# CITY AND COUNTRY

Guardian Correspondents Everywhere.

Rev. G. Nelson Stevenson, M. A. until recently pastor of the Christian Church at Montague, P. E. I., is at present visiting his brother, Rev. B. Everett Stevenson, B. A., pastor of the North Street Christian Church of this city. Mr. Stevenson is a guest of Mr. and Mrs. Clifford H. Smith Clifton Street, and expresses himself as thoroughly pleased with what he has seen of Halifax. On Wednesday he proceeds to St. John, N. B., where he has accepted the pastorate of the Coburg Street Christian Church. —Halifax Record

WILLIAM Fletcher, the Chicago passenger agent of the Intercolonial in an interview with the St. John Telegraph says: "The hotel accommodation. There's a very nice little place at Gaspe and another at Summerside, P. E. Island, at lower rates even than one might have expected for the service. Sydney is all right. But Halifax and Charlottetown ought to do better to satisfy tourists and all the little places that might extend their business indefinitely by tempting tourists to stop with them are neglecting their opportunities by not doing well what they undertake. They don't pay enough attention to the cleanliness and attractive appearance of their interiors and the daintiness of the table service, spotless linen and all that sort of thing."

## Stomach That Won't Work,

That Retain the Food and Refuse to Digest it, Make the Head Heavy and the Nerves Weak, Need Stuart's Dyspepsia Tablets.

There is a cure for dyspepsia. Sufferers who have tried noxious nostrums will probably be skeptical but skepticism vanishes when Stuart's Dyspepsia Tablets are tried. Whether the trouble is dys-

pepsia of long standing, or merely a simple case of indigestion, relief is prompt and pronounced. The less the trouble the fewer tablets need be taken.

Heaviness after eating, sour stomach, as indicated by belching, fatigue with slight exertion or with no exertion at all, disturbed sleep, nervousness, constipation, depression, "blues," these things can commonly be set down as symptoms of dyspepsia. And dyspepsia is merely indigestion in an aggravated form.

By promoting perfect digestion, Stuart's Dyspepsia Tablets produce strong nerves, restful, refreshing sleep, pure blood and good sound healthful flesh. They make the skin clear, the eyes bright, the mind cheerful.

Stuart's Dyspepsia Tablets are a medicine and more than a medicine. They digest the food and make it easy of assimilation, and they relieve the inflamed diseased condition of the membranous linings and the glands of the stomach and bowels. They help the digestive organs over the hard places, and put them into a healthy, active condition. They effect a quick and permanent cure. You don't have to continue taking them forever, still it is well to have a box handy and take one at the first return of the trouble.

Perfectly well people are made sick by eating too much, or unwholesome food, but not if they take a tablet after eating. Treatment with Stuart's Dyspepsia Tablets does not necessitate dieting or any change of habits. They digest the proper food and set upon the other kind in such a way as to make it pass off quickly and harmlessly. You may eat and drink what you like, when you like if you take a tablet afterwards.

Stuart's Dyspepsia Tablets are sold by all druggists at 50 cents for full size package. Send to F. A. Stuart Co., Marshall, Mich., for little book on stomach diseases, mailed free.
