## Grain

WINNIPEG, June 20 —(CP)— Shore-covering, induced by crop damage reports from northern Saskatchewan, higher stocks and Chicago wheat prices, rallied Winnipeg wheat futures from their low points more than a cent down. Final quotations were 2 3-8-2 1-8 cents higher, July 1.08 7-8, Oct 87a, Nov 86 1-8b, and Dec 84 3-8a.

Canadian export sales were small though, Mills and shippers displayed keen interest in the cash market, where spreads for the top four grades of Canadian wheat improved. No. 3 northern improved two cents.

Liverpool closed 1 7-8-2d lower, reflecting declines in North America markets Saturday and reports of excellent Canadian crop conditions. Buenos Aires was on holiday.

World wheat shipments last week were more than 3,000,000 bushels below the previous week at 8,528,000 bushels. North American clearances were down 1,071,000 bushels at 3,606,000.

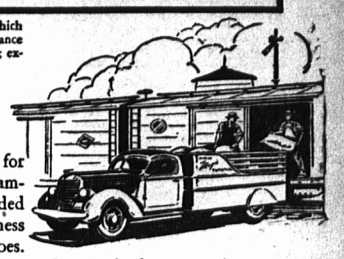
**BORROWING EXPERIENCES**

Typical of the many ways in which the Bank is able to render assistance to customers is the following experience from our records.



**Potato Dealer:**

A young man, remarkable for his energy, industry and ambition, a few years ago needed money to carry on his business of buying and storing potatoes. He had run into one or two of those unprofitable years. He consulted one of our branch managers and arranged to *borrow* the necessary funds. By reasonable, constructive banking assistance, he was able to build up his business and to find greater opportunity for profit by exporting potatoes. The Bank continued to extend justifiable credit to him, and he gradually arose from the position of a small dealer to a large and wealthy one. Frequently he has expressed his appreciation of the Bank's co-operation.

## Stocks Stage Recovery On N.Y. Market

BY FREDERICK GARDNER

NEW YORK, June 20 —(AP)— Stocks hit one of the best recovery strides of the year today with market leaders climbing 1 to more than 5 points.

The upswing was attributed to an assortment of factors, including signs which some thought indicated the lengthy business and industrial recession might reverse itself sooner than expected, and assurances of administrative chieftains the lending-spending program would be pushed rapidly when the president signs the bill.

Steels, motors, coppers, rubbers, mail order, farm implements, oils and specialties were in the forefront of the comeback.

Profit selling intervals slowed the pace a trifle, but failed to shake quotations and final prices were not far from the best of the day.

The Associated Press average of 60 issues was up 1.9 points at 40.-6, the best advance since April 9. Transfers totalled 1,087,050 shares compared with 327,840 last Friday.

A gain of 2 3-8 points to 44 3-4 in International Nickel featured the Canadian list. Fractional improvements were listed by Distillers, Walkers, Ford and Lake Shore. Dome and McIntyre lost more than a point to 58 1-2 and 42, respectively. Imperial oil and Hollinger eased a bit.

**MARKETS AT A GLANCE**

(By The Canadian Press)

Toronto and New York —Stocks in strong advance.

Montreal —Golds lower; other groups higher.

Winnipeg —Wheat 2 3-8 to 2 1-8 cents higher.

New York —Cotton, rubber, coffee and sugar higher.

TORONTO, June 20 —(CP)— Marked improvement in the New York market on news of business revival brought buyers into the Toronto mining market today and all indices were up at the close.

Noranda touched 65, the year's high, but held only a fraction of the gain. Sherritt firmed 8 cents, Sudbury contract 15, Waite-Amulet 10 and Pend Oreille 9. Aldermac gained 1 1-2.
