Laid Up With Kidney Disease,

Backache, Lumbago and Constipation-Years of Serious Illness - a Permanent and Thorough Cure by

Dr. Chase's Kidney-Liver Pills

Such cases as the following cannot but prove interesting to all who suffer as the writer did from kidney disease and its many distressing symptoms. This is merely an example of the great good Dr. Chase's Kidney-Liver Pills are accomplishing almost daily in nearly every community in the land.

Mr. J. G. Kirby, head miller in the large flour mills of Manro & Roanoke, Thorold, Ont. states: "I can scarcely say too much in praise of Dr. Chase's Kidney-Liver Pills. Some years ago I was laid up by a severe attack of kidney disease, which was later complicated with other bad symptoms, such as headache, lumbago, backache, constipation, indigestion and insomnia. I became reduced in flesh and became very much discouraged. Professional medical treatment was of no avail; other remedies were resorted to, with no purpose. My appetite diminished, and I was losing hope of recovery."

"Fortunately my attention was called to Dr. Chase's Kidney-Liver Pills, and I derived much benefit from the first box. By the time I had used four boxes I was again enjoying my former good health and vigor, as the bad symptoms all passed away, and I was then able to resume work. It was, in 1898, I have worked now for about four years to see if the cure would be permanent, and now am convinced that it is, and feel justified in giving this testimonial for the benefit of others." Dr. Chase's Kidney-Liver Pills positively and promptly cure kidney disease, liver complaint, biliousness. One pill a dose, 30 cents a box, at all dealers, or Edmundson, Bates & Co., Toronto.

She-What an extraordinary picture. And why on earth do you call it "Home" if it's not the weather that's at fault. It's your system clogged with poisonous materials that makes you feel dull, drowsy, weak and miserable. Let Burdock Blood Bitters clear away the poisons, purify and enrich your blood, make you feel bright and vigorous.

Mother-When you play marbles, why in the world do you get down on your knees and drag yourself over the ground? Little Son- "Cause I-I don't want to wear out my shoes."

GET RID OF THAT COUGH Before the Summer comes. Dr. Wood's Norway Pine Syrup conquers Coughs, Colds, Sore Throat, Hoarseness, Bronchitis, and all Diseases of the Throat and Lungs.

A little assistance is worth a whole lot of advice. Minard's Liniment Relieves Neuralgia.

"Her marriage was a great disappointment to her friends." "Indeed," is a great disappointment to her friends. "Oh, yes. They all predicted it would turn out unhappily, and it didn't."

There is no form of kidney trouble, from a backache down to Bright's disease, that Doan's Kidney Pills will not relieve or cure.

If you are troubled with any kind of kidney complaint, give Doan's Kidney Pills a trial.

Wiggs-Yes; little Slimus carried off the honors at college. Wiggs-I'll bet the honors didn't weigh much.

Minard's Liniment Cures Burns, etc. Some sort of a sharp relish is always acceptable with cold meats.

FOUND AT LAST. A liver pill that is small and sure, that acts gently, quickly and thoroughly, that does not gripe. Laxa-Liver Pills possess these qualities, and are a sure cure for Liver Complaint, Constipation, Sick Headache, etc.

It should be the ambition of every woman to live up to her best photograph. Wherever there are sickly people with weak hearts and deranged nerves, Milburn's Heart and Nerve Pills will be found an effective medicine. They restore debilitated or over-worked men and women to vigorous health.

Life is not so short but that there is always time enough for courtesy. Minard's Liniment by the way.

Some dairymen spend enough time weeping over spilled milk to buy a whole cow. For Cholera Morbus, Cholera Infantum, Orange Colic, Diarrhoea, Dysentery and Summer Complaint, Dr. Fowler's Extract of Wild Strawberry is a prompt, safe and sure cure that has been a popular favorite for nearly 60 years.

In nearly all cases it is better to grow into a specialty than to go into it. First learn how and then go in. Minard's Liniment Cures Dandruff.

A man, like a horse, loses his usefulness when he becomes a chronic kicker.

An Answer to Inquiries.

Numerous inquiries have recently been received at the New York and Philadelphia offices of the "Mercantile and Financial Times" asking for information as to the methods and business of the Storey Cotton Company, whose general offices are located in the Bourse Building, Philadelphia, as well as to the desirability and value of an investment made with this company. On several occasions in the past there appeared in these columns extended and favorable references to this company from the pen of our Philadelphia correspondent, and we have carefully watched the progress and operations of the company in order to determine whether his commendation was justified by subsequent developments.

Justice to a worthy corporation requires that we should extend the editorial endorsement of this paper to this company at the present time, and to say that it has more than fulfilled every claim originally advanced in its behalf. It is only simply truth and justice to say that the management of the company is to-day entitled to the highest praise and commendation for the conscientious and straightforward manner in which they have carried out all of their obligations to those who have become identified with the enterprise as investors, and we are fully warranted in making the assertion that no financial or investment institution in the country can show a cleaner, more satisfactory or honorable record in its liberal treatment of investors and the public at large than the Storey Cotton Company.

We are much gratified, of course, that the later development of the company's business and its fair and equitable methods have justified the early predictions of our Philadelphia correspondent, and it is equally a pleasure to add that the company are to-day stronger and better able to carry out their obligations than at any time in the past. We have the utmost confidence in the judgment and discretion of our Philadelphia correspondent, who has been the regular representative of this paper in that city for more than a quarter of a century past, and as he has been thoroughly conversant with the business of the Storey Cotton Company from its inception, as well as its plans and methods, his financial stability and the high character of its management, his qualified endorsement of the same naturally carries great weight.

The record of the Storey Cotton Company is one that can be assailed in no particular whatever; its treatment of its clients has always been eminently fair and just, and it has never made a promise that has not been fulfilled to the letter. We can only emphasize the fact that an investment made with this company possesses every essential element of security and remuneration, and we are confident that those who make such investments will place their money in an enterprise where every possible safeguard is thrown around the principal, and where large earnings are assured, beyond any reasonable doubt.

The fullest particulars sent Free to readers of this paper on application.
