Situation Sized Up.

LONDON, January 30.—An eminent British general, reviewing the South African campaign to a representative of the Associated Press, thus summed it up:

"First of all, we underestimated the enemy."

"Secondly, we knew nothing of the power of modern weapons when op-

posed to each other in the hands of tolerably equal forces.

Old Remedies Kick The Beam

In three marked ways do Hutch Tablets, for dyspepsia and stomach trouble, evidence their superiority to old-fashioned drugging methods—their efficiency, agreeableness and convenience. These three combined—each dependent on and each assisting the other—serve to make Hutch a sterling treatment. If you don't know about Hutch, ask your neighbor, ask your clergyman, ask your physician, ask your druggist.

Overheated blood comes from stomach disorders—too much acidity, too much fermentation. Take Hutch and get relief from hives, prickly heat, nettle rash, sour stomach, etc. Hutch is beneficial alike for the baby or the dear old grandfather.

Imitations

of Dodd's Kidney Pills are legion. The box is imitated, the outside coating and shape of the pills are imitated and the name—Dodd's Kidney Pills is imitated. Imitations are dangerous. The original is safe. Dodd's Kidney Pills have a reputation. Imitators have none or they wouldn't imitate. So they trade on the reputation of Dodd's Kidney Pills. Do not be deceived. There is only one DODD'S. Dodd's is the original. Dodd's is the name to be careful about—
