5,000 attend Funeral of Former Pianist

NEW YORK, July 3-(AP)-A solemn pontifical mass of requiem, sung in the music he loved and attended by almost 5,000 men, women and children from all faiths, occupations and walks of life, was said today over the mortal remains of Ignace Jan Paderewski, famed pianist and former Premier of Poland. People from many lands watched as Archbishop Francis J. Spellman and high church dignitaries performed the ancient obsequies. "This is not a day of sadness," the Archbishop said. "It is a day of triumph and rejoicing, because the inspiration of his life and his character will remain with us. Paderewski stood and still stands against the increasing advances of greed and bloodshed and enslavement of mankind. This man will plead once more in heaven for freedom for his beloved country and freedom for the world." The body will be interred at Arlington National Cemetery, Washington, until such time as it may be removed to his native land.

Salvage campaign in military camps

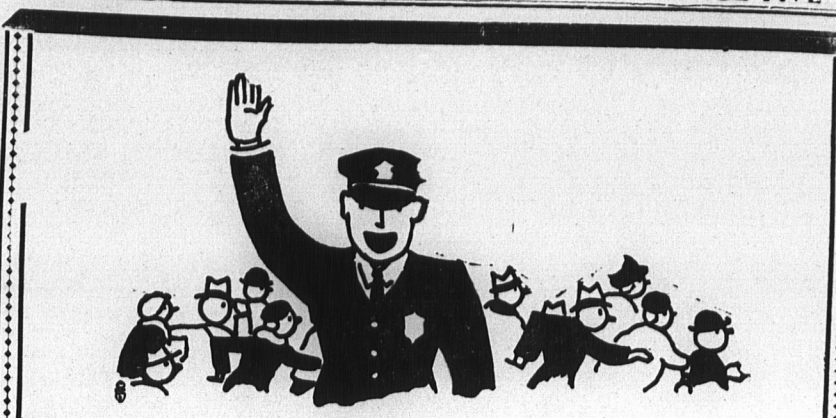

OTTAWA, July 3-(CP)-Officers in military camps in Canada are active in a continuous salvage campaign which assists the Dominion's war effort, national defence headquarters said today. Col. H. O. Lawson, director of supply and transport, outlined regulations which must be observed in the disposal of by-products from the kitchens of military establishments throughout the Dominion. "District catering and messing officers, in addition to their normal duties, work in close co-operation with their respective district supply and transport officers in the prevention of waste in kitchens, finding markets and prospective buyers for surplus by-products, waste paper and all types of salvageable food containers and ensuring that the regulations in regard to salvage are adhered to," Col. Lawson said.
