Suffragettes Make Attack On Ministers and Appeal to Queen.

(Canadian Press.) CARDIFF, June 26—King George and Queen Mary, who are making a tour of South Wales, were brought face to face with suffragette militancy this afternoon when a suffragette broke through the police and sprang at R. McKenna, cabinet minister, in attendance to their Majesties. The King and Queen were proceeding to the cathedral at Dandoif when a woman named Helen Craig, a militant, made threats against the ministers who were enjoying a tour of the country while women were starving in prison. She hurled herself upon the Home Secretary at the same time as an attack was made on Mr. McKenna and shouted an appeal to the Queen to help the suffragettes. The woman was promptly dragged away by the police and lodged in jail.

(Canadian Press.) LONDON, June 26—The Canadian Olympic team is training hard at Crystal Palace. The negro athlete, J. A. Howard, of the Winnipeg College, has been dismissed from the team on charges of insubordination. Critics here had picked him to win the 200 metres sprint at Stockholm.

TEDDY ROOSEVELT'S PROGRESSIVE PARTY

(Canadian Press.) OYSTER BAY, June 26—Offers of assistance in the formation of the new progressive party are reaching Col Roosevelt by mail and telegraph, he said today, at such a rate that he will be unable to acknowledge the most of them for some time. When he reached home from Chicago he found hundreds of telegrams awaiting him and today they continued to come in. The colonel said there would be no formal political conference until the meeting in New York of the temporary committee on organization which will issue a call for a national convention. Meanwhile he is keeping in close touch with the Baltimore conference, the outcome of which is important.

Orators Diffuse Views— Trouble With Committees—Delegates Seated.

(Canadian Press.) BALTIMORE, June 26—With nominations due to be made tomorrow the situation in the Democratic national convention with respect to the Presidential candidate was as complex and uncertain tonight as at any time since the delegates began to pour in. There was much talk of subsidence of the Cham Clark wave which reached a crest last night but the speaker's campaign managers were not willing to admit there had been any wavering in forces. Adherents of Woodrow Wilson tonight claimed their candidates had made distinct gains during the day. The outstanding fact in the situation seemed the absolute impossibility of any candidate having a sufficient number of votes on the first ballot to nominate. Friends of Mr. Bryan practically ceased to boom him as a presidential candidate today though they were reported alert to take advantage of any psychological moments which might happen along.

PENNSYLVANIA R. R. STRIKE IS PROBABLE

(Canadian Press.) PHILADELPHIA, June 26—The result of the ballot taken by the employees of the Pennsylvania Railroad on lines east of Pittsburgh Go on lines east of Pittsburgh and Erie on the question of a strike unless their grievances are adjusted was laid before C. Long, General Manager of the Co., today by a committee representing the Brotherhood of Trainmen, Order of Railway Conductors and the Brotherhood of Firemen and Engineers. While the result of the vote has not been made public officials of the labor organizations said this vote had been almost unanimous in favor of a strike. CHAUFFERER IS RESPONSIBLE. MONTREAL, June 26—Camille Gagnier, driver of an automobile which struck and killed three year old Alfred Courchere was found criminally responsible by the coroner's jury today.

NEW RAILWAY REQUESTED FOR SHIPPING COAL

(Canadian Press.) OTTAWA, June 26—President J.H. Plummer of the Dominion Steel Corporation was in Ottawa today interviewing the Minister of Railways regarding the new line from Springhill to Wallace over which coal will be shipped en-route to Montreal. Mr. Plummer stated that at a later date the steel interests would again submit their tariff views to the government but at the present nothing was being done. VICTIM OF SHOOTING DIED YESTERDAY. HALIFAX, June 26—The tragedy enacted at the home of H. Kenneth Lee, near Port William in yesterday's Herald, came to a climax yesterday morning when Mr. Lee succumbed to his wounds and passed away. A dispatch from Wolfville says there is great indignation in the whole countryside that such a thing could happen. Policeman Coleman, of Kentville, took the three Graves brothers—Alfred, Harry and Frederick, who had been arrested, to the jail at the county town, where they are locked up.

Many Independents Are Offering—Contests Promise To Be Keen

(Canadian Press.) REGINA, June 26—The announcement was made today that a third candidate, Nelson Simpson, a prominent grain grower, had entered the contest in Souris riding. Both sides claim that the nomination will help them. Simpson was a former Haultain supporter but on the other hand is a strong reciprocity man. The Liberal nominee is C. R. Forsyth while J. J. Hyslop is the Conservative candidate. In no less than five other seats there are independents in the field although whether they will be nominated on July 4 remains to be seen. In Arm River W. Gibson is running as an Independent Liberal while in Canora, Mike Gohura, a Galician, is in the field as an independent. As there is a large settlement of Galicians in the riding he may poll a heavy vote. In Lloydminster there is a three cornered fight with a grain grower as a third candidate and in Eagle Creek an Independent Liberal has announced himself in the running. In Vonda riding J. Wright is standing as an Independent Liberal but so far no movement has been made.

The occasion of the gathering was, of course, the dominating theme of discussion by the speaker and the host of the evening who has lately succeeded to the command of this fine regiment as well as his popular predecessor, Col. H. M. Davison who was the guest of honor, same in for many commendatory and justly deserved remarks. At the conclusion of the program a pleasant surprise was accorded to Col Davison who was made the recipient of a magnificent gift from his brother officers of the Regiment as a small token of appreciation of his excellent services to the militia and of his kindly consideration of his officers. His expression of the esteemed Colonel's officers took the form of a Long Ross Presentation Rifle, especially built for the recipient according to specifications supplied by one of the city's best authorities on such matters. It is a beauty and has a special sterling silver plate on which is engraved "Presented to Lt-Col H. M. Davison by the Officers of 4th Regiment C. A. 1912."

BRIDGEWATER LOSS. BRIDGEWATER, June 25—The Halifax Herald says in demand here today with its complete account of the heavy fire which destroyed the mills of Boehner Bros., West LaHave. BALTIMORE, June 26—A flood of oratory buried the delegates to the Democratic National convention under rhetorical waves today. The convention marked time through the entire day because the committee on credentials had not prepared its report. The convention adjourned at 2.17 to meet at 8 o'clock tonight and take up the problem of permanent organization, receive the report of the credentials committee and possibly begin the nomination speeches of the presidential candidates. It has been decided at the request of Mr. Bryan to defer the drawing up of a platform until after nomination.

WIVES AND CHILDREN. TORONTO, June 25—J. J. Kelso, superintendent of the provincial department of neglected and dependent children, calls for more stringent legislation for the protection of wives and children from husbands and fathers who desert them. "The section of the criminal code, dealing with this matter is not at all satisfactory," says Mr. Kelso in a report to his ministerial chief, Hon. W. J. Hanna. Mr. Kelso also suggested that state aid be given widows with young children, so that they will not be compelled to seek outside employment and leave the children uncared for. Degregation of feeble minded children is urged. Mr. Kelso says—"My hope is that instead of this class being gathered into large institutions, they will be assembled in small classified groups, and as they grow older, taught some simple industry, whereby they can contribute towards their own maintenance."

RACES AT JOHNSTON'S RIVER.

The horse races at Johnston's River yesterday were attended by a very large gathering. The weather was ideal and the track was in fairly good condition. The management of the races are deserving of commendation for the splendid manner in which the day's program was handled and for the order which prevailed. No intoxicants were on the grounds and there was no evidence whatever of inebriation or rowdiness. They have set a standard in the conducting of such events which well merits imitation. A large number of ladies from Charlottetown and the surrounding vicinity were present and evidently enjoyed to the fullest the splendid sport provided. The dancing booth and the refreshment booth were well patronized. The feature of the afternoon's sport was, of course, the two races, the two forty paces and the three minute class. The latter race was one of the most exciting ever held in Prince Edward Island, each of the four horses winning a first position. The fifth heat and first money was captured by Miss Wrigley. Zealot, owned by M. McKenna, Cherry Valley, won the 2.30 pace in easy style with H. Kelly up. The following is the

Table with race results including names like Zealot, M. McKenna, Cherry Valley, driver Hammond, and various race times and classes.
