

IN ANY LINE OF BUSINESS

a trained man is much more valuable from a producing standpoint than one who has to be put through a drilling process.

It follows, too, that in the appointment of an executor the best results can be obtained by a company which is empowered by law and has the necessary experience to act in that capacity.

The Dominion Trust Company has a staff of experts each one of whom is trained in some particular branch of estate management.

In appointing this company as your executor you secure their services, paying therefor no more than the charges of the individual executor. You also secure the assistance—if needed—of any of the company's twelve branch offices.

IN MEMORIAM

MRS. H. BLANCHARD On March 13th the Angel of Death visited the home of Mr. Herbert Blanchard, 13 Bishop Street, Charlottetown, and took away to her eternal reward his dearly beloved wife (nee) Mary E. Campbell, daughter of Hugh Campbell of North Wiltshire. The remains were forwarded by train to North Wiltshire, where the funeral took place to Lot 65 parish, Father Curran, officiating. She leaves to mourn their loss besides her husband, two small children, four sisters and five brothers. The sisters are: Mrs. Conway, Bellings, Mon.; Mrs. Chapman, Haverhill, Mass.; Mrs. Floyd, Kelly's Cross, and Susie at home. The brothers are: James, John and Leo, in Montana, Henry in Haverhill, Mass. and Louis at home.

MRS. JAMES KENMPICK.

The death occurred at Morell on Friday, April 24th, of Emma beloved wife of Mr. James Kenmpick aged 27 years. Deceased who was apparently in good health up to the time of death took ill very suddenly. She was up and about her work as usual on morning of her death. Her husband as about to drive away with his companion, an agent, when the latter noticed that Mrs. Kenmpick had fallen down and remarked to Mr. Kenmpick that she must be sick. On going over to where Mrs. Kenmpick was lying they found that she had fainted. They tenderly carried her into her room and tried in all ways to bring her to life but their efforts failed and she lived only 15 or 20 minutes. Deceased lady leaves to mourn besides her husband, three small children also some brothers and sisters living at different places on the island, who will have the sympathy of all in their sudden bereavement.

MRS. RICHARD DELANEY.

The death took place at her home in Tignish on Friday, April 3rd of Mrs. Richard Delaney at the age of forty. She had contracted rheumatic fever a short time previous to her death, but as she was enjoying very good health the highest hopes were entertained for her ultimate recovery. However Divine Providence decreed otherwise and just two months after her husband, she, too was called to her eternal reward. A good mother, an excellent neighbor, and an exemplary Christian, her death will be felt not only by her family and immediate relatives but by the whole community. She leaves to mourn their great loss besides a sorrowing mother, two infant daughters, Melvina and Alfreda, and two sons, John and Austen, both at home. She is survived also by a sister, Mrs. William Cooper of Murray Harbor, and two brothers, Walter and Seymour Sentener of Rosevale. The obsequies were held in the R. C. Church, Tignish, on Sunday, April 5th, after which interment was made in the Parish Cemetery, Rev. D. M. McDonald officiating. The large concourse of people that accompanied the remains to its last resting place is a fitting tribute to her many fine qualities. The pall bearers were: Messrs John A. Hackett, Chas. Dalton, Wilfred Gavin, Chas. McInnis, John Bernard and Edward L. Hooper.—T.

SLIGHTLY MIXED.

A Missouri editor, who was brimful of hard cider, got a wedding announcement and an auction sale mixed, and served to his readers the following report:—

Wm. Smith, the only son of Mr. and Mrs. Josiah Smith, was disposed of at auction to Miss Lucy Anderson on my farm, one mile East of here, in the presence of 70 guests, including the following: Two good maids, 12 good cows. The Rev. Cae'son tied the nuptial knot, the least weighing 1250 lbs on the hoof. The beautiful home of the bride was tastefully decorated with a seawash calf, a spade, a sulky rake, one feed grinder, one set double harness, and just before the ceremony was pronounced, Mendelsohn's wedding march was extremely well played by one milch cow, five years old; one Jersey cow, to be freshened next April, heifer calf, carrying a bunch of dowers in her hand, looked charming in a dress of light spring wagon, two boxes of apples, two ricks of hay, one grindstone, mouseins derio, trimmed with about 150 bushels of potatoes. The groom is well known among society circles of the best Berkshire hogs, while the bride is an accomplished and talented school teacher of a drove of the best Poland China pedigree, which will be produced if desired. Among the beautiful and costly presents were two sets of knives and forks, a spring harrow, go-cart and numerous other articles. The bridal party left yesterday on an extended trip, terms 12 months' time to responsible parties otherwise, spot cash. Luncheon will be served at the table. After this Mr. and Mrs. Smith will go to housekeeping at the corner of Main and R. L. Granby, auctioneer.

Directors

- President—F. G. Lang, Tryon, P. E. Island, Sec'y and Manager of the Tryon Dairy Association. Vice President—Ephraim Bell, Cape Traverse, P. E. I. Farmer. E. W. Webster, Portland, Oregon, Capitalist. Gordon Dawson, Cape Traverse, Farmer. W. J. Lyman, Merchant, Lowell, Mass. George Woods, Tryon, P. E. I. Farmer. Sec'y Treasurer—Wilfred Boulter, Tryon, P. E. I. Inspector of Public Schools.

Assets

Five pairs of 1914 Silver Black Foxes, selected from the highest grade of class A Stock. Particular care was taken by the promoters in securing foxes having prolific parents, some of which were among the season's earliest litters. This Company guarantees that in the event of more foxes being added they will be from Island foxes of class A. The number already secured are of the Rayner, Tuclip and Oulton strain.

Ranching

The Directors have entered into a contract with the Maritime Silver Black Fox Co., of Central Bedeque to ranch their foxes for a term of five years at the low cost of seven and one half per cent of the yearly increase. This includes medical attendance and all incidental expenses. The care taken of the Maritime Co. Mr. John A. Dawson has this year shown that he is a most capable rancher and cannot be excelled in caring for foxes. Investors will feel satisfied that it is under his care and management, the foxes of the United Silver Black Fox Co., are to be ranched. If no increase it costs the Company nothing for keep.

Probable Profits

Considering the low capitalization and the moderate charge for ranching the directors look forward to a dividend in 1915 of at least from 60 to 80 per cent. Prospectus mailed on request. Applications for stock received by Sec'y. or by any of the Directors. 2721-4-30mthurs&E Sat
