

"Ladies' Shirts Waists"

We received by express yesterday one of the daintiest lots of Ladies' New Shirt waists that has been shown in the city this season.

The designs were made by a Lady tailor in New York. They are made in "Net" and "Lace" also a large line of Lawn waists."

We ask the Ladies' to call in to-day and pass judgment as we know they appeal strongly to Ladies' who are critical as to the latest ideas in "Shirt Waists."

"COMPARISON"

This is the title of one of the finest pictures ever featured on the screen. It teaches a religious lesson stronger than any sermon ever preached; holds its watchers entranced until the grand ending when the faithful priest, the afflicted mother and the repentant sinner are face to face, and the apparition of the Saviour comes and blesses the assembled few. All clergymen and others interested in the question of "moral or immoral" pictures are requested to see this, as it is only one of the many of the same kind which have been shown in New Wonderland.

The other pictures are more than good as well. "Tragic Love is the story of the Fallibility of Circumstantial Evidence. Accidents will happen adds a touch of humor to the entertainment, while "Braving Death for the Sake of a Child" is simply as grand as its name indicates. The five choir boys will render their specialty again this evening thus making a program which is beyond doubt one of the very best ever put on at New Wonderland, the "People's Theatre". See it! Five cents admission to all parts of the hall.

CADETS HAVE LIVELY TIME.

KINGSTON, June 3—Barrieffield Heights resounded yesterday with the noise of mimic warfare when the 14th Rifle Regiment and the Military College Cadets had lively military manoeuvres.

The Cadets were the attacking force and the Rifles were the Catinari defenders. A number of men on both sides were severely burned on the face and hands by powder used at close quarters.

A squad of Cadets were declared out of action. They fired an anti-aircraft gun containing Captain Kaulback, one of the umpires.

Other lively incidents occurred throughout the contest, and a hand to hand conflict was narrowly averted

DESIRABLE IMMIGRANTS ARE ARRIVING.

WINNIPEG, Man., June 3—The report of the Immigration Department for the fiscal year was issued yesterday. The year closed on March 31st. Immigration through the Ocean ports from European countries, decreased 117,081. The decline is attributed to the restrictive legislation aimed at undesirable immigrants. It has not seriously affected the influx from the British Isles.

The immigration from the United States not only shows an increase but breaks all records. In twelve months 159,832 settlers from the United States came into Canada bringing money and effects valued at \$60,900,000.
