-breaking scene where Johnny meets Kay in a chance wartime pick-up. It's intimate, real.

You'll never forget...

the scene in which Capt. Kinross (Noel Coward) bids farewell to his men. There won't be a dry eye left in the theatre.

You'll never forget...

the scene of the return from Dunkirk. The courage of those stunned, bewildered men is an inspiration.

You'll never forget...

the scene of a handful of men clinging to a life raft, while Nazi dive-bombers strafe them with machine-gun death.

You'll never forget...

that scene on the meadow. A man and his love steal a few moments of happiness... a dogfight sears the skies.

You'll never forget...

the scene in which a woman toasts her most dangerous rival — her man's ship. Emotions as deep as the heart itself.

You'll never forget...

PARKDALE W. I.

The regular monthly meeting of Parkdale Women's Institute was held on May 3rd in the school hall. Mrs. Edwin Cook 1st vice-president, presided. The treasurer Mrs. A. Small has also asked the Institute to accept her resignation. It was moved and seconded that letters of thanks be sent to both of these ladies for the splendid services rendered while in office. Mrs. Chas. Swan was elected as president and Mrs. Frank Burke as treasurer. Mrs. V. M. COLEMAN AND VICINITY

The fishermen are reporting excellent catches of herring. Some nets have been sunk by the weight of the fish. This is very encouraging as men who are engaged in both agriculture and fishing will get most of their bait within a week.

On Monday evening the Baptist Young People's Union presented in Milo Hall their three-act comedy play titled "Sulphur and Molasses". The spacious hall was filled to capacity. The Rev. A. A. MacLeod acted as chairman for the evening. He complimented the audience at the close of the play for their excellent order and attendance. Special features between acts were some hilarious songs sung by Mr. Ralph Ellis. The National anthem brought the pleasant evening to a close.

On Tuesday evening Mrs. Lowell Clements entertained the members of the Hebron Women's Institute at a quilting party. The very pretty quilt, which was completed that evening is to be donated to the Red Cross. Ice cream and cake was served by the hostess.

Congratulations are being extended by friends in Charlottetown, Summerside, Coleman and elsewhere to Miss Annie Mae MacKenzie, who has recently signed on with the C.W.A.C. A farewell party was given in her honor at Springfield West on Monday. Miss MacKenzie left Tuesday morning for duty.

Chickens! Chickens! are the order of the day. Good luck is being experienced by some, but others seem to be having a difficult time in getting their chicks past the first two weeks, due to disease. The local hatchery is getting [illegible] now and so far there is no disease in the hatchery.—C.

E. C. JOHNSTONE says

"Workers, you are working for Victory. You are saving for future peacetime security. But have a thought, also, for the financial protection of your dependents. Within the restrictions of wartime buying they have all they need now, but if you should die, what about their peacetime future? Make their future clear NOW — through Insurance with the DOMINION LIFE BUDGET PLAN. A little each week from your pay envelope does it."

Grim evidence that the Nazis are just as barbaric as their Jap partners-in-war are these pictures of murdered Russians, Soviet peasants at top have just found the bodies of their dead countrymen in the Caucasus. Germans executed some 200 prisoners and civilians in Pyatigorsk when Russian forces approached to recapture that town. Mutilated bodies of 46 Red Army men lie in the snow at Zimovniki, left. Nazis took these troops prisoner, then tortured them to death.
