HILLSBORO Skating Rink

The tendency to-day seems to be toward low prices for any form of entertainment, a striking illustration of which we have had with us for some months past, in the various moving picture shows and the crowds attending them.

To meet this demand the Directors of the Hillsborough Rink have concluded that the time has arrived to give the people a winter of cheap skating and the motto for this winter is

"Full Value For Your Money"

The Rink will be open every afternoon (weather permitting) from 2 until 5 30 o'clock and any lady, gentlemen or child who desires three and one half hours of good healthy exercise can have it for the small sum of five cents. Also on certain evenings, to be mentioned later, the Rink will be open from 8 until 10 o'clock and the price for the two hours skate will be ten cents.

The Directors feel sure that the public will appreciate this effort to give them cheap amusement and exercise. The Rink will be splendidly lighted the dressing rooms will be clean and warm, and the order will be perfect as it was last winter.

Final Notice!

We do not wish a lot of unpaid accounts to retard the winding up of our business, and we fully realize the great inconvenience and loss in collecting accounts after a business is closed up. We therefore ask those indebted to us who are friendly enough disposed to pay us amounts due, to please do so before January 10, after which date we shall be obliged to ask the assistance of the courts in collecting from those who are not so disposed.
