DOWN THE BACK STRETCH

There will be plenty of racing next week—Parkview Track. Oyster Bed, P.E.I., Monday afternoon, also at Moncton and St. John, N. B., Bridgewater, N.S., and Charlie Ballard will hold three afternoons racing Monday, Wednesday and Friday—four events each afternoon with $400 purses and a $500 Free For All Wednesday afternoon.

Goodwill races, which have always been among the most popular events in the Maritimes, will be held over the Charlottetown track Wednesday and Thursday afternoons, September 8 - 9. There are ten classes which include a Two Year Old and Three Year Old Futurity Stakes, Free For All Pace with a purse of $600, and a Free For All Trot with a purse of $600. Classes will be raced on Wednesday or Thursday nights if necessary so as to give each of the upwards of 100 horses entered an opportunity to compete. Classes and entries appear elsewhere on this page.

The final of the series of Saturday night racing programs held over the Charlottetown track last Saturday night proved one of the best, with the four-year-old pacer Rho-Dola-D (MacDonald), owned by Dr. Austin Delaney, Summerside, winning the No. 1 Pace and taking a record of 2:17; Maudine Budlong (Agnew) 2-4; Mary's Delight (O'Brien) 4-2. In the No. 2 event the four-year-old pacer Monty Budlong (Walter Kelly) by Calumet Budlong, dam, Tara Hanover, bred by R. MacDonald of Chepstow, won both heats, the first in 2:14 2-5—a new record—and the second in 2:16; Shy Ann 2nd. (Phillips) was 2-3; Billy Conn (Bowness) 6-2. Monty's performance shows him to be a pacer with a lot of class. He finished both heats from behind with a good burst of speed. In the No. 3 Pace the tough little pacer Dale B., owned by George Hughes, Brackley, and driven by Claude O'Brien, won the first heat in 2:16, with Eleanor G. (McNeill) second. Then Miss Knox (Arbing) circled the field and won in a classy finish in 2:13 2-5. Miss Knox is owned by G. H. Buntain. Her splendid win pleased her many admirers and driver Arbing got a great reception from the large crowd. In the No. 1 Trot Bonnie Dale, owned by Chester Birt, Pisquid, and driven by Willard Kelly, won the first heat in 2:16—a new record. Then Bud Kalmuck, owned by John Ladner and driven by Earle Semple, came on and won the second heat, but the surprise horse of the meeting was really the old reliable Wait N'See, converted to the trot and driven by Len O'Meara, that finished in the lead the second heat but his break some lengths from the wire caused him to be set back to second position.

The Truro Exhibition race program got under way in good style on Tuesday afternoon with four events raced. The 2:24 Trot and Pace was won by Brewer's Gallon, owned by B. C. Cruickshanks and driven by Jack MacMillan, with 1-6-1. The three-year-old Seven-Up Direct, owned and driven by Lloyd Walker, Halifax, won the second heat in 2:16—a new record. In the 2:19 Trot, Nell Kalmuck (Kelly) lost the first heat to Kelly's Nightmare (Shaw) and won the next two in 2:16 2-5; 2:15 2-5. Mac Stout (Jabalee) was 6-2-3. The 2:28 Trot and Pace was won by Ace Fingo (Allen) with 2-1-1; Mayme Axworthy (Mitton) 1-5-4; Miss Bonnie Grattan (Lewis) 7-2-2. Time, 2:21 2-5; 2:21; 2:22 2-5. The 2:10 Trot and Pace was won by Gay Law (Allen) owned by W.B. Moriarty, Halifax, with 2-1-1; Josedale Clipper (Conroy) owned by Dr. F.C. Dougan, was 1-2-2; time, 2:13 1-5; 2:12 2-5; 2:11 3-5.

There was no racing on Wednesday afternoon owing to the terrific rainstorm and high winds, so that program was carried over until Thursday when a crowd of 4,000 witnessed some of the best racing seen in Nova Scotia this year. The 2:25 Trot and Pace was won by Mollie Bars, owned and driven by Fergie Baxter, in straight heats; Bowden Square (Campbell) 2-2-3; Buster C. 4-3-2. The 2:22 Trot and Pace was a real battle between Billy McVey and Single Streak, almost similar to the one they waged in Montague last week. The first heat was won by Single Streak (Conroy) in 2:16 1-5, the second heat by Billy McVey (Craig) in 2:15 4-5; the third heat they raced as a team all the last half, with Billy McVey heading his rival in 2:14 2-5. The 2:23 Trot and Pace was won by A. G. Scott (Letcher) with 1-2-1; Ensign Joe (Smith) 5-1-5; time, 2:17 2-5; 2:14 3-5; 2:16. The 2:17 Trot and Pace was another battle royal with Judd (Walker) winning the first heat in 2:12 4-5 and Vella la Vella (Sweeney) winning the next two heats in 2:16; 2:12. Moneymaker (O'Brien) was second the second heat; Tennessee Sue (Wisener) 3-3-5. Vella la Vella is owned by Willard MacDonald, Summerside.

Winston Taylor, Nine Mile Creek, recently bought a five-year-old pacing mare, Hettie Frisco, from Herb Wisener, Pictou. This mare is sired by Friscoway 2:01¼ and her dam is Hettie V. 2:06¼. She was purchased in the U.S.A. last fall by Harry Hirsch of Sydney and afterwards sold to Mr. Wisener. With her breeding and appearance she should be a wonderful brood mare. Lee Taylor of Nine Mile Creek, has a classy yearling sired by Calumet Budlong 2:02¾, dam, Dorothy L., granddam Betty Direct 2:07. We are greatly pleased to see our friends in Nine Mile Creek and vicinity acquiring and breeding such potential speed.

Many will remember Frankie Carr when he raced horses here years ago and always gave the likeable Frankie credit for possessing a lot of reinsmanship and training ability, so they must have been pleased when they picked up the Guardian Thursday morning and saw where he had won eight of the nine heats on the racing program at Sussex Wednesday afternoon. With Bright Spot he was 1-1-1 in the Junior Free For All, best time 2:12 2-5. Driver McAlduff of Alberton, was 2-2-3 with Yankee Girl. In the No. 1 Classified he piloted May Todd to victory with 1-1-2; Lady Hal (Stevenson) 3-2-1. Time, 2:15 2-5, 2:16, 2:14 4-5. In the No. 2 Classified Carr was again a straight heat winner with Bob Dale; June Henley (Marr) 2-2-2; Earle Direct (Woods) 3-5-3; best time 2:20 1-5. Admirers of the good little pacer Bright Spot 2.09¼ have been pleased to see her showing up so well in summaries of races in Saint John and vicinity. We were sorry to see her leave here and hope she will return when her racing days are over to become one of our successful brood mares.

The first two-minute pacer of 1948 showed up at Milwaukee Grand Circuit last week when Grattan McKlyo won the Free For All Pace in 1:59 4-5, heading Indian Land, driven by Joe O'Brien. He is a son of Silent Grattan and Myrtle McKlyo 2:00¼ and is owned by Mrs. Benj. F. Owen of Omaha, Nebraska. Miss Tillie, owned by C.W. Fellows of Greenwich, Conn, raced to the fastest record of any two-year-old trotter this season, stepping in 2:04 2-5 and heading the much liked Atomic Maid to the wire. Good Time, by Hal Dale out of On On Time 2:03½, bred and owned by W. H. Cane, won the $10,813 stake in 2:03 1-5 and 2:02 1-5, to become the fastest of the season's two-year-old pacers. Interesting to students of breeding is the fact that the third dam of Good Time is Nedda 1:58¼, one time holder of the world's record for trotting mares.

The honor of being the fastest three-year-old trotter of the season was taken away from Demon Hanover, winner of the Hambletonian at Good Time Park, by Egan Hanover, he winning the three-year-old stake at Milwaukee in 2:02 and 2:01 2-5. Egan Hanover is a brother of Rodney 1:58, that has been winning the Free For All Trots on the Grand Circuit from Sep Palin's Victory Song 1:57 4-5.

This week the Grand Circuit is at the famous Du Quoin, Ill., track and we note in yesterday's paper that Joe O'Brien won the three-year-old pacing stake with Merry Way, giving him a record of 2:03. Castleton Farm stable this year is not as classy as previous years and therefore does not afford such an opportunity to our friend Joe to make the headlines.

Tonight the forty-two night meet opens at Bay State Raceway, Foxboro, Mass. This is where Joe made his debut last season. We understand a number of Maine reinsmen and possibly some of our Maritimers will move to Foxboro within the next week or two.

Charlie Willis has made an addition to his stable, the latest being a pacer by Abbe Worthy 2:04¼, dam, Dude Potempkin 2:07½. He has named this good looking four-year-old which he bought from Lester Johnson, Fortune, Feather Duster.

We were delighted to have a visit from J. Harry Irving, Lethbridge, Alberta, the other day. Harry left here in 1908 and is comfortably situated out west. He says there are lots of Islanders either in Lethbridge or vicinity and they get together frequently and talk horse and discuss Island news. He says he and others have followed the "doings" here with great interest every week. Harry raced horses for years and many will remember his good pacing mare Mazie. He says harness

SPORTING NEWS

Ev. McNeill's Kinsmen juniors showed all their ability last night when they squared their playoff series against the Recce, forcing a fifth and deciding game that will be played on Sunday afternoon following the Anchors-Millionaires City League tussle.

• • • •

To close followers of the Kinsmen, last night's victory came as no big surprise. They deserved their victory all the way. They took advantage of mistakes by their opponents to take an early lead that the favored Recce crew could not overcome and if they can display the same brand of baseball in Sunday afternoon's encounter they should be at least even favorites to retain the crown they captured last year.

• • • •

The junior game will be played after the Anchors-Millionaires intermediate league tussle. In an effort to get the playoffs underway and also to complete the schedule officials of the said league decided on the above move last night.

• • • •

Millionaires although losing their bid for a playoff spot can be depended upon to furnish plenty competition for the league leaders and are expected to start their strongest lineup for Sunday's encounter.

• • • •

On Monday afternoon, Labor Day, track and field fans should witness one of the best meetings since the days when the old Abegweit grounds was going in full swing. Director of Physical Fitness Bill Reid has drawn up an outstanding program, a program that has drawn entries from all over the Maritimes, and before the final event has been run off track and field fans should witness one of the best meetings that has been staged here since Whackey McEachern, Lorne Wedlock, Bill Halpenny and many others were either breaking or equalling Maritime marks.

• • • •

Memorial Field, the site of Mondays' activities, will present an attractive scene. All day yesterday workmen were busily employed in laying the final touches to a field that will compare favorably with any in the Maritimes. The quarter-mile track has been covered with cinders, rolled and graded and will give the sprinters plenty of chances to perform at their best.

• • • •

In the centre field, jumping pits have been looked after thoroughly as have also the other spots for events like the javelin, discus throw, etc. In fact nothing has been overlooked and Monday's meeting should go a long way in bringing back track and field activities to the popularity it enjoyed when the old Island stars were making their marks, not only in the Maritimes but over the length and breadth of the Dominion.

• • • •

Undeterred by the unavoidable postponement from Wednesday afternoon, management of the new Parkview Race Track will present their program Monday afternoon in its entirety. Cream of the Island's trotters and pacers will be seen in action and the event should add just that much more to what is an outstanding Labor Day sports program.

• • • •

Following the harness racing program that has produced so many sensational meetings this season on Wednesday and Thursday the Exhibition track will be the scene of the annual Goodwill racing program. Over a 100 entries have been received from many points in the Maritimes and race followers are expecting even better competition than was experienced during the Old Home Week program.

Scott Spencer Wins Feature Event at Truro

TRURO, N.S., Sept. 3 —(CP)— Three fast events featured today's harness racing card held in conjunction with the Central Nova Scotia exhibition here.

Fastest time of the day was a mile in 2.10 3-5 by Scott Spencer in the third heat of the free-for-all trot and pace.

Rodney And Victory Song In Tough Battle

DU QUOIN, Ill., Sept. 3 — (AP) —Rodney and Victory Song battled to a new three heat record today in the Maud S. trot at the Du Quoin state fair. Today's program closed out the week's Grand Circuit card here.

Rodney took the first and third heats with B. Shively driving, and Victory Song won the second heat. The heat times were 2:00, 1:59, and 1:58 2/5, setting a new split heat mark for trotting stallions. Calumet Evelyn was the winner under the former record. Sep Palin drove Victory Song.

It was Rodney's third victory over his rival from the Castelton Farms, and by far his toughest battle.

Twin Baseball Bill Scheduled For Tomorrow

A doubleheader baseball bill is scheduled for tomorrow afternoon at the Memorial Field diamond when Anchors and Millionaires clash in a City Baseball League encounter at 1:15 with the Recce and Kinsmen meeting in the second game to decide the City Junior championship.

Both games should produce a smart brand of baseball. Although Millionaires are out of the running as far as a playoff spot is concerned in the City League, they nevertheless are expected to field a strong lineup in an endeavour to chalk up their first victory over the league leaders.

The junior game is a natural. Friday night Kinsmen came back from the brink of elimination by handing the Recce squad a 5-2 defeat. That victory squared the best-of-five series at two wins apiece, and according to close followers of the game, the result of tomorrow's game should pretty well be a toss-up.

Summer is slowly fading out of the picture. Serried rows of stooked grain in fields that reach to the horizon and Septembers' cool days and crisp nights tell plainer than words that Autumn is claiming her own. To the old time gunner, it means another shooting season to be checked off a list already growing short, with a pang of regret that one of life's greatest pleasures is slipping beyond one's grasp. To the young 'uns just cutting their eye teeth, as it were, and finding it hard to line the sights, with any consistent degree of accuracy, on speeding feathered targets, it means the beginning of a healthful pastime that in some instances is enjoyed for half a century.

I number among my acquaintances sportsmen who have forty odd years of shooting tucked under their belts and are still good for a few more. Perchance they cannot navigate a fence as adroitly as some of the younger generation but they still have lots of pep in the old legs and when the covey's of brown rockets thunder from the stubble, or grassy swales, the trusty 12 gauge swings in line with the same accuracy as of yore.

• • •

The season on Hungarian partridge has been announced by the Provincial Department of Agriculture .... October 1st till November 13th inclusive. I understand the Department concerned acted upon the recommendation of a group of gunners. Just who will bear the brunt of a flood of criticism coming in remains to be seen. With the duck season opening on October 9th, many are of the opinion that there was no valid reason why the both dates should not coincide. October 9th till November 11th is considered by many observers as the dates the Hun season should have been set at.

Everyone knows what happened last year when the Hun season opened on September 29th and the duck season opened on October 16th. Every duck that wasn't shot was scared away from the inland ponds and creeks to the sanctuary of the bays and river estuaries. The Huns and ducks live practically next door to each other. One is just as liable to flush a covey of partridge from the edge of a duck marsh as from a stubble field and it came as no surprise to many when duck hunters had lean pickings on the 1947 opening date. A black duck is not going to stand for shooting in close proximity of its home marsh. It doesn't necessarily matter that the shots are directed at partridge. They might as well be fired at the ducks.

• • •

Here is a specific incident that happened last year. About a week before the Hungarian partridge season was announced, I had a chat with a farmer who lives in an area south and east of the Hillsboro river. During the course of our conversation this farmer remarked: "I hope they don't make the mistake they made last year and open the Hungarian season ahead of the ducks". The following is a brief account of what happened in the farmer's own words: "I have a small tidal creek that flows through my farm. Near its head is a section of alder clumps and small pot holes bordered by tall grass. Every opening day before last year, my boy, who loves to shoot, would pick up anywhere from two to a half dozen black ducks that he walked up out of those pot holes. Several covey's of Huns also frequented the borders of the creek.

On the morning of Hun season last year I watched three gunners get out of a car. They had a hunting dog. Soon a covey of Huns got up and there was a barrage of shots. I saw ducks get up in twos and threes until there were 13 milling around in the air. Just then some more Huns got up and there was more shooting. Everytime a shot was fired the ducks would flurry and climb a little higher. Someone was after Huns in the same place two days later and after that I saw no more ducks. My boy only got one black last fall and that was toward the close of the season. I blame the partridge hunters for spoiling the duck shooting".

• • •

Last winter was a hard one on the partridge and who, may I ask, was responsible for saving enough birds to warrant an open season this fall of a month and a half, less two days? There is only one answer ..... the farmers of this province and their families.

The energetic action of Pheasants Unlimited in distributing several tons of grain by plane did a great deal to publicize the need of voluntary assistance in feeding the Huns though the gesture could not have been a satisfactory solution if the farmer had not responded as he did.

(Continued on Page 9)

Kinsmen Team Squares Junior Playoff Series With 5-2 Victory

Sonny Stull's four base wallop to left field in the last half of the third inning that scored Kennedy ahead of him last night proved the deciding wallop in the junior baseball encounter between Kinsmen and Recce with the Kinsmen knotting the best-of-five playoff series at two games apiece with their 5-2 victory and forcing a fifth and deciding encounter that will be played Sunday afternoon.

Playing errorless ball throughout the sixth inning tussle, the McNeill-managed Kinsmen team were full credit for their victory. They got off to the front in the last half of the first by counting two runs and from there on were never headed. Recce, hot favorites to win the City championship, scored single counters in the top half of the second and third frames to knot the count but Stull's blow in the bottom half of the third provided the payoff with his teammates adding another in the last of the sixth to account for their margin.

Recce, seeking desperately to pull the game out of the fire, scored a run in the top half of the seventh and had two more men on the sacks before umpire George Francis was forced to call the game on account of darkness. The score reverted back to the last half of the sixth.

Garth Crockett, starting on the mound for the winners was replaced by lefthander Frankie Currie at the start of the fourth, and the kid came through with a fine relief job that saw him let the hard-hitting Recce crew down with a single hit in his three inning stretch and save the game for Kinsmen's starting hurler who had given up three safe blows during his tenure on the mound.

"Spy" Ready went on to the hill for the losers and yielded five hits but he was again the victim of bad support that led to him having the loss chalked up against him.

Three Shoots To Be Held In September

The executive of the Provincial Rifle Association has decided to have three shoots during the month of September. These shoots are to be held on the 11, 18 and 25 commencing at 1.30, the two hundred yard range to be completed by 2.30. The city championship match will be shot in conjunction with the shoot on Sept. 18.

Col. D.A. MacKinnon, D.S.O., President of the Association, has kindly donated one dozen sterling silver spoons, four for each match. The three highest in each day's shoot will each receive a spoon and the fourth spoon will be awarded to the marksman making the highest aggregate in the Tyro division. A silver medal will be awarded to the marksman making the highest aggregate in the three shoots.

SPORT BRIEFS

ELKHORN, Man., Sept. 2 —(CP)—Alabamian, a pointer owned by S.H. Vredenburg of Vredenburgh, Ala., was proclaimed titlist in the winner's stake today as the Elkhorn International Field Trial Association trials were brought to a close.

MONTREAL, Sept. 2 —(CP)— A meeting of the governors of the National Hockey League today adopted a 60-game schedule for 1948-49 which left the number of games unchanged from last season. However President Clarence Campbell was instructed to draft a schedule which would give each club a minimum of 35 home games —a 70-game over-all schedule—for the 1949-50 season. This will be considered by governors a year hence.

NEW YORK, Sept. 2 —(AP)— Jimmy Bloodworth, hustling second baseman of Montreal Royals, today was named the International League's most valuable player of the 1948 season. Bloodworth gained 201 out of a possible 256 votes. He was the first choice of 22 of the 32 voting sportswriters.
