Hits Protestant Critics

DR. RICH TELLS INTERCHURCH RALLY PROTESTS ON TAYLOR ARE PETTY.

WORCESTER, Mass., May 20.—It would be "far better for Protestants to keep silent" if the best they have to offer to "a world with its back to the wall" is a resolution criticizing Governmental diplomats before and since Nazi aggression, Dr. R. H. Rich declared in addressing the opening session of the Massachusetts Interchurch Convention.

He told the 1000 delegates that civilization had on its hands a fight between conflicting political ideologies: a fight between "religion and anti-religion—and the German Nazis are the first to admit it."

"To meet the engaging menace," he said, "will require all the unity that the moral forces of mankind can muster. It will require moral unity between Protestants and Catholics."

Certain Protestant organizations seem bent, not on helping that unity but on hindering it. It is estimates on that road it is a safe assumption that, at the end of it, the Protestant Churches deservedly will have lost whatever right they have to speak for the conscience of the nation."

MANSLAUGHTER CHARGE LODGED

DIGBY, N. S., May 22 — (CP)—A manslaughter charge was lodged today against George Morrison, 20-year-old negro of nearby Weymouth, in connection with the death of Malcolm Durning at Weymouth Saturday night.

At Weymouth, a coroner's jury today found Durning died "as the result of a fall resulting from a blow struck by George Morrison." The accused was held in jail here. His preliminary hearing will open Thursday at Weymouth.

Witnesses at the inquest testified Durning was dead when medical help arrived.

Arbor And Empire Day Exercises

PRINCE STREET

This morning the teachers and pupils of Prince Street School will present a program of individual items, dialogues and choruses appropriate to the observance of Arbor and Empire Day. While the significance of Arbor Day will receive due stress, the emphasis at this time naturally falls on the Empire Day phase as the program below indicates.

The program is divided into two parts. The first, or Junior program to comprise the pupils of Grades 1, 2 and 3, will commence at 9:15 sharp; the second, the Intermediate and Senior program, which includes Grades 4 to 10, will begin at 10 o'clock. Both parts will be presented in the Assembly Hall of the school and all parents and friends of the pupils are cordially invited to be present. Chorus singing is under the direction of Miss Lillian MacKenzie.

Following is the program:

PART I

Opening Chorus, "O Canada."
Recitation, "Nature's Children," Lorraine Manson, David Hanson, Eleanor Hayes, Lea Cameron.
Song, "Spring," Grades 1, 2, 3.
Recitation, "Who Likes The Rain," Linda Thompson, Helen Hyde, Marjorie MacLeod, Shirley McInnis, Louis Anderson.
Recitation, "Arbor Day" Dorothy McLeod.
Song, "Lady May," Grades 2 and 3.
Dialogue, "The Departure of the Flowers," Alpha Pennell, Joyce Partridge, Joan Murray, Carl Brown, Audrey Graves, Gloria Hansen, Madeline McLean, Olive Marie Cole, Bea Diamond, Carol Marie Coles.
Recitation, "To Plant a Tree," Andrew Dalzell.
Recitation, "My Part In Arbor Day," Ardeith McLeann.
Song, "April Rain," Grades 2 & 3.
Exercise, "The Wood Goblins," Dorothy Tanton, Melvin Anderson, Morris Jenkins, George Bull.
Song, "Good-bye to Winter," Grades 1, 2, 3.
Recitation, "An Arbor Day Tree," Joan Rosejohn, Doris Clarke, Mary Myers.
Song, "I Had a Little Nut Tree," Grades 1, 2.
Dialogue, "Lovely," Harold Hawkins, Ethelwyn McDonald, Olive Downie, Evelyn McLeod, Elaine Murray.
Song, "Robin Redbreast," Grades 1, 2, 3.
God Save The King

PART II

Opening Chorus, "O Canada."
Address, Col. U.G. Dawson.
Chorus, "Vow To Thee, My Country," Grades 6-10.
Essay, "The King and Queen," Shirley Stacey.
Chorus, "Here's A Health Unto His Majesty," Grades 4 and 5.
Exercise, "Our Flag," Grade 6.
Chorus, "O Come Let Us Adore Thee," Grades 4-6.
Recitation, "England, My England," Alvina Carr.
Chorus, "Grasshopper Green."

TALENTS EARN 700 PER CENT

LONDON, May 22—(CP)—Rev. C. V. Roberts, vicar of St. Philip's Church, Lambeth, wanted to clear of a debt of 1,000 pounds (\$4,500) on the recently built parish hall.

He called a meeting of the parishioners, handed a shilling to each of the 180 men, women and children present, read them the Parable of the Talents, and said: "Go and do likewise."

Now, a month later, all the "talents" totaling 9 pound (40), have been returned, with the addition of 62 pounds (\$274).

"I have not asked how my parishioners invested their shillings," the vicar said, "but an average profit of some 700 per cent is pretty marvellous for a parish such as mine in these days. I imagine a lot of the money must have been earned by cake-making, which drives, dances and similar charitable work."

Crippling Rheumatism

Rheumatism leaves in its train distorted joints, crooked limbs, crippled hands, and the intense pain is almost unendurable.

In the beginning rheumatism is often due to dyspepsia or indigestion, for if the digestive organs did their duty there would be no any poisonous uric acid in the blood to sow the seeds of rheumatism.

Burdock Blood Purifier invigorates the system, and helps to eradicate the uric acid from the blood which is the cause of the inflammation and pain.

Give B.B.R. a chance to help you rid your system of rheumatism.

The T. Mibura Co. Ltd., Toronto, Ont.

Grades 4 & 5.

Chorus, "Spring Prayer," Grades 6-10.
Dialogue, "A Wreath For Britannia," Grades 4 & 5.
Chorus, "The British Navy," Grades 4-10.
Recitation, "The Olden Flag," Bernice Chorus, "Rule Britannia," Grades 5-10.
Remarks by the Chairman, National Anthem.
Chairman, Mr. J.W. Boulter

Chorus, "The Maple Leaf Forever," Grades 7, 8, 9, 10.
The National Anthem

Mr. David Roach who left here some time ago for Halifax, N. S., is reported to be running a mill in the Nova Scotia city. Mr. Roach is a veteran of the last Great War.

Mr. Fred LeBlanc has returned to his home in Dundee after a short stay in Bristol.

The condition of Mr. Walter Ackley remains unchanged at time of writing.

Mr. Charlie Keefe the well-known "Knight of the Road" passed through here last week, eastbound. Mr. Keefe spurns the offer of a ride.

Mrs. Ernest Rossiter, Mrs. John F. McInnis were visitors to the City last week on business.

Mr. Vernon Anderson has purchased a tractor. Mr. R. F. McDonald is also getting a tractor ready. Farmers seem to think the horse age is passed on the farm, while in the West the horse is coming back.

It is understood the new lobster factory here has passed the inspectors test, also the pack. Owing to the Government taking over the pack the inspectors are very strict. The factory foreman says that today's things are changed on a large scale since his first term as foreman twenty years ago. Every thing must be first class now, the pack under strict watch with skilled help.

The road east of St. Peter's, on the north side, is reported today in a bad state for travelling. The road is being widened and the heavy rain has left the wells very muddy and deep.

EXCHANGE TO CLOSE

TORONTO, May 21—(CP)—Stock and commodity markets throughout Canada, including the Toronto and Montreal Stock Exchanges and the Winnipeg Grain Exchange, will close on Friday, May 24, Empire Day. The exchanges will hold their usual morning sessions on Saturday, May 25.

LONDON —(CP)—After his exhibition match at West Herts Golf Club, Henry Cotton, the peck known, bought a lamp and two sucking pigs, auctioned for the Red Cross.

Bristol And Vicinity

The heavy rain over the week-end has started the grass wet on its way that it will in a short time be waving hay fields.

The Bristol Y.P.S. presented their play Correspondence, Courtship in Morell Hall on Friday night to a fair crowd despite the wet night. The parts were well played and this news writer extends a hearty hand to the cast and director for their efforts. The play is to be presented in several other halls. The music was furnished by the Bristol orchestra under the direction of Ralph McEwen.

Herring remain very scarce here and fishermen and lobster packers are forced to buy herring for bait. This takes the profits out of the fisherman's pocket along with the packers.

Mrs. Charles Mosher returned from the P. E. Island Hospital last week somewhat improved in health.

The Morell Sporting Club are planning to once more run their weekly dances in Morell hall.

At time of writing a terrific storm is raging on the north shore and fishermen fear some of their gear will be smashed in the raging sea.

Mr. and Mrs. Joseph Francis, Charlottetown, spent the week-end in Morell the guests of Mrs. Francis, sister Mrs. Justin McCarthy.

A farewell party was held at the home of Mrs. Frank Pigott, Savage Harbor on Friday night for Mrs. Pigott's daughter Mabel. The music in part was furnished by Mr. Angus Labriere and his sister Mrs. Alzair Doucette, of this town.

The heavy wet fencing at the entrance to Morell Bridge saved a heavy car from plunging into the river a few nights ago. The driver escaped with a bad fright and a little damage to the car.

Trout fishermen still line the streams here in the evenings, but the catch is very light as the water is quite low now in the once famous mill stream, but good news is heard. Mr. Hooper informs your agent the mill dam will be repaired this summer and the water raised once more to power the mill. This will also run a stronger freshet in the stream that leads to the sea for sea trout.

At the annual meeting held on May 18th Mrs. Angus McGillivray was re-elected President.

The three vice-presidents in order of election will be Mrs. P. J. Sharkey, Mrs. A.S. Macdonald and Mrs. George Gallant. Recording secretary, Mrs. L.C. Allan; treasurer Mrs. Joseph McNeill; convener for Red Cross, Mrs. E. J. Redmond. The various committees to carry on the work of the C.W.L. will be appointed at a later date.

In her annual report the President expressed her appreciation of the hearty co-operation of the members in the successful year just ended.

A larger membership and greater and more enthusiastic attendance at meetings is very necessary to maintain a high standing among the C. W. L. Sub-divisions of the diocese. For this purpose she advocated the adoption of a programme to increase interest in the activities of the League. Continued vigorous activities of the society.

The retiring secretary, Mrs. M. Landrangian made special mention of the contributions to the poor of the Parish to the Sisters of Service—St. Martin's building fund—Foreign Missions—National Scholarship Fund—Red Cross—and to the P.E.I. B. League. Mrs. Landrangian appreciated her position as representative to the Annual Diocesan Convention, and regretted the fact that all the members of the C.W.L. are unable to attend the instructive conferences held in the parishes. At these conventions do really inspire one to do greater things for "God and Country," the motto of the League.

The financial secretary Mrs. P. Ryan presented a favourable report concerning receipts and expenditures during the year. A very substantial balance is available for the undertaking of a new year's activities.

The Pastor, Rev. M. J. Rooney, addressing the members, thanked them for the co-operation given in all parochial and patriotic activities. He heartily endorsed the idea of the president for a more extensive membership and urged them to take a more vigorous part in the solution of moral problems so closely associated with "Catholic Action".

He exhorted the members to pray fervently for a just and permanent peace, and in connection with this intention the Feast of the Sacred Heart was chosen as a special "Children's Day." On that day the children of the parish are expected to receive Holy Communion with the other members of the League of the Sacred Heart according to the wishes of the Holy Father and of the Bishop of the diocese. In their respective instructions to the faithful.

New Call Sounded For Home Defense

By Louis V. Hunter
Canadian Press Staff Writer

A new call to arms, gaining force as it rolls across the country, is being sounded in Canada for strong home defence units to prevent the rise in the dominion of "fifth column" weasels that opened the way for the Nazi invaders in Europe.

Suggestions for the organization of home guards have gone forward to dominion government authorities from an increasing number of municipalities and organizations. The call is for volunteer home defence forces in the event of an enemy parachute invasion.

Two moves gave traders a chance to catch their breath after last week's plunge of as much as 34 cents for wheat—establishment of minimums below which no trading could be done and announcements of the United States government's 1940 wheat loan rate.

Exchange officials, at the request of the secretary of agriculture Henry Wallace, established Saturday's closing grain prices as minimums. Exchange officials acted to check the descent.

War Tendency Can Be Acquired

NEW YORK, May 20.—The hope that war can be eliminated by the proper environmental conditioning of nations of people was expressed by Amren Scheinfeld yesterday at a luncheon meeting of the Birth Control Federation of America at Town Hall. Mr. Scheinfeld, author of "You and Heredity," was originally scheduled to speak on a program for population control but changed his subject in view of the war developments of the last few days.

"Acquired social characteristics," Mr. Scheinfeld said, "are not inherited. A tendency to turn to war is an acquired characteristic, a product of environment rather than heredity. The German people are not, biologically speaking, any more warlike than the Belgians or Dutch or Norwegians or Poles."

German militarism, Mr. Scheinfeld declared, is rooted in the German culture, not in the "nature" of the German people. Consequently, "it can be wiped out."
