THE "FLU" Dare Not Return

The "Flu" will certainly get a warm reception this winter if it dares show its ugly head in our peaceful midst, for the people are confident now that they can deal it such a crushing blow it will never survive. In every village, town and city in Canada, families are fortifying themselves with the greatest "Flu" ammunition known to science—Buckley's Bronchitis Mixture. Colds, coughs, etc.—the advance guards of Flu—are met with withering fire, and relief from these troubles is sure every time. One hundred thousand Canadians are only too willing to testify to the great healing power this remedy contains. It has conquered coughs of 35 years' standing. It cannot fail to do for you what it has done for others. You have everything to gain and nothing to lose, as it is sold under a money-back guarantee to banish coughs, colds, bronchitis, bronchial asthma and prevent you from getting the "Flu." It is not a syrup, but a scientific mixture, 20 times stronger than any other cough cure. One dose gives instant relief. Price, 75 cents. Take no substitute. None genuine without my signature. Ask your druggist or by mail from W. K. BUCKLEY, LIMITED, MUTUAL ST., TORONTO.

Edmonton Welcomes Archbishop O'Leary

Continued from Page One

length to the graceful and courteous reception accorded to the arch episcopal party on Tuesday by the Mayor of the City, and he said, "If this courtesy was more widely extended in the Dominion our country would be much better and a more cheerful country to live in." In his own name and in the name of the distinguished visitors present, he offered thanks for the kind hospitality extended to the visitors and said that "Though I have seen many receptions to archbishops in this country, I have never seen one more cordial or whole hearted than the reception accorded today."

The next toast was "Our Province," proposed by Hon. J. L. Cote, provincial secretary. This toast, to which the assembly rose and sang "O Canada," was responded to by Bishop McNally, who referred to his seven years' residence in the province and spoke of his knowledge of the natural wealth of it and the newness of the new Archbishop to Edmonton. Calling attention to the youth of the Archbishop O'Leary, he evoked much merriment by a passing remark that he "knew the short and long catechisms before Archbishop O'Leary was born." His Lordship spoke at considerable length on the early days of the pioneer. Catholic missionaries in the old northwest territories, and also of some of the present day difficulties confronting the Catholic church.

Catholic Education.

The next toast on the list, "Catholic Education," was proposed by Mr. W. A. Wells and responded to by Archbishop Mathieu, who spoke in French only.

The next toast, to "Our Guest," was proposed by Dr. J. E. Amyot, in French and Mr. P. M. Dunne in English, and responded to by Archbishop O'Leary. Upon His Grace the Archbishop rising, everyone in the room spontaneously rose to greet the guest, who was received with hearty cheer upon cheer and tumultous applause.

An Orator Archbishop.

His Grace, who is a brilliant orator, replied in French first to the toast and then spoke in English. In a good voice, every word clearly audible in all corners of the large room and corridors contiguous, which were crowded with spectators who were unable to gain admission to the banquet room, his grace the Archbishop expressed from his very heart his most sincere gratitude for the magnificent receptions accorded him on his arrival in the city on Tuesday afternoon as well as the tremendously cordial receptions he received on Wednesday morning and again on Wednesday night at the Macdonald. He had every reason to be proud of the spirit shown to exist among the people in this city," and by such spirit are we serving the heart of our Lord and Master. In conclusion his grace said "We are here together to uphold the standard of Catholicity and in so doing we will accomplish something for God and for our faith."

The last toast, on our program, "Our Catholic Women," was proposed by Rev. Father Duchaussois, and was responded to most eloquently by Mrs. Edward Underwood, who expressed the great privilege she was honord with in wishing to His Grace in the name of the Catholic women a welcome to the archdiocese.

Mrs. Underwood, in a very stirring address, asked "Are we doing all we might do for our children in these days of immorality, cabarets, dances, picture shows, etc., and spoke at length on the subject.

Mrs. Underwood dwelt at some length on the matter of a Catholic university for Catholic children, pointing out that the original plans of the University of Alberta calls for such a building and she appealed strongly to those present to take this matter up without delay.

Archbishop Sinnott and Bishop McNally shortly after 11 p. m. begged to be excused as their itinerary called for their departure by the midnight train for Calgary. Their Lordships reluctantly took their farewells of the assemblage, carrying with them expressions of appreciation and good wishes from all present.

The evening's festivities came to a close at midnight, when all rose and sang "O Canada."
