CORRESPONDENCE ON ALLEGED FOX EMBARGO

Premier Arsenault has been in communication with the Health of Animals Department at Ottawa with reference to the alleged embargo on the importation of Prince Edward Island foxes to the United States. The following letter, received a day or two ago, explains itself and will be of interest, and benefit to foxmen: Ottawa, November 2, 1918 Hon. A. E. Arsenault, Sir.

Charlottetown, P. E. Island. With further reference to your telegram of the 1st. instant, in connection with the information you have received that the United States Government has placed a temporary embargo on the importation of foxes from Prince Edward Island, I would say that in accordance with my telegraphic reply of today an enquiry has been made by that Government quite recently. I informed them that this Department had made an invest-

igation and was unable to detect any contagious form of disease among the affected animals.

I am not, however, at all surprised the fox breeders in the United States should feel alarmed in view of the attitude and publicity which was given to the fatalities among foxes by your own people. It is always a very doubtful attitude to adopt as reports become exaggerated, and as a matter of self protection a foreign government is bound to pass restrictive measures until they ascertain whether or not there is danger.

I do not think the American Government has actually placed an embargo against your foxes. It is usual for them to notify this office of any restrictions against live stock from Canada. No such information has been received, but it might be well for you to advise those interested in the fox industry on the Island that they had better exercise caution in future, as otherwise they will be jeopardising their own interests.

I have the honour to be Your obedient servant, F. Torrance, Veterinary Director General.

The Little Things That Count

The appeal for Canada's 1918 Victory Loan is sounding in your ears today. It gives you cause to think. You will think of the sacrifices made by those who have fought for Victory. You will think of how little has been asked of you, who have stayed at

home. You will think that now you have the chance to strike a blow for Victory and you will quickly seize it. You will be right in thus thinking. But there are some other little things of which you must also think. Very little some of them are, but they mean the world to you, don't they? —the little toddlers who creep about your knees, who steal your heart away.

Yes, you must think of your children when you think of the Victory Loan and what you are going to do about it. You want the world they will grow up in to be a clean world, a splendid world, a world where war shall be no more. Every dollar you put into Victory Bonds will help to make a world like that.

The more we think of the children the less wrong we are apt to do, the less wrong we are apt to go. Make Victory safe, make the world safe—sure and sure for them. Lend to your utmost limit.

IN MEMORIAM WILLIE WAITE

Death in all its sadness came to the home of Mr. and Mrs. W. B.

Waite, of Little Tignish, on Saturday Oct. the 13th. Willie Waite was called away after a brief illness of two months. Willie was a bright, loving boy and had hosts of friends who will sincerely mourn his death at the early age of 10 years. He leaves to mourn his father and mother, two sisters Annie and Edna, also a little brother Benjamin two months old.

MISS EVELYN ROSS

The sad message was received at the home of Mr. and Mrs. Albert A. Ross, Vernon River, on Oct. 28th, announcing the death of their eldest daughter, Evelyn, at the early age of twenty-five, who died at the home of her uncle in Somerville, Mass. of influenza which developed into pneumonia. She contracted the disease while waiting on a patient in the hospital. All that kind care and medical skill was done, but it could not stay the hand of death and her spirited passed to God who gave it.

Deceased left her Island home four years ago and after graduating as a trained nurse from the Boston State Hospital, took a Post Graduate Course in the Boston City Hospital and was just entering on her life work, which she loved dearly when God called her home. She was laid

to rest on October 20th in Medway cemetery.

She leaves to mourn besides a sorrowing father and mother, two brothers, Wesley in the American Army, France, Milton in New Glasgow, N. S., and one sister Myrtle at home. (Patriot please copy.)

MRS. JOSEPH REEVES

On Wednesday, the 30th of Oct. Mrs. Joseph Reeves, of Upper Freetown, in the 51st year of her age, entered into rest, after almost a year of physical and mental suffering. She leaves to mourn besides her husband, three daughters: Mrs. Martha and Annie at home, and six sons, Joseph S. residing at Kelvin, Eastace with the Canadian forces in France, John, William, George and Edgar at home. One little boy Keir predeceased her nine years ago.

Mrs. Reeves was formerly Miss Millicent Somers. Two sisters and five brothers survive her. The sisters are Mrs. George Shaw, St. Eleanors, and Mrs. Gordon Ramsay, Mt. Pleasant, and the brothers are William, at the front in France, George in New York, James in Spain, Archie, a prisoner in Germany, and Gordon in Washington.

Steady On— CANADA! THE GREAT DAY IS AT HAND

Behind Canada lies fifty months of blood and anguish, months of the fires of trial and of sacrifice—of glorious, triumphant battling against the hosts of evil.

And in the surging Joy of today will come to us the sobering sense of duty yet to be performed.

Canada's part in the finish of the war must be as well done as was her part of fighting and winning it.

Canada's great duty to her living and her dead must be met with the same manliness, seriousness and determination which have won for her the respect and admiration of the world in waging the war.

Canada's Victory Loan, 1918, must be over-subscribed—that Canada may discharge, in peace, the great responsibilities which the war thrust upon her willing shoulders.

Canadians, let us with devoutly thankful hearts, and in proud consciousness of duty well done, proceed with our great—
