PASSES EXAMINATION.—Mr. Philip Fougere of Lower Montague recently passed a very successful examination and received a Fourth Class Engineer Certificate. He took the examination before Mr. Norman Currie, Inspector of steamships, Halifax, Nov. 4. Mr. Fougere has had considerable experience of the sea having sailed out of Halifax for the past three years and previous to that on the Government steamship "Minto." He leaves next week for Halifax to follow his chosen profession.

INSTITUTE MEETING.—The regular monthly meeting of the South West Women's Institute was held at the home of Mrs. Hugh J. McDo nald on March 15th. There was an attendance of 18. The President, Mrs. Kieckhafer occupied the chair. After the regular business of the meeting had been taken up an interesting paper on "Amusements for Young People on the Farm" was read by Miss Adeline Peters. After some discussion, a second paper on "How the Institute May Be a Help to the Community" was read by Miss Florrie Fisher. After refreshments had been served by the hostess, a musical programme, consisting of a solo by Mr. Leona Peters and instrumental music by Mrs. Andrew Peters and Miss Adeline Peters was carried out. In the meantime the women were busily engaged in knitting socks. A vote of thanks was tendered the host and hostess for the profitable and pleasant evening. Meeting closed with National Anthem.

LETTER OF CONDOLENCE.
To Mr. William Henderson and family.
Dear Friends.—The sudden and unexpected death of your beloved wife and mother has cast a deep gloom not only in the community but also in the different societies of which she was an active and honored member. The members of the Ladies Aid Society can sincerely testify to the above and we take this opportunity of extending to you our heartfelt sympathy in the very sore bereavement that God in His inscrutable wisdom has called on you to endure. Any words of ours in such a sad affliction, we feel are very poor consolation. We would, therefore commend you to the Giver of all good, who is ever ready and willing to comfort all that look to Him in the hour of sorrow and grief. The members of the Aid can assure you that we deeply feel her loss and her presence always helped to enliven our meetings, and that her death (the second in our society during the last month) reminds us all of the slender web that exists between us and the great eternity to which we are all hastening. We would kindly remind you that though parted here we can cherish the great thought, that when done with great thought, we hope all to meet in the Great Beyond where parting and sorrow are unknown. "What a friend we have in Jesus" All our sins and griefs to bear, What a privilege to carry them, Everything to God in prayer."
LUCY B. McDONALD,
Secretary.
Murray Harbor North,
March 21st, 1917.

THIRTIETH ANNIVERSARY

On the evening of Monday, March 12th inst., Mr. and Mrs. A. G. Smith, of Eldon, celebrated the Thirtieth Anniversary of their married life. The occasion was a most auspicious one. There were present all the immediate relatives with the exception of Mr. and Mrs. William J. McLean, of Central, Prince County, who were unavoidably absent owing to the serious illness of Mr. McLean's mother. The following address, read by Mr. Norman A. Gillis, was presented to Mr. and Mrs. Smith:
To Mr. and Mrs. A. G. Smith,
Eldon.
Dear Friends.—On this, the auspicious anniversary of your wedding day, we desire to most heartily wish you many happy returns of the day. You have passed the milestone—twenty-five years—of your silver wedding and you are now approaching the second milestone—your golden wedding. You are both greatly loved and respected in this community and we sincerely trust that the blessings you have enjoyed during your married life may continue to multiply in the years, that we feel, still lie before you. As a small expression of our regard, we ask you to kindly accept this token and hope that it will convey to you a message of the links of friendship that you have cemented between us and you during the time we have known each other. It is a matter of thankfulness that you both enjoy a measure of health on this, the thirtieth anniversary of what undoubtedly was, the happiest and most fortunate day in your lives and we can only add our sincere congratulations and wish you continued happiness and prosperity. Accompanying the address was a very handsome chair. Mr. Smith made a very suitable reply, thanking the friends, on behalf of Mrs. Smith and himself, for their many kind words, and beautiful gift. The balance of the evening was very pleasantly passed in music—vocal and instrumental—and in pleasant discussion of the topics occupying the attention of the public mind at the present time. Supper was served about eleven o'clock. A most enjoyable evening was brought to a close by all singing the National Anthem.

Health for Sick Women

For Forty Years Lydia E. Pinkham's Vegetable Compound Has Been Woman's Most Reliable Medicine—Here is More Proof.

To women who are suffering from some form of woman's special ills, and have a constant fear of breaking down, the three following letters ought to bring hope:—

North Crandon, Wis.—"When I was 16 years old I got married and at 18 years I gave birth to twins and it left me with very poor health. I could not walk across the floor without having to sit down to rest and it was hard for me to keep about and do my work. I went to a doctor and he told me I had a displacement and ulcers, and would have to have an operation. This frightened me so much that I did not know what to do. Having heard of Lydia E. Pinkham's Vegetable Compound I thought I would give it a trial and it made me as well as ever. I cannot say enough in favor of the Pinkham remedies."—Mrs. MAYME ASSACI, North Crandon, Wis.

Testimony from Oklahoma.

Lawton, Okla.—"When I began to take Lydia E. Pinkham's Vegetable Compound I seemed to be good for nothing. I tired easily and had headaches much of the time and was irregular. I took it again before my little child was born and it did me a wonderful amount of good at that time. I never fail to recommend Lydia E. Pinkham's Vegetable Compound to ailing women because it has done so much for me."—Mrs. A. L. McCASLAND, 509 Have St., Lawton, Okla.

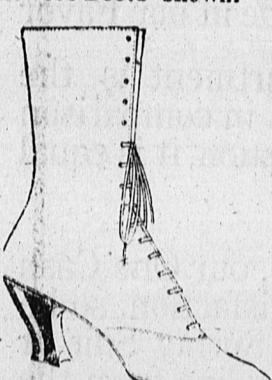

From a Grateful Massachusetts Woman.
Roxbury, Mass.—"I was suffering from inflammation and was examined by a physician who found that my trouble was caused by a displacement. My symptoms were bearing down pains, backache, and sluggish liver. I tried several kinds of medicine; then I was asked to try Lydia E. Pinkham's Vegetable Compound. It has cured me and I am pleased to be in my usual good health by using it and highly recommend it."—Mrs. B. M. OSOON, 1 Haynes Park, Roxbury, Mass.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

HOPE RIVER EGG CIRCLE

The annual meeting of the Hope River Egg Circle was held at Hope River Hall, on the evening of February 27th. The night being fine the Hall was well filled, the ladies being well represented. The Manager's and Secretary's reports showed the circle to be in a flourishing condition. Mr. Poirier of the Agricultural Department was present and gave a very instructive address, which was much appreciated by the patrons. The following Directors were re-elected: President—James Simpson; Bay View; Vice-Pres.—Wm. H. Hogan; Hope River; Sec'y.—Treas.—J. Simpson Bell, Hope River.

Directors—H. T. Pickering, Stanley Bridge; Clarence Reid, Hope River; John Cullen, Bay View; Edward Mc Isaac, St. Annes. The Hope River Egg Circle seems to have a bright future before it.

Our Service

A thoroughly satisfactory pair of glasses involves a careful examination, accurate grinding of the lenses, selecting the mounting best adapted to the wearer's features and correctly adjusting the completed glasses to his face. Because we give experienced attention to all these points our glasses, in addition to giving distinct vision, fit securely and comfortably, and are becoming to the wearer.

HIGH SCHOOL GIRL

Run-down, Weak and Nervous—Made Strong by Vinol.

For the benefit of Charlottetown school girls who overwork and get into highly nervous, weak and run-down condition, we publish this letter from Dorris Copler, of Forth Worth, Tex.—"I go to the high school and take music lessons, and became run-down, weak and very nervous, so I could not do anything. I would shake all over and could have screamed at times, and was really unfit to keep on with my studies. Mother purchased a bottle of Vinol for me and within a week I was better, and in two weeks I had gained five pounds and felt fine." It is the curative, strengthening elements of beef and cod liver peptones, aided by the blood-making, revitalizing effect of iron and manganese peptones and glycerophosphates, contained in Vinol, which made it so successful in building up the nervous condition of Miss Copler, and we ask every school girl in Charlottetown who is in a like condition to try Vinol, on our guarantee to return their money if it fails to benefit.

THE FIGHTING 26th.

Nobody knows how we suffered,
Nobody knows our cares;
And you who have fought the Kaiser,
Are allowed to put on airs.

We had a name in old St. John,
Some name without a doubt;
And all that you could hear folks say,
"Thank God when they clear out."

At last the order came to move,
And it was more too soon;
So we sallied on Sunday morning
On the 13th day of June.

But after all in Old St. John
They loved us just the same;
And when the troop ship sailed away,
They cheered with might and main.

And then we reached old England,
To wait to state a charge;
And all eager to do our little "bit,"
Somewhere in Sunny France.

Our boys did not realize
The danger they must meet;
But everyone stood up to it,
None of them had "cold feet."

We stood the hail of bullets,
And dreaded shrapnel shell;
Up to our wals, in water,
"Twas like some place in hell."

"Now I am going to tell you
About one little scrap;
On the 13th day of October,
You've heard of it mayhap.

We had to take a crater
In front of the German lines;
And before we started on our charge,
We knew 'twas full of mines.

Officers and men were ready,
And at the signal "Go";
We opened rapid fire,
Then rushed to meet the foe.

Well, boys, we took the crater,
And dodged those German mines;
And helped to win three trenches,
On the right of the British lines.

And now a word for our heroes,
Who fell on that great day;
Their names shall live forever,
Their names shall last for aye.

They lie in their last slumber,
One line from the firing line;
Far from their home and loved ones,
Away across the brine.

And yet we still are fighting,
And will not yield a jot;
Who said we were downhearted,
You bet your life we're not.
So now, you peaceful citizens,
I hope you'll plainly see
That the 26th Battalion,
Has won fame for St. John, N. E.

CHILD'S SEVERE STOMACH TROUBLE

Harrison (Ont.) Father says: Dr. Cassell's Tablets saved his Child's Life.

Mr. Corby, Harrison, P. O. Ont., writes: "Our little girl was weak from birth, and though we tried doctors' medicine and other things she got no better. She just lay in her cot and cried, and neighbours all said we could not save her. The doctors said she had stomach trouble, and that her chances were small, yet Dr. Cassell's Tablets cured her. They have been worth their weight in gold to us, for we were just giving up hope of saving our little daughter. I don't think there is any other medicine for children like Dr. Cassell's Tablets. Publish this letter if you like; it may help others as the Tablets helped us."

A free sample of Dr. Cassell's Tablets will be sent to you on receipt of 5 cents for mailing and packing. Address: Harold Ritchie & Co., Ltd., 10, McCaul-st., Toronto.

Dr. Cassell's Tablets are the surest home remedy for Dyspepsia, Kidney Trouble, Sleeplessness, Anemia, Nervous Ailments, Nerve Paralysis, Palpitation, and Weakness in Children. Specially valuable for nursing mothers and during the critical periods of life. Sold by druggists and storekeepers throughout Canada. Prices: One tube, 50 cents; six tubes for the price of five. Beware of imitations said to contain hypophosphites. The composition of Dr. Cassell's Tablets is known only to the proprietors, and no imitation can have the same.
