Well Paid Turk.
A Turkish ministerial portfolio is a sort of gold mine to the holder. It is not the vizier, however, who holds the richest claim, though his salary is £13,250 a year, which is also that of the war minister. The "plum" of Turkish officials is the admiralty, which is worth £16,800 a year, and the present holder is stated to have amassed a fortune of £2,400,000. The minister of foreign affairs has £8,800, and finance comes next, with a thousand lower, financial ability being apparently esteemed in inverse ratio to the need for it. The lowest salary is that of the minister of mines, though it is rather higher than that of the premier of England. The sum is £5,560.—London Tit-Bits.

An Educated Indian.
Two roistering young New Yorkers entered a cafe on Broadway recently and jostled against a tall, thin, little man wearing a sombrero. He turned, expecting an apology, and was insulted by one of them. The little man's right fist shot out to the swell's jaw, lifting the insulted off his feet and knocking him senseless. The assailant was arrested and in court told the magistrate that he was Wounded Buffalo, son of Chief Running Elk of the Mohawk tribe. He learned to box at the Carlisle school, where he played with the football eleven. On hearing the circumstances the magistrate discharged him.

NOSE STUFFED UP.

If bothered with Catarrh, bad breath, hawking, cold in the head use Catarrhazone—guaranteed to cure or money refunded.

Catarrhazone is nature's way of curing Catarrh troubles. Its healing vapor sprays through the nostrils, throat and sinuses. It stops mucous discharges, relieves pain and "stuffed-up" feeling, sweetens the breath and prevents drooping in the throat. No treatment is so clear, so pleasant and absolutely certain to cure as Catarrhazone. The inhaler can be carried in the vest pocket, ready for use while at work, in church, theatre—any place, at any time. Every breath of Catarrhazone brings relief, and its regular use will cure any case not beyond human aid. The percentage of cures is so nearly one hundred percent that Catarrhazone is sold under guarantee. Those not benefited can have their money back.

Rev. D. B. Smith of Whitehead, N. S. says: "Catarrhazone permanently cured me of Chronic Catarrh of the nose and throat from which I suffered for many years. I heartily recommend Catarrhazone."

Mr. R. McCallum of Spring Brook, Ont., says: "A sample of Catarrhazone benefited me more than years of treatment with doctors, and by using the dollar outfit I was completely cured in a few weeks. I recommend Catarrhazone as the most satisfactory cure for Catarrh on the market. Every word said for it is true. Catarrhazone treatment for two months costs only one dollar. Extra bottles of liquid separate from the inhaler 50c. Sample size 25c. Sold by druggists or by mail from N. C. Polson & Co., Kingston, Ont. and Hartford, Conn., U. S. A."
