

fastertat

PROTEIN IN WHITE FISH MEAL

There are few feeding stuffs, if any, that are richer in protein than Fish Meal. The content of this flesh forming constituent in Fastertat White Fish Meal being guaranteed at a minimum of 70 per cent, it follows that relatively small amounts of this product are able to satisfy the protein requirements of farm animals. The protein of Fish Meal, moreover, is of an exceedingly digestible character.

In the evening the service will take the form of a Thanksgiving for blessings that the year has brought.

IN MEMORIAM

MRS. EDWARD KERWIN

On Monday morning, September 21st at 11.30 o'clock Mrs. Edward Kerwin passed peacefully into rest at her home in Cambridge Road. Mrs. Kerwin whose maiden name was Lucy Fisher was born at Cambridge Road, November 25th, 1867. About five months before her loved ones were told by her doctor that she was suffering from that dread disease cancer, and that she would only have a short time to live.

But day after day and week after week went by. It was plainly seen that God had other plans for her and that she was to be spared for one last happy and beautiful summer with her family. She was able to be up every day and help with the household duties. It was not until three weeks before that she was forced to take to her bed for the last time. It was soon understood by her loved ones that she was rapidly failing. On one occasion she expressed that she was ready for the call of her Master whenever it should be His Will to gather her into His Eternal Home. It was a real opportunity for her that she was able to have home with her this summer, her oldest son who had not been home for twelve years and also a daughter who cared for her until about two weeks previous to her death, when she had gone home not knowing the death of her mother was so near. She was lovingly nursed through her last illness by her other daughters and members of the family.

There are left to mourn her departure a devoted husband, two sisters Mary Mrs. Elias Acorn, Cambridge Road; Ellen, Mrs. Hudson Llewellyn, Pembroke; two sons James, The Pas, Manitoba; Clyde, at home and four daughters Louisa, Mrs. Harry Johnston, Peter's Road; Dimpie, Mrs. Newton Hicken, Murray Harbour North; Mable, Mrs. Harold Graham, Somerville, Mass.; Violet of Belle River. There are also two sons and an infant daughter (deceased).

The community has suffered a real loss in the passing of a highly respected and greatly beloved citizen. The husband has been bereaved of his life's companion and a home has lost its heart, its mother. She was a godly mother. It was always a pleasure to visit her for no matter how she felt she always had a smile of welcome to her callers.

The exceptionally large crowd of relatives and friends assembled at the home on Wednesday afternoon, September 23rd to pay their last respects to one who was a real friend in time of need.

The funeral services were conducted by Rev. J. H. Douglas, pastor who basing his text on St. John 3-3 spoke most fittingly on the solemn occasion.

The following hymns sung by the choir: "The Lord's My Shepherd", "Asleep In Jesus", "Sun of My Soul"

Interment took place at the Murray Harbour North Cemetery. The pall bearers were: Oswald Graham, Andrew Graham, Albert MacLeod, Otto Irving, Samuel Irving. Beautiful floral tributes were given in token of love and esteem. To the bereaved husband and family the deep sympathy of the community is extended.

Not till the loom is silent,
And the shuttles cease to fly,
Shall God unroll the canvas
And explain the reason why.
The dark threads are so useful
In the weavers skillful hand
As the threads of Gold and Silver
In the pattern He has planned.

Scout News and Notices

BROTHER SCOUTS—The Wolf Cubs of 2nd Charlottetown (St. Peter's) have changed their night of meeting from Wednesday to Monday. Assistant Provincial Commissioner George Brady, who was a very welcome visitor at last Monday's meeting, presented some badges and prizes which had been won last year. Each Wolf Cub took his staff to this meeting, and Mr. Brady kindly acted as examiner of the carving. First prize, for the best carved staff, goes to Ronnie McLean, with Victor Meek a very close second. The Wolf Cubs will soon be starting work on a Totem Pole which they plan on placing at their Pack Headquarters. It is expected that every Cub enrolled will have his First Star before Christmas. The acting Sixers for this Pack are—Jack Morris, Henry McLean, Bill Sherrin and George Worth. The Old Wolves are—Akela Miss Dorothy Reay, Ballo, Miss Ruth Vinnacombe and Baghera—Miss L. McLean. Weather permitting, the Cubs have planned a clam bake for this Saturday afternoon. Cubs who do not like clams will have to take their own food along with them.

The general committee for the Annual Boy Scout Apple Day is meeting this Saturday afternoon.

An enthusiastic meeting of 7th Charlottetown (St. Paul's) troop was held in the Parish Hall last Monday night. Field Commissioner Ed. Mitchell addressed the meeting, outlining ways of building up a bigger and better organization. A Rover Crew is in process of formation.

Have you started to decorate your basket yet?
The Annual Boy Scout Apple Day is an opportunity for every citizen to help the Boy Scout Movement in his own province, in an easy and pleasant manner.

The Wolf Cubs of 7th Charlottetown (St. Paul's) are having an observation hike this, Saturday morning.
1st Charlottetown (Basilea) hike, under sealed orders, to the Gravel Pit near St. Dunstan's University on Saturday last. Scoutmaster Earl Norrie in charge, practised signalling followed by Scouting games. During the hike Scout Henry Doucette distinguished himself by vaulting wire fences, using his Scout Staff.

Recent visitors at Provincial Headquarters were Rev. W. J. Phillips, Scoutmaster 1st. Alberton, Mr. W. S. McLaughlin, Montague and Mr. A. R. Brennan, Summerside.

Our Mr. Mitchell attended a Scout meeting at Summerside on the 2nd instant. Matters of importance to Scouting were dealt with. Mr. J. Frank Aitett was in the chair. Asst. Scoutmaster Robert Mollison was appointed Scoutmaster of the 1st Summerside troop in place of Mr. E. J. Hallett who is taking over the position of Chairman of the Badge Board for Prince County. Mr. Leo Wedge is the new Scoutmaster of 2nd Summerside troops (St. Paul's).

Mr. Mitchell visited Kensington recently and found Scouting flourishing. The leaders are Rev. B. Fream, Rev. Mr. Saller.

We welcome to our brotherhood Mr. and Mrs. Gordon R. Starratt. Mr. Starratt has taken on the job of Scoutmaster and Mrs. Starratt is Cubmaster of 4th Charlottetown (Baptist).

A typical Rover meeting was held in the Den on Tuesday evening last. Plans were laid for the winter.

Crypt Extensions To Famous Church

Coffins and human bones hundreds of years old will be removed from vaults underneath St. Martin-in-the-Fields, celebrated old Church in Trafalgar Square, London, when work begins this month (October) on new extensions to the Crypt.

The extensions have been made imperative by the ever increasing call for Church social welfare service—a system of charity and help with such wide ramifications that it is famed throughout the world. This service not only offers homeless men and women beds and shelter for the night, but it afterwards takes care of them, builds them up again, and even finds them jobs. As many as 55,000 men have been given shelter at St. Martin's during a single year.

Thousands of Canadian war veterans who enjoyed the hospitality of the St. Martin's Fellowship Rooms when the Vimy Memorial was unveiled recently, visited the Crypt and were able to see for themselves how this great social welfare service is conducted.

At present, men and women are interviewed and, in many cases, accommodated for the night in two separate Crypts under the Church. But heavy demands for shelter and help have decided the Church authorities to extend that accommodation by utilising the only available space, that now occupied by vaults under the East end of the Church. These vaults have been sealed up since 1859, in which year they were opened for the re-interment of centuries-old coffins and bones from another part of the Church.

Work will begin on the new extensions at the end of October. The walls of the vaults will be demolished and the coffins and bones transferred at midnight to consecrated ground on the outskirts of London, where they will be re-interred. In place of the catacomb of vaults there will spring up two or three bright new rooms which will then be available for welfare work, and in which homeless strangers to London can obtain sanctuary.

PAT MCCORMICK'S WORLD APPEAL

The Rev. Pat McCormick, Vicar of St. Martin's, has just opened a Million Shilling Appeal Fund, to raise the necessary funds for the extensions. In an interview in London, he stated: "This extra space will mean that we can give help to thousands more unfortunate people every year. Probably more important is the fact that we shall have properly equipped quarters for our social welfare work. It is no use giving people a roof for the night without trying to help them spiritually and mentally. They want building up again, advising, and perhaps placing in jobs. That is what we are out to do. In one week

—GREY WOLF

Each Case Different From Others

Errors of vision are in endless variety. Some are slight—others excessive. Between are innumerable cases—each unlike any of the others. Each requiring individual attention. An important truth is that no error should be neglected. Have an examination, determine the facts.
