A cough medicine over sixty years old

This must mean merit, solid, genuine merit. It certainly must be true that Ayer's Cherry Pectoral cures coughs, colds, croup, bronchitis, asthma. Ask your own doctor to explain why it strengthens weak throats and heals inflamed lungs. J. C. Ayer Co., Lowell, Mass.

THE GUARDIAN LOCAL NEWS

Reporters and Correspondents Everywhere.

JAS. KELLY & Co's cigar ad is reproduced in the last issue of the Retailer & Advertiser.

ADVERTISERS are again reminded that all "changes' should be in this office not later than one p. m. to insure insertion, for following issue

THE literary and debating club of Darnley is progressing favorably. The president is Mr. Doyle and the secretary Charles Hynes to whom much of the credit is due.

THE Decisive Moment, is the title of a very handsome calendar just received from S. B. Miller & Co, No. 7, Fulton Market, New York, wholesale commission dealers in all kinds of fresh and salt water fish.

THE Guardian has received from A. F. Rich & Co., wholesale merchants and commission dealers in fresh fish, 137 Wharf, Boston Mass., an artistic calendar representing a large ship in full sail "homeward bound".

THE members of Sentinal Lodge No 206 L. T. B. A. have passed a letter of condolence to Sister Mattie Bethune on the death of her step mother. The letter was signed by Jno. Buchanan, Hugh McLure and Edith E. McLeod, Rose Valley.

ONE of the most artistic calendars of the season is that from the I. C. R., Moncton. It is on stiff cardboard, and has prominently displayed the familiar moose-head with brass medallion on back ground of bird's eye maple. It is certainly a most attractive and desirable calendar.

ROD and Gun—Christmas Number—has two splendid articles from Island pens. "Our Forestry Exhibit" by Rev. Father Burke deals with the Canadian show of native woods at St. Louis and is accompanied by a fine engraving of same. "An Invasion of the Camp" is written by Katherine Hughes, one of the cleverest of Canadian composers, now employed on the Daily Star, Montreal, as a contributor to the editorial page. Miss Hughes is a daughter of J. W. Hughes, formerly of Emerald and her mother is a sister of Archbishop O'Brien of Halifax.

AT the last meeting of Alpha Rebekah Lodge, No. 10, I. O. O. F. the following officers were installed for the ensuing term by D. D; L M Beers, assisted by P. G. D Morrison and F C Batt, P. N. G, Mrs P Bridges, Mrs H Lapthorn and Mrs N Younker. Following are the list of officers: N G. M Essery; V G, Mrs F C Batt; R Sec. B McKinnon; Fin Sec, L M Beers; Treas, P Brydges. Chap, F Winchester; Cond, L McDonald; Ward, D D Morrison; O G., F C Batt; I G, J McLaughlin: R S N G, Mrs H Lapthorn; L S N G, N Warren; R S V G, Mrs N Younker, L S V G, Mrs P Prydges, P N G, Mrs Purdy Mills.

"Dust to dust, earth to earth, ashes to ashes," were the words uttered on the first day of this New Year, over all that was mortal of the late John D. MacLeod, engineer of the S. S. Northumberland. Mr. MacLeod was a model citizen, highly respected and esteemed as was evidenced by the very large concourse of citizens who attended his funeral—a loving husband, an affectionate father, a good neighbor, and a modest Christian gentleman. In this connection Mrs. MacLeod and family desire through the columns of The Guardian to thank the Independent Order of Oddfellows, the Independent Order of Foresters, the Steam Navigation Company, the P. E. I. Hospital, the Y. P. S. C. E. of Zion Church, and many other kind friends for their many acts of kindness to them personally and also to Mr. MacLeod during his illness.

THE Springhill N. S. stables have traded Park Campbello, 2.18½ with J. A. Ramsay, Summerside, for the three year-old colt Golden Arrow, which they have re-named Gold Brick. He is by Parkside, dam Game, by Hernando; second dam by All Right. This mare is a great producer of speed, having had 10 foals in all, including Parkland, Parkdale, Ada Mac, Parkland, Golden Arrow and others. Gold Brick as he will now be called, is a full brother of Ada Mac and Parkland, and Mr. Ramsay who has handled Park Campbello and Ada Mac thinks Gold Brick shows so much speed that he will be very fast when developed. Mr. Cowans has not yet decided to purchase a fast one to replace Helen R. for the free-for-all next season, as it is understood that he rather favors developing one, and expects to do so either from his present stables or receive a green one which might be so developed.

There is nothing makes a person feel more miserable than La Grippe. If taken in time by the aid of our La Grippe Wafers it is only the matter of a few hours till it is completely under control. If let take its course there is no telling how it will end. So act accordingly, only 25 cts box—A W. Reddin Phm B.

THE Royal Canadian Yacht Club fleet of Toronto has lost another fine yacht in H. C. McLeod, of the Bank of Nova Scotia, disposing of his first-class cutter Gloria to Halifax men. The Gloria was a Payne boat. She was built in England and before her advent here won Coup de France, the emblem of supremacy of the Mediterranean. She was the fastest boat in the R. C. Y. C. fleet, but was debarred from racing in Ontario waters by scantling measurements.

AT the annual meeting of Lots 29 and 30 Institute held in Crapaud Hall there was a fairly good attendance. The president Matthew Smith M. L.A. opened the meeting with a lengthy address on the general working of the Institute. The Sec'y, James W. Villet, read his report showing the finances of Institute to be in a fair condition. There will be several meetings held by this Society during the year, time and places to be agreed upon later. This Institute also intends purchasing one or two more pure bred animals in the Spring as some of their stock is getting old and will have to be disposed of. The following officers were duly elected for year 1905: President, Matthew Smith (re-elected); Vice President, Crisp Moore; Sec. and Treasurer, Jas. W. Villett (re-elected). Directors, Warren Newsom, Thomas Kelly, James McKay, James McPhail, Alfred Cameron, Cyrus Crosby, Alfred Canfield, Malcolm Ferguson, John McKinnon. Auditor, John Moore.

POWNAL SCHOOL Christmas tree and entertainment was most enjoyable and pleasing in every respect. The large school room was crowded to the doors, and a happier, jollier, good looking company of men and women, young men, young ladies and children it would be hard to find anywhere. All praise is due Miss Linda Smith, to whose energy was due the inception of the Xmas tree and entertainment, and to her ability in training the children in the different selections. Each number of the lengthy program was rendered in a pleasing and efficient manner. Little Evelyn Acorn's reciting was splendid and she promptly responded to an encore. Miss Lillian Jenkins piece was well spoken and acted (her first attempt). Miss Katie Moore's solo with chorus and Miss Lizzie Praugth's solo were delightful to listen to and received merited applause. The opening piece, an organ solo by Miss Della Horn, was nicely played. But the play entitled "Old Folks Entertainment" in which ten or twelve children took part brought down the house. A. A. Moore presided in his usual able and efficient manner. The Xmas tree was a beautiful creation and its spacious branches were bent to the floor under the load of Xmas fruit among which was a present for each pupil from the teacher Miss Drake.

Dying of Weakness—Given Up by Doctors as an Incurable and Hopeless Wreck.

FERROZONE

SAVED HIS LIFE!

After reading the following letter from Mr. H. A. Thurston, of 228 Vermont street east, Indianapolis, Ind., no one will ever doubt the merit of Ferrozone;

"A year ago I took the grippe.
"I was as weak as a child.
"I was no longer able to eat.
"My blood was thin. My cheeks were white and hollow.
"Doctors gave me all kinds of medicine, but none of them brought me strength.
"My friends said I was wasting away with some slow disease, and I bid them good-bye.
"Then I heard of the wonderful Ferrozone.
"After three days it gave me an appetite. I gained strength and became cheerful. Under Ferrozone I improved steadily. I am well today. I weigh fifteen pounds heavier than ever before, and feel like a new man.

(Signed) "H. A. Thurston."

The secret of growing strong is solved by Ferrozone. It supplies actual nourishment. It braces you up quick, supplies new energy, bring back the snap and fire of youth.
