AMHERST TO HAVE BOXING TOURNAMENT

(C. P. by Guardian's Special Wire) AMHERST, N. S., May 24—A Maritime boxing tournament to decide a team to represent the sea-side provinces in the British Empire Games trials at Montreal will be staged here late in June, D. W. Frazer, chairman of the Maritime Boxing Committee, announced tonight. The tournament will be open to all amateur boxers in the Maritimes. Mr. Frazer pointed out that it would be necessary for the winners of the recent Maritime championships in Saint John to compete if they wished a chance to represent this part of Canada at Montreal. The committee's decision to hold the tournament at Amherst was unanimous. Tentative dates have been set as June 23 and 24.

Says Killer Was Insane

(A. P. by Guardian's Special Wire) DEDHAM, Mass., May 24—Murton Miller was an insane killer acting under the drive of a mental disease, a jury heard today in the Needham Trust Co. robbery trial, and killed two policemen, Dr. Frederic J. Farnell testified today at the Miller-Faber trial. Dr. Farnell, chairman of the Rhode Island Public Welfare Commission and a defence psychiatrist, appointed by the court, said that although he considered Murton insane he believed he knew the abstract difference between right and wrong, but had formulated his own standards of belief and other standards were not applicable to him. The witness also disclosed that only a year ago Murton made a suicide pact with a friend. The friend committed suicide but Murton failed to keep the pact. Murton, charged with his brother, Irving, and Abe Faber, with the Needham crime, told the doctor this during the alienist's examination, the witness said.

Fatal Ending To Air Flight

(C. P. by Guardian's Special Wire) EDMONTON, May 25—Fred Hopkins, mechanic, was injured fatally when the machine he was flying crashed and burst into flames yesterday when a giant Fokker monoplane crashed and burned at the city airport. Hundreds of holiday-seekers saw the crash which came at the end of the annual Edmonton Flying Club show. The machine was taking off from the airport, officials said, and had reached a height of 30 feet when it suddenly "settled" down again, struck on the left wing tip, and crashed into a heap of wreckage. It burst into flames immediately, and the three men in the machine were

Postmaster General Speaks in London

LONDON, May 25.—(Special Cable)—Rt. Hon. Sir Kingsley Wood, postmaster general, speaking at the Empire Day luncheon of the Canadian Chamber of Commerce in Great Britain held in London, recalled that his Department had taken over some Empire Marketing Board activities, including film distribution. "We find that the most instructive, comprehensive and useful films distributed by us," he said, "are those furnished by the Canadian Government and the Canadian National Railways."

Stock Quotations

YESTERDAY'S LOCAL MARKET QUOTATIONS Corrected For Every Wednesday and Saturday Issue

Table with columns for Stocks (Canadian Press), Close, and various stock names like Allied Chem, Am Smelt, Am Tel and Tel, etc.

Montreal Stock Market EXCHANGE

Table with columns for Stocks (Canadian Press), Close, and various Montreal stock names like Bathurst A, Bell Tel, Brossier, etc.

Markets At A Glance

Toronto (Canadian Press)—Stocks closed irregularly higher. Toronto Mines—Narrowly lower. Winnipeg—Wheat closed higher, but New York—Cotton, rubber, and coffee higher; sugar unchanged.

N. Y. CURB

Table with columns for Stocks (Canadian Press), Close, and various New York Curb stock names like Amer Cyan B, Amer Sup Pow, etc.

GRAIN

(Canadian Press) WINNIPEG, May 25—Parched wheat lands of western Canada, United States and important areas of Europe brought an influx of purchasing orders on the Winnipeg Grain Exchange today, shooting futures prices up for net gains of 2 1/2 to three cents. Quotations started upward at the opening bell and were looked back. They finished at top levels with the May option at 73 1/2, July at 74 1/2 and October at 75 1/2 cents.

PRODUCE

(Canadian Press) MONTREAL, May 25—Butter and eggs were higher on the Montreal produce and dairy market today, potatoes being slightly easier. Fresh No. 1 butter in cartons or less gained 1/2 to 3/4 cents a pound on 20 to 20 1/2 cents per pound. Creamery solids were 21 cents and prints 22 cents. The first weekly auction of butter will be held Tuesday, it was announced.

MINING

Table with columns for Stocks (Canadian Press), Close, and various mining stock names like Acme Oil, Alcan, Alb Pac, etc.

Proposals Of Tourist Body Are Approved

OTTAWA, May 24.—Not for many years has there been such wholehearted approval of proposals affecting Canadian business generally as that being accorded the findings and recommendations of the Tourist Committee of the Senate, the report of which received the unanimous endorsement of that branch of parliament today. Mr. J. H. Meighen, Senate Government-leader, and Hon. Raoul Dandurand, leader of the Opposition, joined in warm commendation of the report in toto, congratulating the committee on an expeditious and thorough investigation and a constructive and useful report, while both Ottawa dailies hail the report editorially and urge government action to give it effect.

Provides Pattern

"In fact," that newspaper adds, "this whole inquiry has been a pattern for parliamentary inquiries. The committee knew what it wanted, went straight to the point in its researches, took advice from persons with expert knowledge and informed views on the subject, and made its recommendation promptly before the subject had dropped out of public concern." "The tourist in the aggregate," the Journal declared, "has become a national asset, a factor in international trade, and deserves every consideration at the hands of parliament."

Decrease In Unemployment

LONDON, May 24.—May unemployment figures are expected to show a drop of another 50,000 and Ministry of Labor officials hope that if present progress is maintained, July's total will sink below the 2,000,000 mark for the first time since the 1931 crisis. Other indications are that British industry is still driving ahead. Industrial activity, as shown by the Board of Trade's index, was 3.8 percent greater in the first quarter of 1934 than in the fourth quarter of 1933 and 15 percent greater than the first quarter of 1933. The general index for the past quarter is the highest recorded since the March quarter of 1930 while the index for manufacturing industries is the highest since the last three months of 1929. During the first four months of this year the Soviet Union according to the monthly review, placed orders in Great Britain for nearly 3,500,000 pounds. This is more than double the figure for the corresponding period of 1933.

THE BACK STRETCH

he has stepped in 2.13 1-2 with a quarter in thirty seconds and within a minute after the watches had clicked a gentleman was hurrying to Mrs. Valentine with an offer of \$4,000 for her colt, which she refused. Mrs. Valentine will have a lot of pleasure all summer visualizing Senator Horne winning the junior division of the Kentucky Futurity and other stakes.

Tommy Berry, trainer for the Hanover Shore Farm stables, has had the great good fortune to place three full sisters, daughters of Peter Volo 2:02 and Miss Bertha Dillon 2:02 1-2 in the two minute list. He is training another Bertha C. Hanover (2:04) that he hopes will go likewise.

A wild, unweaned colt, shunning every member of the Dinn family, Columbo, New York, except the two-year-old baby boy, staged a dramatic and unusual life saving performance on the Dinn farm by fishing the child out of the water into which he fell and holding the boys head out of water until help came and relieved him of his charge.

The colt displayed an unwanted affection for the baby son of the family, but permitted none of the others to come near him. He would walk up to the baby and muzzle him while the baby clapped his hands with glee. One day last week the older brother was told to watch the baby, but the thrashing machine proved greater attraction so he left his small charge and remembering later found the baby was gone. Search was made and the colt was found patiently holding the child out of the water by the neckband of the tiny dress.

Mr. Dinn believes that when the child struck the water it screamed loudly attracting the colt and that the young animal fumbled around in the water until a firm hold was obtained upon the child's clothing. As the baby was too heavy to be lifted clear the colt held its small bundle of humanity and waited until help arrived.

The Canadian Sportsman says: Toll Gate one of the best pacers ever bred in Canada and owned by J. M. Roddy of Kingston, has been sold to H. M. Sweeney of Bridgewater, N. S. Three years ago Toll Gate was purchased from his former owners, Fred Metcalfe and Rupert Aylesworth, both of Kingston. He was bred by John Harper of Forest, Ont., and it is said was sold by him to Messrs. Metcalfe and Aylesworth for \$100.00. Toll Gate is a bay gelding, bred in 1929, with a mark of 2:00 1-4 obtained at the last racing of the Kalamazoo, Mich., on July 14th, 1931. He is sired by Peter G. dam Myrtle by Togo; granddam by Gladstone. He is now in his new stable and we wish Mr. Sweeney luck in his new purchase for racing.

Steen Purvis is training Charlie Ballard's string at North Sydney. They consist of Hunter Hedgewood 2:03 1-2, who will head the parade as a free-for-all, Quaker Girl, 2:13 1-2, daughter of Peter Hill who looks mighty good for the slow classes, the last racing of the Willis is charged with winnings of \$1,297.00 making him eligible to the 119 class. Tom has straightened out a lot of them and not a surprised if with his new training a new tab is hung on The Willis this fall.

Owner Charles Chandler was very much pleased with Sanobel after watching her go some slow miles with brushes at the end last Thursday. She has taken very nicely to the trot and trainer and owner believe 2:15 will not stop her.

Other horses seen at the race track Thursday were Peter Daves 2:12, Dr. McIntyre up, Lusty Frisco 2:07 1-4, Fred Ross up, Dillington 2:07 1-4, Fred Ross up, Kity McKane 2:17 1-4, Fred Ross up. By the way Kity McKane has a colt that owner Fred says will receive the euphonious cognomen of "Hurricane Kane."

Others at the track the 24th were Balbo, coming three, owner William Kelly driving, Rosebud, three, George Reddin, Lou Patch, 2:09 1-2, Well McNeill, Billy Cope 2:10 3-4, Jimmie Power, Volo Rico, 2:04, Rankin McLaune, Nancy Sue, Clarence Shuman.

John McDonald, Southport, was stepping a green four-year-old trotter by Colonel Aubrey out of a Colonel Aubrey dam, that is said to be real speedy having worked sensational halves on the ice last winter.

We understand that Hush 2:10 has found a new owner in Ray Clark who has given in exchange a green trotter, green pacer and cash. Hush will be trained by Clarence Shuman who is very sweet on the son of Longest 2:06 1-2 and predicts a lot of winning brackets for him this year.

Mr. James "Jim Ben" McMillan, owner of Somerville race track

and one of the keenest and most loyal horsemen in that section of the country, paid a short visit to Charlottetown on Tuesday. He still has Sharpsburg 2:17 1-2 but will not race him. He being considered the family pet is sure of a happy home for the rest of his days.

Work on the centre field of the race track will be stepped up next week, more teams and men being employed with the object of completing the work in ten days or less so as to give the horsemen preparing for the Summerside races unhampered opportunity to use the track. At the present rate with thirty teams upwards of 1,000 loads of clay a day are being removed and an estimate of 20,000 more loads should clear the centre field sufficiently to give a good view. The clay now being taken out will be used to fill in the stop butts at the Rifle Range.

Cheer 2:03 the fast trotting stallion exported last year by W. J. Rosemire of Kentucky, won his first start in Italy recently, defeating the high class American trotters Brevere (3) 2:03 and Jessamine (3) 2:06 1-4.

Keith and Mrs. Boswell are the proud owners of a beautiful colt, which arrived Thursday, May 24. Its dam is Miss Possibility, 2:13 and it is sired by Kalmuck, 2:15. The little chap is as lively as a cricket. Its color is bright bay with white markings. His will be a happy life as he has arrived at a farm where the owner and his wife are horse lovers, who will watch with loving interest every development of the youngster's life. Perhaps some day we will be on the grandstand at the Exhibition race track, cheering him to a victory in the Maritime bred trot or Maritime bred pace. He has the blood lines to make this easily possible.

Kenzie McNeill, whose rushes were a feature of the Saint John Beavers play last winter has not been retained by that team for 1934-35. His place will be taken by Bill Walker formerly of the Abbeles. Kenzie will likely take up residence next winter in Sydney where they are attempting to boom senior hockey.

Dominic Bellini, familiarly known as "Duke", who rode Time Clock to a win in the Kentucky Derby, received fatal injuries at Jamaica, Long Island, last week. He was leading the pack with Psychic Bid when in attempting to clear the two-year-old from bearing out he grabbed the left rein with both hands pulling her head sharply to one side and throwing him off. Several horses fell over him and a kick in the back proved fatal.

The Inter-Maritime Rifle Match between teams of eight men representing Nova Scotia, New Brunswick and Prince Edward Island is slated to take place the second Thursday in June. It will likely be postponed on account of the fact that the Charlottetown range will not be available for practise until about the 10th of June.

The Kensington Rifle Range, Charlottetown, is being rebuilt or rather partially rebuilt, as instead of ten targets only six will be available. The woodwork in the stop targets had decayed so badly that every bit of it was removed. New woodwork filled with clay from the Driving Park track will make the range safe for many years. It will likely be necessary to add one day to the Provincial matches in order to complete them due to six targets instead of ten being in use.

Probably because of their nearness to American Universities and remoteness from Canadian, the University of British Columbia this year adopt the American football game with the aim of ultimately dropping the Canadian game. They will find it pretty difficult for a few years because the American game consists so largely of signal or planned plays.

Jack Johnson once heavyweight champion of the world due to his victory over Tommy Burns, and the only negro to hold that title, predicts that Maxie Baer will pull a "Jack Johnson" on Primo Carnera and knock the title right off his "big, tall head."

Referring to the stories of Baer's haemorrhage and his capers in night clubs Jack rolled his eyes, laughed and said, "Boy, you don't know nothing!" They used to say those things about me all the time. The more they said the better I liked it. Jack Johnson was always in good condition and believe me Baer will be in mighty fine shape when he crawls through them ropes.

Monday night Jimmie McLarnin the greatest Canadian boxer of all time will meet Barney Ross at New York for the welterweight championship of the world. Both men are said to be in marvelous condition and there will be heavy betting on the result.

Al Brown of Panama, world's bantamweight champion, displeased the crowd at the Palais des Sports, Paris, when he lost on disqualification to the French light weight Gaston Humery. They stormed the ring, broke down the posts, tore the canvas, smashed the seats then slugged Brown with their fists. He suffered cuts, bruises and a slight brain concussion. A riot call brought forty policemen who rushed the ring and rescued the negro boxer. Paris is no place to fool with the crowd!

After covering 917,400 miles on the railways of New South Wales and still in good condition, a locomotive crank axle made here in 1881 has been returned as a souvenir.

Mr. James "Jim Ben" McMillan, owner of Somerville race track

WALTER KIEHN

of Toronto, well-known account executive with the J. J. Gibbons Limited, Advertising Agency, who was elected President of the Advertising Affiliation at the international convention held in Toronto last week.

CENTRAL GUARDIAN

This column is reserved for news of their interest but advertising of newsworthy nature may be inserted at a cents a word strictly payable in advance.

FIRE ALARM—The firemen were called out shortly before noon for a roof fire on the four tenement houses on Water Street, opposite the Freight Shed. A stream of water soon extinguished the blaze without damage.

ON HONEYMOON—Mr. and Mrs. Lemuel MacDougall, of Charlottetown, passed through Truro on Wednesday on a wedding trip to various parts of the province. The happy couple were united in marriage on Tuesday, May 22, by Rev. Dr. E. H. Ramsay at the manse in Charlottetown. While staying in town the couple were guests at the Stanley House, Mrs. MacDougall being a niece of Mrs. Arthur Stevens, Truro, N. S.

CATHOLIC WOMEN'S LEAGUE MEETING—The annual meeting of the Vernon River Sub-division of the Catholic Women's League took place on May 13th. Meeting opened with a prayer. The President gave a report outlining the year's work and in conclusion thanked the members for their co-operation in any work undertaken during the year. Officers who were appointed to different positions in the different districts, the results show how faithfully they worked. The proceeds derived from membership fees, chicken supper, lottery, etc., during the year amounted to \$487.25, of which all was expended but \$69.50. The expense of the banquet was remembered by a donation of \$40.00. During the year the Altar Committees appointed, worked faithfully in beautifying the Altars for Sundays and special occasions, also for attending to the Masses, rosaries and supplies. Altar members, also for the repose of the soul of one deceased member. Our National and Diocesan obligations have been attended to. The following officers were then appointed: President, Mrs. Jas. McCormack (re-elected); First Vice-president, Mrs. P. A. O'Donnell, (re-elected); Second Vice-president, Mrs. Augustine Wisner, (re-elected); Third Vice-president, Mrs. Leonard Murphy; Treasurer, Mrs. Daniel McPherson; Secretary, Helen O'Donnell; Councilors, Mrs. D. J. Vincent, Mrs. J. Thomas McCormack (re-elected). The meeting was followed by Benediction of the Blessed Sacrament.

SPORT BRIEFS (Continued from Page 7) every effort to bring him back to Montreal.

Kenzie McNeill, whose rushes were a feature of the Saint John Beavers play last winter has not been retained by that team for 1934-35. His place will be taken by Bill Walker formerly of the Abbeles. Kenzie will likely take up residence next winter in Sydney where they are attempting to boom senior hockey.
