George Ralph is Highly Elated

Expresses Gratitude To Tanlac For Ending Stomach Trouble and Indigestion of Ten Years Standing.

"Tanlac not only stopped my stomach trouble, but it built me up ten pounds and I am one of its firmest friends from now on," was the empatic statement of George H. Ralph, 1339 16th Ave., W. Calgary, Alberta. Mr. Ralph is in the trucking business and is well known.

"For ten years," he said, "I suffered from stomach trouble and indigestion. I had no appetite and just had to force myself to eat, even then I would bloat up with gas, and there was a heavy, distressing feeling in the pit of my stomach that was awful. I had splitting headaches, lost weight and was so nervous and run down I could hardly get any sleep at nights.

"It's all over now, though, thanks to Tanlac. I never have indigestion, my appetite is a wonder, nerves steady, sleep like a top and feel fine all over. Tanlac is mighty fine and I gladly recommend it."

BATHURST, N. B., Jan. 22. —The Bathurst hockey team registered its fifth victory in the Northern section of the N.B. and P.E I. hockey league schedule by defeating Chatham to the tune of 6 to 1.

Sussex Defeated Marysville

FREDERICTON, Jan. 19—Sussex made the clean-up of their swing around the western section of the New Brunswick and P.E.I. Hockey League complete tonight by winning from Marysville by a score of 5-4, their third successive win in as many nights. While the Sussex team appeared to have something o team appeared to have something on their opponents about all the time, the Dairy Kings lacked some of the vigor and snap in their play as compared with last night, but they managed to keep in the lead all the time and seldom if ever seemed in danger of losing. John LeClair, after failing to show his best from last night, was going great guns tonight and his improved play figured prominently in the Sussex victory.

Minards liniment relieves neuralgia

The Technical School

During the past week the students attending the Agricultural and Technical School have had the privilege of hearing a number of addresses and demonstrations from outside lecturers. Owing to the storm several of the staff of the Dominion Live Stock Branch and others, who otherwise would have been attending short courses in various sections of the Province, were good enough to give some most interesting information to the students.

Mr. Peterson gave an address on the Bacon Industry, illustrating it with a demonstration of the different grades of bacon and tracing the product from the farm to the consumer, laying particular emphasis on the type of hog that would produce the desired quality of Wiltshire side for the British market. Mr. Clark, a poultry farmer of note from Ontario, gave a very interesting lecture on the culling of poultry, demonstrating with live birds how to pick the non-layers from the flock. Mr. Thompson of the Sheep and Goat Division gave a series of lectures on the Marketing and Manufacture of wool outlining the processes which it passed through from the time of shearing until it was converted into the finished product.

A special class was arranged for judging sheep and this was followed by a demonstration in shearing by Mr. Peterson, and then a demonstration in the killing and dressing of mutton by Mr Godkin of the firm of Davis and Fraser. The students are keenly interested in these practical demonstrations and their value is greatly appreciated by those connected with the school. Not only are these men interesting lecturers and demonstrators but each is a specialist in his own line and they handle their subjects as they effect present day conditions. We trust that before the close of the year more of these demonstrations can be arranged.

Windsor Won in Overtime

WOLFVILLE, N.S., Jan. 19—Windsor defeated Wolfville here tonight in a close overtime game of hockey before a large number of spectators, by the score of 6—5.

The game was fast and both sides played excellent hockey. This win puts Windsor ahead in the Valley League, with Wolfville second.

The stars were the Kennedy brothers for Wolfville, and S. McDonald and J. McDonald for Windsor, through all players played well

The game opened with hard playing, a fine rush by Selven characterizing it. However, J. McDonald shot the first goal for Windsor, and soon afterward the Kennedy brothers put in a score which was not counted on account of an off-side play. Some more close playing ensued, and once more Windsor netted a goal, which was soon followed by a third. Once again the playing continued in a fast manner, and the period ended with the score 3—0.

The second period opened with a rush by Wolfville, which resulded in a score for them. In the hard playing which followed, Eagles played well in the nets, stopped some very hard ones. On a pass from W. Kennedy, G. Kennedy scored the second for his side, and soon after W. Kennedy tied the score and the period ended with the score 3—3.

In the third period Smith was peppered hard, but W. Kennedy brought the pill out from behind the nets and scored. This was soon followed by a score for Windsor. The playing from then on was fast but neither side could score again and the period ended with a score of 4—4.

The line-up:

..Windsor—Goal, Smith; defense, McCann S. McDonald; forwards, J. McDonald, Mosher, Poole; subs, Clarke, Hughes, Cochrane.

..Wolfville—Gold, Eagles; defense, Scriven, Harvey; forwards, Hirtle, W. Kennedy, G. Kennedy; subs, Clarke, Rand, Woodman.

Charles Gorman Defeated Jewtraw

PLATTSBURG, N. Y., Jan.—19—Charles Gorman, of St. John, N. B., broke Jewtraw's phenomenal string of first places in the Adirondack Golden Cup races in this city today and snatched victory away from the Lake Paleid marvel by a margin of about eight inches. Neither of the men trusted the other, and the terrible pace was set from the crack of the pistol. Gorman took the lead almost before half a lap had been skated and maintained this against Jewtraw's most desperate effort until the tape was crossed.
