**IN MEMORIAM IN MEMORIAM**

In loving memory of H. Wesley McKenzie, Bay Fortune, who passed away March 15th, 1947.  
 Two lonely years have passed away,  
 Since our great sorrow fell,  
 The shock that we received that day  
 We still remember well.  
 To think of the day you left us  
 Will always bring regret,  
 But the hearts that always loved you  
 Are the ones that can't forget.  
 We often think of days gone by  
 When we were all together;  
 A shadow o'er our lives is cast  
 Our loved one gone forever.

Lovingly Remembered by Daughter  
 Mildred, Mrs. Claude Delaney,  
 and Grand-daughter Bessie.

His friends regret to learn that Mr. Cyrus Shaw is confined to his home owing to illness. His friends wish him a speedy recovery, and hope to see him about soon.

Miss Ethel Beck, who entered the school for nurses at the Prince Edward Island Hospital in September, is at present spending a two weeks holiday with her parents, Mr. and Mrs. John Beck, Aliston.

**PROGRESSING FAVORABLY** — Mr. Sheldon Jay, member of the staff of the Canadian National Railways, Montague, suffered a severe gash on his arm while playing hockey last week. Seven stitches were necessary to close the gash, and at present Mr. Jay is progressing favorably.

**A. Y. P. UNION** — The Altonia Young People's Union of the Montague United Church held their meeting this week at the home of Mrs. F. Greene on Monday evening. The meeting opened with the devotional period led by Miss Blanche Hume with Scripture reading by Miss Marion Furness. The reading was taken from Jeremiah 18, verses 1-10, and this was followed by meditation. The following hymns were sung: "Jesus Calls Us Over the Tumult," and "Take My Life And Let It Be". Benediction was pronounced by Rev. A. S. Adams. Miss Marion Furness then read a very interesting article called "The Dilemma of Chinese Youth", from the program annual. The business period followed with the president, Miss Minnie Greene in the chair. The minutes of the meeting were read and approved. Mrs. Malcolm Patterson was elected to collect Mission funds for the year. Some further plans for the spring concert, following the adjournment of the meeting, a social half-hour was enjoyed by all. The next meeting will be held at the home of Mrs. J. Fraser.

**SEVERE ACCIDENT** — His many friends will regret to learn that Mr. Ned MacGulgan suffered a severe accident, sustaining two broken ribs and other lacerations when he was pinned to a tree by his horse and sleigh. Mr. MacGulgan had been hauling coal and while manoeuvring the horse and sleigh into position near the cellar hatch, he found himself jammed against the tree, unable to move. After he was released, Mr. MacGulgan was taken home, where it was discovered that two ribs were broken, and another started.

**CONGRATULATIONS** — Congratulations are extended to Elaine Poole, Maxine Lannigan, and Harry Higginbotham on winning prizes at the Interprovincial sports held at the Forum on Friday night. The sports were a big success, and Brig. W. W. Reid is to be commended on his splendid work in giving to the children an opportunity to compete and develop their sporting qualities. The greatest benefit is to the boys and girls in the rural communities, who have not an opportunity of such competition, and therefore do not strive to develop competitive ability. It was clearly seen that those

**IN MEMORIAM**

**MRS. K. J. MORRISON**  
 It is very seldom that a home or community is prepared for the passing of a loved one but everyone was shocked when word came that Mrs. K. J. Morrison of Dundas had died suddenly at her home on February 12th, 1949.  
 Neighbours and friends came from far and near to help the family in any way possible.  
 Memory of Mrs. Morrison will live long in the hearts of all who knew her.  
 Her invalid husband will miss her. Her daughter Lillian will miss her and also in the home Frank Morrison will miss her guiding hand. Mrs. Morrison was a loyal Presbyterian and helped church work in every way.  
 There are left to mourn her invalid husband, one daughter, two brothers, John M. and G. Frank MacLure, two sisters Josie McDonald and Georgie M. Hill.  
 The pallbearers were: Howard Hobbs, Howard Wood, Douglas Matheson, Robert Acorn, Alvin Campbell and Gus Morrison.  
 Hearse driver, Seymour Taylor.  
 Floral tributes were many and beautiful silent tribute of esteem in which she was held by her friends.  
 Service at the house and grave was conducted by Rev. M. D. MacLeod. Burial in Dundas cemetery beside her son Lyman who died sixteen years ago.

**CARD OF THANKS**

Mr. K. J. Morrison and family wish to thank their neighbors and friends for their kindness and sympathy extended to them in their hour of sudden bereavement.

who put extra efforts to learn skating well, drew most of the prizes, and rightly so. This should serve as an incentive to boys and girls in this community to practise speed skating so that they will be better able to compete with the fast skaters of other localities. Such a program should be an integral part of a community rink program each winter, and thus by degrees build up the physical side of each boy or girl so that they may take their place in close competition with others. Without such a training program, without a spirit to forego other pleasures to concentrate on training, on the part of the students, it is doubtful if we will ever be able to compete satisfactorily with City schools with whom we have the same opportunities. At all events Mr. Reid, Director of Physical Fitness, is putting forth the every effort to re-awaken the sportive spirit which was so much in evidence in former days. Each locality should strive to help in this endeavor, by preparing sporting events in skating, track and field so that these competing will gradually learn the true meaning of sports in the development of character.

**Georgetown and Vicinity**

Miss Dorothy Jenkins of the firm of W. R. Jenkins in Charlottetown was a week end guest of her mother, Mrs. Florence Jenkins.

Donnie MacLean, who is taking a course in carpentry work in Charlottetown, spent the week end with his parents, Mr. and Mrs. Malcolm MacLean.—Geo.

The semi-finals for the Southern King's Hockey League championship, between Georgetown and Montague, are now over and Montague will advance against Murray Harbour in the cup finals. Not attaining the heights of hockey supremacy they enjoyed last season, the local Eagles, nevertheless gave an excellent account of themselves all through the season. The games they did lose, were by the smallest of scoring margins and were all good, hard-fought hockey games. We say without fear of contradiction that no other team in the league could withstand the loss of so many players from one season to the next, as our team did, and at the same time go out and make as good a showing generally. Next year we feel will see a vast difference, as younger players, at present available, will be taken on and fitted into the organization. Given a large ice surface, we can still produce a championship team, so let all hockey-

mind persons work wholeheartedly with those organizations now striving to lay the plans for the erection of a new rink. The Chinese mourning color is white.

**Are You Planning Building, Buying or Remodeling a HOME? IF SO**

Consider carefully the system you will buy to heat that home. Unfortunately the most important phase of planning indoor comfort is one too often given the least consideration simply because it is not a material which can be seen. And yet it is one which is constantly with us in every room and has the greatest effect on health and comfort. It is the air surrounding our bodies, and the pleasant indoor living is largely dependent upon the quality of that air.

The quality of air is governed by 7 conditions and these are the Seven Steps to indoor comfort:

1. Air at a satisfactory temperature.
2. Air containing proper amount of water vapour.
3. Air moving constantly but imperceptibly.
4. Air free of dust, dirt smoke and pollen.
5. Air free of staleness.
6. Air free of germs and bacteria.
7. Air of adequate density.
