

SPRINGHILL CHAMPIONS OF MARITIME PROVINCES

By Defeating The Abegweits Here Yesterday 7-2, Springhill Clinched The Maritime Baseball Title. Wilson Clouted A Homer In The Third With None On. Fair Attendance See Good Ball.

The Baseball Curtain was drawn for 1927 yesterday at the Abegweits grounds when the home team went down to defeat at the hands of the Springhill players to the tune of 7 to 2.

The visitors are a hard hitting bunch of players, every man on the team took a crack at the old pill yesterday for sixteen hits, while the Abies had to be content with six from the offerings of McLeod, the Runs—Lynds and Hoyt 1 each. Put youthful moundsman of the visitors who hurled good ball and picked 6, McQuaid 4, Cronin 2, McKenzie 1. Assists—McQuaid 6, Williams 2.

It is something unusual for a twirler to give himself good support but this he done and also received the same kind of support from his teammates. McQuaid working on the mound for the home team; never worked harder in his life and although they successfully met sixteen of his offerings during the game, a little quicker action from his team-mates would have cut this total down. As it was they were giving good support as the Abies had thirteen catches to seven by the visitors.

The visitors are a more finished lot of ball tossers, and had it over the locals in every department of the game, of course this is due to practice, without which a team cannot hope to win and the Springhill team looks to have had their share and more.

Wilson's circuit clout in the third inning and Williams' double play in the same inning were features of the days game and drew the fans out for a long round of applause.

The only real hot innings of the day was the seventh in which they collected four straight hits, which were bullet like in velocity and burned their way far out afield and which was responsible for three counters romping home for the visitors.

The Abies collected one run in the eighth and one in the ninth in the last innings the Abies had a chance of bringing their score a notch or two higher, when the visitors erred twice for the only time of the game.

For the winners the work of McLeod the twirler was highly creditable with O'Rourke, O'Brien, Lorimer and Emberley backing him up to the hilt.

For the Abegweits, McQuaid, Hoyt, Williams, Cronin, McCarley and Lynds were the outstanding players, Williams being particularly effective and tuned in some nice plays.

The visitors scored their runs in the first, second, third, seventh and eighth, being shut out in the fourth, fifth, sixth and ninth.

The Abies were shut out of the score column until the eighth and ninth.

Summary: Springhill Hits—Wilson a homer and two single McLeod two doubles, Emberley a double and a single, Albion three singles, O'Rourke two singles, Hawker two singles, Gallagher and O'Brien a single each.

Catches—Lorimer 3, Emberley 1, O'Rourke 1, Gallagher 1, Hawker 1, Runs—Wilson 2, O'Brien, Emberley, O'Rourke 1, Albion and Hawker 1 each. Put outs—O'Brien 11 and Ruth received a big ovation O'Rourke 8, Lorimer 3, Emberley 3, Gallagher and Hawker 1 each. Assists—McLeod 16, Gallagher, O'Brien a single each.

SAYS STAR PLAYER UNFIT

PITTSBURGH, Pa., Oct. 7.—Hazen (Attili) Cuyler, fleet outfielder of the Pirates and a hero of the 1925 world's series, is not taking part so far in the championship battle with the Yankees, because, in the opinion of Pittsburgh executives, his present playing form is below that of any of the outfield regulars—and some of the other substitutes—not because of any personal prejudice or for any mysterious reason.

This statement, dealing with an issue which is being almost as hotly debated as the outcome of the series itself, was given to the Associated Press today by Sam Dreyfuss, Treasurer of the Pittsburgh Club, in response to a request to clarify a situation that has provoked a flock of fast flying rumors.

Toledo Wins Minor World Ball Title

TOLEDO, Oct. 7.—Toledo won the minor league championship of the baseball world here today when they defeated Buffalo, of the International League, 4 to 0.

Toledo, American Association champions, won five out of the six games in the series and completely outclassed Buffalo. Palmero won his second game of the series today.

Palmero kept Buffalo's nine hits spread out, received brilliant support and battled in Toledo's first run himself with a hard single to left in the second inning. These two runs would have been enough, but Bill Marriott, one of the batting stars of the series, repeated the performance in the seventh inning for the other two Mud Hen runs, making the victory doubly sure.

The victorious Mud Hens will divide a players' pool of more than \$26,000, while the defeated Bisons will split a little more than \$18,000.

Only One Canadian Now In Golf Tourney

TORONTO, Oct. 7.—Canada has only a four to one chance of winning the Canadian women's open golf championship, the semifinals of which will be played on the links of the Lambton Golf Club here tomorrow afternoon. All Canadian entrants except one, Mrs. Alexa Stirling Fraser, of Ottawa, who was born in Georgia but married an Ottawa man, were eliminated in the quarter finals this afternoon.

Tomorrow Mrs. Fraser will cross clubs with Miss Fritzi Stiefel, of Wheeling, W. Va., while Miss Helen Payson, of Portland, Maine, will be opposed by Mrs. J. L. Anderson, of Cherry Valley, Long Island, who today defeated Miss Virginia VanWie, of Chicago, one up. Miss Payson eliminated Mrs. F. C. Letts, of Chicago, two and one.

The principal Canadian-born contender, Miss Ada MacKenzie, of Toronto, was eliminated this afternoon by the former Miss Alexa Stirling, Mrs. Fraser stopped the steady progress of the Canadian girl towards her second Canadian open title by the score of five and three.

Miss Helen Paget, of Ottawa, who eliminated Miss Glenna Collett, leader in the qualifying round, and the favorite yesterday bowed to Miss Stiefel today at the 18th. Miss Paget put up a valiant fight against Miss Stiefel, but the latter had an edge with her wooden clubs and Miss Paget's short game was not functioning as well as in her sensational win over Miss Collett.

W. Smith Defeats Baldock Of Britain

LONDON, Oct. 7.—While Smith, undefeated South African 120-pound champion, defeated Tommy Baldock of England in a 15-round fight at Albert Hall tonight. Smith won on points.

Smith's victory was a disappointment for British fans, but even in the early rounds, though the fighting was fairly even, Smith gave indications of being the better man.

Both fought savagely in the ninth and tenth and Baldock had the better of the eleventh, when he severely punished the South African. Baldock began, but Smith was full of fight and the result was no longer in doubt. Smith had all the better of the two concluding rounds, Baldock being unable to avoid punishment.
