RUBBER TIRED TRAINS FOR SMOOTH TRAVEL

(British United Press) PARIS, Aug. 24.—Smooth and noiseless journeys on rubber tired railway trains are possibilities of the near future.

The French State Railway are now making tests with a specially designed railway carriage equipped with small loads, and other experiments with great loads will be carried out before the new type of coach is adopted.

The coach has flanged wheels to which the tires are fitted. These are stronger and thicker than the type used on motor trucks, in order to bear the great weight of the railway carriage, and of a special shape that fits the track.

"A dinner never looks its best on paper," maintained a menu expert. Most people prefer it on a plate.

DANCING IN St. Peters Bay Rink After the Tea Party WED. AUG. 26th ORCHESTRA

Mrs J. D. Offer

There passed away Sunday night at her home on Great George Street at 11 o'clock, after a sudden heart attack, Mrs. J. D. Offer, nee Miss Jessie McLeod, wife of Mr. Jas. D. Offer, representative of the Laval Separator Company in this province.

The deceased lady had not been in good health for some months and about two weeks ago had a serious seizure similar to the one which eventually proved fatal.

She had the unremitting care of her family and a competent nurse during her illness and was apparently recovering until the relapse occurred which ended in her death. Only Sunday she had her meals as usual with her family and was able to be about her home.

The late Mrs. Offer was a woman of generous nature, thoughtful for the happiness of others, unselfish and charitable to the unfortunate and sympathetic to a degree with anyone in need of help or assistance of any kind.

She devoted herself wholeheartedly to her family and they will miss her sadly in the home of which she was the centre. Many friends too will hear of her passing with unfeigned regret. She was born in Charlottetown 51 years ago the daughter of the late Mr. and Mrs. John McLeod, both of whom were descendants of those first pioneers who settled in the historic Belfast district.

Mrs. Offer leaves to mourn a sorrowing husband, two children Mrs. R. H. Cameron (Georgie) and Elmer, both of whom were at home when she passed on.

There are also one brother and one sister to cherish her memory. Her brother, Capt. John McLeod is resident in Shanghai, China and her sister Mrs. K. N. Brown resides in Boston, Mass.

To all these the Guardian extends sincere sympathy.

The pavement will be preserved by the Royal Bank of Canada and possibly decorate the hall of the new building, the London manager of the bank said.
