IN TROUBLE

We naturally turn to some one for assistance. If we employ an Attorney, he must be the Best; of a physician, in serious illness the question of price does not enter into consideration. How important then that we be equally careful to whom we entrust that most precious of nature's gifts, our Eyesight.

Our facilities for diagnosing and correcting eye troubles, are unsurpassed; we have every instrument devised by science at our command.

The eye is measured accurately, eliminating all chance of error. There is no detail that escapes our attention and the result is that high degree of perfection, which your eyes have a right to demand. If you are seeking the best service obtainable at a moderate cost, you had better call upon us today. Do it now.

Big Mark For Strikeouts

NEW YORK, Dec. 7.—American League statistics reveal that Babe Ruth last season struck out 68 times in 98 games and had a lower average of bases on balls than at any time since he became famous. During the season the Bambino had a batting average of .290, over one hundred points less than the previous season when he was the best batter in the Johnson circuit.

Fans Expect An Early Knockout

NEW YORK, Dec. 7.—An early knockout has been forecast by expert opinion as the likely result of the Berlenbach-Delaney light heavyweight championship fight here next Friday. Delaney stopped the champion in their first bout last winter in four rounds after nearly being out himself. Berlenbach has greatly improved since the last meeting when Delaney has been laid up with sickness practically all season.
